From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office

because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email thread • “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party.

Praise for *Ask a Manager* “A must-read for anyone who works . . . [Alison Green's advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review)

“The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review)

“I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide*

“Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The NA Twelve Traditions are a set of guiding principles for working together. This book tools, text, and questions meant to facilitate discussion and inspire action in our groups, in workshops, and in sponsorship. It is a collection of experience and ideas on how to work through it together, using the principles embodied in the Traditions.

*A Gentle Path through the Twelve Steps Updated and Expanded* This is the official ACA Fellowship Text that is Adult Children of Alcoholics World Service Organization (ACA WSO) Conference Approved Literature. Adult Children of Alcoholics/Dysfunctional Families (ACA) is an independent 12 Step and 12 Tradition anonymous program.

*Narcotics Anonymous: White Booklet* One of NA's earliest publications became the heart of N.A. meetings and the basis for all subsequent N.A. literature. This book contains the twelve steps or principles to recovery, the twelve traditions of NA, an inspiring selection of personal stories written by men and women who are recovering from an addiction to drugs. Recommended for anyone embarking on the road to recovery, and for all who want to help themselves or someone else stay there. This book is for anyone who wants to get out of a painful internal or interpersonal cycle and seek a better way of living. The 12-Step model for recovery and healing helped millions of addicts worldwide not only find and maintain sobriety but live

healthier, happier, more intimately connected lives. But for some reason, this formula has never taken root beyond the recovering addict community. Until now Kristin M. Snowden, a non-addict and therapist, and Scott Brassart, a long-recovering addict and author, have both worked and benefitted from the 12 Steps. And they have both wondered why-when it is so clear to them that the 12 Steps help any person (addicted or not)-this proven program for healthy change is not more widely utilized. That is why *Life Anonymous* was written, with Kristin and Scott using their personal and professional journeys to show how every person can use the 12 Steps to ignite profound change. You don't need to be an addict and don't need extreme or obvious symptoms such as debilitating depression or anxiety to get something meaningful from this book. You don't even need to be in a relationship with an addict. The simple truth is that people in deep struggle can appear to be quite high functioning. The 12 Steps are about identifying what is not working in our lives and making changes to better both ourselves and our relationships. Ultimately, healthy connection with self and others is what it's all about. Whoever you are, whatever your situation, your life can be better. Much better. And the 12 Step process described in these pages can help you make that happen.

12 Step handbook for members of Sexaholics Anonymous This guide to the Twelve Steps from Dr. Stephanie S. Covington, a pioneer in the field of women's issues, addiction, and recovery, preserves the spirit of the Alcoholics Anonymous program with a focus on healing language with women's needs in mind. Published in 1994, *A Woman's Way through the Twelve Steps* has long been a unique resource that helps women find their own paths in recovery—paths shaped by the way we experience not only addiction and recovery, but also relationships, self, sexuality, spirituality, and everyday life. Now, stories from five new voices expand the perspective of this recovery classic. Over the past thirty years, what it means to identify as a woman in recovery has broadened to include transgender, nonbinary, and other gender-diverse people. This new edition includes updated, inclusive language to be more trauma-sensitive and welcoming to all women. This compilation of diverse voices and wisdom from real people illuminates how women understand the Twelve Steps of Alcoholics Anonymous (AA) and offers inspiring stories of how they travel through the Steps and discover what works for them. This book can be used alone or as a companion to AA's *Twelve Steps and Twelve Traditions*. By identifying and addressing the special issues that recovery presents for women, this book empowers women to take ownership of their own journey to grow and flourish in recovery. The Twelve Steps in Alcoholics Anonymous are a spiritual solution to addiction. By working the Twelve Steps, millions of people have found hope and recovered. This book starts with Step One and examines what the Big Book of Alcoholics Anonymous prescribes. You will understand what it means

