“Foster convincingly brings her characters to life against the idyllic backdrop of Kentucky farmland. This down-to-earth romance will especially appeal to animal lovers.”—Publishers Weekly on *The Somerset Girls* No one knows you quite like a sister... Summer in Sunset, Kentucky, means long, hot days—and sometimes surprising new beginnings. Through it all, the ties of sisterhood will be there, guiding Autumn and Ember to the lives, and loves, they need... When they’re running the animal-rescue farm they inherited from their grandparents, Autumn and Ember Somerset are perfectly in sync. At all other times, not so much. Dependable Autumn would rather curl up with a good book than paint the town red with Ember. After the disaster that was Autumn’s last relationship, it’s pure self-protection. But when her high school crush comes back to town with his adorable young daughter, igniting memories best left forgotten, there’s only one person Autumn can turn to... Beneath Ember’s free-spirited facade is a layer of deep hurt. She’ll gladly nudge Autumn toward a second chance. But risk her own heart? Not likely. The closer Autumn gets to her own happily-ever-after, the more Ember wonders what she might be missing—and if it isn’t her time to be bold, too. Don’t miss *The Little Flower Shop*, an all new heartwarming summer read from New York Times bestselling author Lori Foster about a 40-something florist who, with the help of her meddling small town, gets a second chance at life and love. More charming contemporaries from Lori Foster: *The Honeymoon Cottage* *The Summer of No Attachments* *Sisters of Summer's End* *Cooper's Charm* A revelatory new biography emerges that captures the enigmatic life of England's greatest queen--the uniquely fascinating Elizabeth, who ruled for nearly 45 years, had intellect and presence, and exercised supreme authority in a world where power was exclusively male. Anne Somerset examines the monarch and the woman. 16 pages of black-and-white illustrations. *Hazard and Somerset: Off Duty Volume 2* is a collection of short stories. It includes the following: “John-Henry Somerset: Sold!” Somers enters a charity bachelor’s auction without telling his boyfriend. This story takes place before *The Rational Faculty*. “Pretty and Pink and Perfect” Hazard plans a toddler’s birthday party. This story takes place before *The Rational Faculty*. “Pride Slays Thanksgiving” Hazard and Somers prepare for their first Thanksgiving as a couple. This story takes place before *Police Brutality*. “Santa: A Cultural Hegemony” Hazard is volun-told to dress up as Santa. This story takes place before *Transactional Dynamics*. “Valentine’s in Six Beats” Hazard executes his do-over for Valentine’s. This story takes place before *Wayward*. “Emery’s Birthday Scavenger Hunt” Somers plans the perfect birthday for Hazard . . . or so he thinks. This story takes place before *The Keeper of Bees*. “Hazard and Somerset: Off Duty” A series of six vignettes featuring Hazard and Somers on a Caribbean vacation. This story takes place after *The Keeper of Bees*. Please note that the first six stories have distributed previously to mailing list subscribers and at GRL 2019. “Hazard and Somerset: Off Duty” is exclusively available in this collection. WELCOME TO SOMERSETA land of mystery and magic! You have been chosen by our Illustrious Overlord to take part in *The Rules*: a no holds barred death-match, to see who among you is the most powerful. You have been transported here against your will. The only way back is to reach level 100 and defeat the final boss. Please do be careful with your life, as it is the only one you'll get. Have a pleasant match, and remember, we're always watching... When Sam wakes up in a strange new world with a message floating before his eyes, he thinks he's hallucinating. However, he soon discovers a land filled with dungeons, monsters, angry gnomes, and even worse, talking dogs! Warning: Contains profanity and content that may not be suitable for children. This is a LitRPG book, containing multiple stat sheets, message windows, dungeons and epic loot. With Somerset, the first pictorial history of the town ever created, resident historian James E. Bradbury has created a nostalgic look at his home from the Civil War to the 1960s. The book focuses on the people who have made Somerset what it is today--from shipbuilders and seafarers to iron workers and trolley car men. Somerset tells the story of a variety of residents and their contributions to the town's rich history. It presents the tale of Clifford Holland, a Somerset man who built the world's first successful vehicular tunnel between New York and New Jersey. Also featured is Shirley May France, a town resident who, at age seventeen, attempted unsuccessfully to swim the daunting English Channel. Less well-known but equally important civic-minded citizens of Somerset also appear in Bradbury's work--like Dr. Frank Morrill, proud deliverer of over one thousand babies in his sixty-one years of service to Somerset and Fall River. *Of Human Bondage* (1915) is a novel by W. Somerset Maugham. Inspired by his experiences as an orphan and young student, Maugham composed his masterpiece. Adapted several times for film, *Of Human Bondage* is a story of tragedy, perseverance, and the eternal search for happiness which drives us as much as it haunts our every move. Orphaned as a boy, Philip Carey is raised in an affectionless household by his aunt and

