NEWLAND

READING TRACK

The first part of the story is a flashback to the time when the boys were young. It shows how they were raised and how they learned to hunt and trap. The second part of the story is the present day. It shows how the boys have grown up and how they are now using their skills to survive in a new world.

The boys are now in a new world, a world where they must use their skills to survive. They are no longer the boys who were raised in the old world. They are now men, and they must learn to live in a new way. They must learn to hunt and trap, and they must learn to work together to survive.