to admit being powerless and how to surrender to win. There is also a section on the History of The Twelve Steps & Worksheets to help dig deeper into the triggers underneath the addiction. This workbook is designed to help people study, learn, and practice the Twelve Steps of Al-Anon in their lives. It is used with the Al-Anon book "Paths to Recovery." Eating Disorders Anonymous: The Story of How We Recovered from Our Eating Disorders presents the accumulated experience, strength, and hope of many who have followed a Twelve-Step approach to recovery from their eating disorders. Eating Disorders Anonymous (EDA), founded by sober members of Alcoholics Anonymous (AA), have produced a work that emulates the "Big Book" in style and substance. EDA respects the pioneering work of AA while expanding its Twelve-Step message of hope to include those who are religious or seek a spiritual solution, and for those who are not and may be more comfortable substituting "higher purpose" for the traditional "Higher Power." Further, the EDA approach embraces the development and maintenance of balance and perspective, rather than abstinence, as the goal of recovery. Initial chapters provide clear directions on how to establish a foothold in recovery by offering one of the founder's story of hope, and collective voices tell why EDA is suitable for readers with any type of problem eating, including: anorexia nervosa, bulimia, binge eating, emotional eating, and orthorexia. The text then explains how to use the Twelve Steps to develop a durable and resilient way of thinking and acting that is free of eating disordered thoughts and behaviors, including how to pay it forward so that others might have hope of recovery. In the second half of the text, individual contributors share their experiences, describing what it was like to have an eating disorder, what happened that enabled them to make a start in recovery, and what it is like to be in recovery. Like the "Big Book," these stories are in three sections: Pioneers of EDA, They Stopped in Time, and They Lost Nearly All. Readers using the Twelve Steps to recover from other issues will find the process consistent and reinforcing of their own experiences, yet the EDA approach offers novel ideas and specific guidance for those struggling with food, weight and body image issues. Letters of support from three highly-regarded medical professionals and two, well-known recovery advocates offer reassurance that EDA's approach is consistent with that supported by medical research and standards in the field of eating disorders treatment. Intended as standard reading for members who participate in EDA groups throughout the world, this book is accessible and appropriate for anyone who wants to recover from an eating disorder or from issues related to food, weight, and body image. Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper

understanding of the Twelve Steps. The Spiritual Solution - Simple And Effective Recovery Through The Taking And Teaching Of The 12 Steps is a guide to the 12 Steps as presented in the book Alcoholics Anonymous. The 12 steps are intended to be a simple and straightforward way for alcoholics to actually take the steps in sitting. The 12 Steps were never intended to be studied, worked, or analyzed in a protracted way. The 12 Steps are meant to be taken as soon as possible, early in recovery. Included in this book are the guidelines used during The Spiritual Solution One Day 12 Step Workshops. There are additional chapters on: The Founding of AA The Development Of The Spiritual Solution To Alcoholism The Maintenance Steps - Steps 10, 11 and 12 Sponsorship The Home Group Special (exclusive) Meetings Other Substances And Singleness Of Purpose Sober Time and Qualifications For Service The Meaning Of Conference Approved Literature The Spiritual Solution book explains what has happened to a program once called a miracle of the twentieth century, and how AA can return to its previous effectiveness. Whether the reader has been "in the rooms" for many years or still struggling with active alcoholism or addiction, The Spiritual Solution provides a clear, simple and effective guide to comfortable and contented sobriety by actually taking the 12 Steps. If the reader has tried AA and became disappointed or disillusioned, you were more than likely never presented with the actual AA program of recovery found only in the 12 Steps as described in the book Alcoholics Anonymous. The digital edition has a linked 12 Step Quick Guide showing precisely the location of the steps in The Big Book. The 12 Step Quick Guide is included in the paperback edition as well.

The Book That Started It All Hardcover A stunning and provocative new novel by the internationally celebrated author of The Blind Assassin, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of Oryx and Crake, nothing will ever look the same again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigeons and wolvoogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to put together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where

Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue to inhabit our dreams long after the chapter. The Big Book of Alcoholics Anonymous and Twelve Step Programs across the world have helped millions of people recover from addictions. This study guide focuses on WORKING WITH OTHERS. The introduction dives into what the solution is for alcoholics and drug addicts by examining the chapter out of the Big Book of A.A., Working With Others. Chapter Two is Working With Others from the Big Book of A.A. Chapter Three breaks down the history of Working With Others. Chapter Four illustrates the main points. Chapter Five is a Study Guide. Chapter Six is Study Guide Two and offers some of the Twelve Steps that apply. Chapter Seven offers the readers even more solutions to apply by finding or starting meetings of their own. This book can be used in Drug and Alcohol Treatment centers, Institutions, Twelve Step Group Meetings and for those seeking to recover from addiction from home. This book brings together a series of short discussions from various authors who interpret the Twelve Steps. The Twelve Steps of Alcoholics Anonymous form the cornerstone of one of the most effective programs for recovery from alcoholism. The steps have also been successfully adapted for use in the treatment of many other dependencies. This book brings together for the first time a series of short discussions that interpret each of the Twelve Steps--from the admission of individual powerlessness over alcohol that occurs in Step One, to the moral inventory of Step Four and the spiritual awakening of Step Twelve. Each discussion has a separate author, demonstrating the diversity of voices that is at the heart of AA, and each author provides insights that keep the steps fresh and meaningful, whether they've been read once or a hundred times. #1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg. "Enchanting . . . Willy Wonka meets The Matrix."—USA Today • "As one adventure leads expertly to the next, time simply evaporates."—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he's jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he's beset by rivals who'll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club "Delightful . . . the grown-