uncle. Although his Aunt Louisa tries to make him feel welcome, William proves an uncaring, vindictive man. Left to fend for himself most days, Philip finds solace in the family's substantial collection of books, which serve as an escape for the imaginative boy. Sent to study at a prestigious boarding school, Philip struggles to fit in with his peers, who abuse him for his intelligence and club foot. Despite his struggles, he perseveres in his studies and chooses his own path in life, moving to Heidelberg, Germany and denying his uncle's wish that he attend Oxford. As he struggles to become a professional artist, Philip learns that one's dreams are often unsubstantiated in the world of the living.

*Of Human Bondage* is a tale of desire, disappointment, and romance by a master stylist with a keen sense of the complications inherent to human nature. With a beautifully designed cover and professionally typeset manuscript, this edition of W. Somerset Maugham's *Of Human Bondage* is a classic work of British literature reimagined for modern readers. The story of one woman's unflagging efforts to recover the history of her ancestors, slaves who had lived and worked at Somerset Place plantation.

Excerpt from *The Somerset Hills: Being a Brief Record of Significant Facts in the Early History, of the Hill Country of Somerset County New Jersey* In the preparation of this little book, the usual sources have been consulted. These have been found in the collections of the New Jersey, New York and Pennsylvania Historical Societies. To these have been added some oral traditions, now first put in form, and some materials culled from unpublished manuscripts. In brief, to use the words of the immortal creator of *Don Quixote*.

About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Two East Texas families must deal with the aftermath of a marriage that never happened leading to deceit, secrets, and tragedies in a sweeping multigenerational Southern saga "with echoes of *Gone with the Wind*." (Publishers Weekly) Spanning the 20th century, the story of *Roses* takes place in a small East Texas town against the backdrop of the powerful timber and cotton industries, controlled by the scions of the town's founding families. Cotton tycoon Mary Toliver and timber magnate Percy Warwick should have married but unwisely did not, and now must deal with consequences of their momentous choice and the loss of what might have been--not just for themselves but for their children, and their children's children. With expert, unabashed, big-canvas storytelling, *Roses* covers a hundred years, three generations of Texans, and the explosive combination of passion for work and longing for love.

LOOK FOR LEILA MEACHAM'S HISTORICAL WWII EPIC, *DRAGONFLY*, COMING JULY 2019. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. *New Jersey Country Houses: The Somerset Hills* chronicles the country estates that were built in the rolling countryside of Somerset and Morris counties in New Jersey. Volume I covers more than sixty houses that were constructed prior to World War I in Bernardsville, Mendham, Far Hills, Peapack-Gladstone and Bedminster. Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A comprehensive history of the Somerset Carthusians, a monastic order that existed in England from the 14th to the 16th centuries. This book explores the origins and development of the order, as well as its eventual decline and dissolution. This book is an essential resource for anyone interested in the history of monasticism in England. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. One hundred fifty years of *Roses*—*Roses* so much—are here in abundance. Between the Watchung Mountains to the north and the Sourland Mountains to the west lies the fertile valley of the Raritan River. Stout Dutch, Huguenot, German, Scottish, and English settlers began to cultivate family farms here as early as the 1680s. For almost a hundred years, the tramp of soldiers' feet and sounds of cannons had been unknown, but that was about to change. With its location astride two major routes between New York and Philadelphia, it is little wonder that Somerset County became the "Crossroads of the Revolution." A friendly populace and the protection of the mountains made this a safe haven for General Washington's army. His soldiers camped for three winters, including the harshest winter of the Revolution, in Somerset and in the adjacent areas of central New Jersey. Washington spent more time here than any other place during the War for Independence. It was in this historically significant county that the first military academy in the nation was built, the 13-star flag was first flown over American troops after its adoption by Congress, and the "Regulations for the Infantry of the United States" was written by General von Steuben. Cornelia, eleven-years-old and lonely, learns about language and life from an elderly new neighbor who has many stories to share about the fabulous adventures she and her sisters had while traveling around the world. This book is a historical account of the Somerset Diocese, Bath and Wells. The book provides an insight into the religious and cultural practices of the time and is a must-read for anyone interested in English history and culture. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be

preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Perfect for fans of "Sex and the City", this hilarious true account of modern dating follows a two-year journey of newly single Kate Somerset in Manhattan. The book's 15 stories of men will charm, inspire, and amuse readers to #DateLikeKate. You'll meet Anderson the Actor, Cain the Canine Lover, Nick the Neighbor, Cupido the Conductor, Braeden the Banker, and 10 others! Encouraged by her teenage daughter to "get a real life" following a divorce, Kate catapults herself from a settled existence in Texas to the unknown world of New York City. Creating her own joyful playbook for dating, Kate goes online and in person to build a new life. Relatable to singles of all ages, the stories of Kate's real dating adventures will have you begging for more. An instinctive and magnificent storyteller, Somerset Maugham was one of the most popular and successful writers of his time. He published seventy-eight books -- including the undisputed classics *Of Human Bondage* and *The Razor's Edge* -- which sold over 40 million copies in his lifetime. Born in Paris to sophisticated parents, Willie Maugham was orphaned at the age of ten and brought up in a small English coastal town by narrow-minded relatives. He was trained as a doctor, but never practiced medicine. His novel *Ashenden*, based on his own espionage for Britain in World War I, influenced writers from Eric Ambler to John le Carr?. After a failed affair with an actress, he married another man's mistress, but reserved his greatest love for a man who shared his life for nearly thirty years. He traveled the world and spoke several languages. Despite a debilitating stutter, and an acerbic and formal manner, he entertained literary celebrities and royalty at his villa in the south of France. He made a fortune from his writing--the short story "Rain" alone earned him a million dollars--yet true critical recognition, and the esteem of his literary peers, eluded him. The life of Somerset Maugham, as told by acclaimed biographer Jeffrey Meyers, is an intriguing, glamorous, complex, and extraordinary account of one of the twentieth century's most enduring writers. From the Trade Paperback edition. Meet the people of the town of Somerset as they celebrate their centennial. This tree-lined oasis of 440 homes set between the high-rise commercial districts of Friendship Heights and Bethesda retains many small-town characteristics from its past. Vintage photographs bring to life the prominent scientists who purchased a parcel of land called Somerset Heights in 1890 and their efforts to build a town. The history of this trolley suburb is chronicled in images of the town's mayors, beginning with agricultural scientist Dr. Charles A. Crampton in 1906; the townspeople and their families; and great American home architecture. Children who attend the Somerset Elementary School still sled and trick-or-treat along Cumberland Avenue as kids have done for a century. Many swim for the successful Dolphins swim team, now 25 years old. This book provides a detailed history of the religious houses in Somerset, England, from the Anglo-Saxon period to the dissolution of the monasteries. It covers the establishment of the monasteries, their wealth and power, and their role in the local community. The book also includes information on the dissolution of the monasteries and the fate of the monks and nuns who lived there. It is a valuable resource for anyone interested in the social and religious history of medieval England. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. The town of Wincanton is twinned with a place that does not exist. William Gibbs of Tyntesfield House made his fortune by importing bird droppings from Peru. A song by 'Scrumpy and Western' singer Adge Cutler was banned by the BBC for being too raunchy. Nine villages in Somerset are known as the 'Thankful Villages'. From seaside to countryside and villages to towns, Somerset is a county where it's difficult to separate history and mystery. This fast-paced, fact-packed compendium of places, people and trivia reveals all sorts of answers to questions you might have wondered about – and some you didn't. The facts, stats and anecdotes will surprise even those familiar with this beautiful and historic county. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it.