up's Harry Potter."—HuffPost "An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart."—CNN "A most excellent ride . . . Cline stuffs her novel with a cornucopia of pop culture, as if to wink to the reader."—Boston Globe "Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that's both hilarious and compassionate."—NPR "[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own."—iO9

Written to be used in conjunction with, not instead of the "Big Book of Alcoholics Anonymous." This book will help guide you through a personal experience with all "Twelve Steps" as they are outlined in the "AA Big Book." You write notes and questions from the "Big Book Awakening" into your own "Big Book" for personal consideration. After you have completed the process yourself your "Big Book" is now a powerful "working with others book" with questions and considerations that will help you work with others both one-on-one and in workshops. They then themselves write the same notes into their own "Big Book" to one day do the same. This is a book of reflections by A.A. members for A.A. members. It was first published in 1990 to fulfill a long-felt need within the Fellowship for a collection of reflections that moves through the calendar year-day at a time. Each page contains a reflection on a quotation from A.A. Conference approved literature, such as Alcoholics Anonymous, Twelve Steps and Twelve Traditions, As Bill Sees It and other books. These reflections were submitted by members of the A.A. Fellowship who were not professional writers, nor did they speak for A.A. but only for themselves, from their own experiences in sobriety. The book offers sharing, day by day, from a broad cross section of members, which focuses on the Three Legacies of Alcoholics Anonymous: Recovery, Unity and Service. Daily Reflections has proved to be a popular book that aids individuals in their practice of daily meditation and provides inspiration to group discussions as it presents an introduction for some to A.A. literature as a whole. Narcotics Anonymous Step Working Guides are meant to be used by NA members at any stage of recovery, whether it's the first time through the steps, or whether they have been a guiding force for many years. This book is intentionally written to be relevant to newcomers and to help more experienced members develop a deeper understanding of the Twelve Steps to recovery. Bestselling author and renowned Buddhist teacher Noah Levine adapts the Buddha's Four Noble Truths and Eight Fold Path into a proven and systematic approach to recovery from alcohol and drug addiction—an indispensable alternative to the 12-step program. While many desperately need the help of the 12-step recovery program, the traditional AA model's focus on an external higher power can alienate people who don't connect with its religious tenets. Refuge Recovery is a systematic method

based on Buddhist principles, which integrates scientific, non-theistic, and psychological insight. Viewing addiction as cravings in the mind and body, Levine shows how a path of meditative awareness can alleviate those desires and ease suffering. Refuge Recovery includes daily meditation practices, written investigations that explore the causes and conditions of our addictions, and advice and inspiration for finding or creating a community to help you heal and awaken. Practical yet compassionate, Levine's successful Refuge Recovery system is designed for anyone interested in a non-theistic approach to recovery and requires no previous experience or knowledge of Buddhism or meditation. The Life with Hope 12 Step Workbook supplements the Life with Hope textbook and reinforces the Twelve Steps and Twelve Traditions of Marijuana Anonymous (MA). It includes worksheets and activities to help people overcome cannabis use disorder. The Life with Hope 12 Step Workbook supplements the Life with Hope textbook and reinforces the Twelve Steps and Twelve Traditions of Marijuana Anonymous (MA). It includes worksheets and activities to help people overcome cannabis use disorder. This workbook is designed for working the Twelve Steps with a sponsor. Provides a detailed explanation of the principles of Overeaters Anonymous and serves as a guide for those of us living the programme of OA who want to spread the message of recovery to others. The Workaholics Anonymous (WA) Book of Recovery is similar in style to that of the Alcoholics Anonymous "Big Book." It includes WA members' stories of experience, strength and hope, 20 questions to assess the traits of workaholism, a format and instructions for WA meetings, and a review of the 12 Steps of WA. This essential book on work addiction recovery is written by WA members to carry the message of hope to anyone interested in learning about this devastating addiction, and to workaholics who still suffer. Similar to The Big Book of Alcoholics Anonymous, Life with Hope thoroughly explains the 12 Steps and 12 Traditions as they relate to marijuana addicts and those with cannabis use disorder. This is an essential resource for anyone seeking recovery through Marijuana Anonymous (MA). "How can we tell you how to recover? We cannot. All we can do is share with you our own experiences and recovery through the Twelve Steps of Marijuana Anonymous." Similar to The Big Book of Alcoholics Anonymous, Life with Hope thoroughly explains the Twelve Steps and Twelve Traditions as they relate to individuals with cannabis use disorder. The text includes the 12 Steps and the 12 Traditions, fifteen personal stories from Marijuana Anonymous members, and the section, A Doctor's Opinion about Marijuana Addiction. Life with Hope is an essential resource for the marijuana addict and for anyone with a cannabis use disorder who is seeking recovery through Marijuana Anonymous (MA). The text is ideal for newcomers, people who are in active addiction, and anyone interested in learning more about how marijuana addiction affects people's lives. Here's a 12

step guide to get you through the Big Book of Alcoholics Anonymous. Many great reviews have been left like: Penned as a study guide but a truly enlightening walk through the big book. Reviewed in the United Kingdom on May 25, 2018 Format: Verified Purchase Succinct, to the point and funny. This AA guest is a gifted writer and easily explains the 12 steps in the Big book, with integrity and just a few, though not irreverent 'manifestations! I used this guide and needed it! When the big book was just too heavy going, this guide got me through, to the end. Much gratitude. Change your attitude and you can change your life. Reviewed in the United Kingdom on July 13, 2015 Format: Verified Purchase A book all could live by regardless if they are alcoholic or not. Plain English. Made sense. Thank you for a great read. Reviewed in the United Kingdom on August 4, 2018 Format: Verified Purchase Anyone beginning or struggling with the 12 steps will find this invaluable. I have. Hope you do too. Thank you. Hope you use it to help with the 12 Steps! / 75th anniversary e-book version of the most important and practical self-help book ever written, Alcoholics Anonymous. Here is a special deluxe edition of a book that has changed millions of lives and launched the modern recovery movement: Alcoholics Anonymous. This edition not only reproduces the original 1939 text of Alcoholics Anonymous, but as a special bonus features the complete 1941 Saturday Evening Post article "Alcoholics Anonymous" by journalist Jack Alexander, which, at the time, did as much as the book itself to introduce millions of seekers to AA program. Alcoholics Anonymous has touched and transformed myriad lives, and finally appears in a volume that honors its posterity and impact. Gamblers Anonymous: Working The Twelve Steps The 12 Step Program is fundamentally based on ancient spiritual principles and rooted in sound medical therapy. The best recommendation for the program is the fact that "it works." Gamblers Anonymous would like to indicate that we are not soliciting members. Our intention is to highlight that gambling for certain individuals is an illness called "compulsive gambling." Gamblers Anonymous provides the message that there is an alternative to the destruction of compulsive gambling and this alternative is the Gamblers Anonymous program. Our ranks are filled with members who have recovered from the illness by stopping gambling and attaining a normal way of life. These members remain ready to help any individual who passes through the Gamblers Anonymous door. Modern 12 Step Recovery is a user-friendly, secular guide to the 12 Step program of Alcoholics Anonymous (AA). This book includes updated Steps, information from science and psychology, and a working guide to the 12 Step program that makes the program welcoming to people of all ages and beliefs. The "modernization" was achieved without making any fundamental changes to the AA program. Modern 12 Step Recovery is 100% compatible with pursuing a program of recovery within the traditional AA mutual support network. This includes AA

meetings, sponsor relationships, and other activities. The information in this book is also relevant to people in recovery from co-dependency (Al-Anon) and other 12 Step based programs. "We can find hope from those who have walked this path before us. As we begin to heal from our losses, we in turn offer this same hope to others. Through our willingness to face our loss openly and honestly, we discover our strength and resilience - not despite it, but because of it"--Publisher. Written by addicts, for addicts, and about addicts, this is the softcover edition of the book that sets forth the spiritual principles of Narcotics Anonymous that hundreds of thousands of addicts have used in recovery. Just as with alcoholism, there is no "cure" for narcotic addiction, but recovery is possible through a program adapted from the Twelve Steps and Twelve Traditions of Alcoholics Anonymous. Intended as a complete textbook for every addict seeking recovery, Narcotics Anonymous describes the NA program and how it works. It includes the NA Twelve Steps and Twelve Traditions, as well as many personal stories of people who have found freedom from addiction through Narcotics Anonymous.
