**Black Prophetic Fire** Cornel West,Christa Buschendorf,2015-09-01 An unflinching look at nineteenth and twentieth century African American leaders and their visionary legacies In an accessible conversational format Cornel West with distinguished scholar Christa Buschendorf provides a fresh perspective on six revolutionary African American leaders Frederick Douglass W E B Du Bois Martin Luther King Jr Ella Baker Malcolm X and Ida B Wells In dialogue with Buschendorf West examines the impact of these men and women on their own eras and across the decades He not only rediscovers the integrity and commitment within these passionate advocates but also their fault lines West in these illuminating conversations with the German scholar and thinker Christa Buschendorf describes Douglass as a complex man who is both the towering Black freedom fighter of the nineteenth century and a product of his time who lost sight of the fight for civil rights after the emancipation He calls Du Bois undeniably the most important Black intellectual of the twentieth century and explores the more radical aspects of his thinking in order to understand his uncompromising critique of the United States which has been omitted from the American collective memory West argues that our selective memory has sanitized and even Santaclausified Martin Luther King Jr rendering him less radical and has marginalized Ella Baker who embodies the grassroots organizing of the civil rights movement The controversial Malcolm X who is often seen as a proponent of reverse racism hatred and violence has been demonized in a false opposition with King while the appeal of his rhetoric and sincerity to students has been sidelined Ida B Wells West argues shares Malcolm X s radical spirit and fearless speech but has often become the victim of public amnesia By providing new insights that humanize all of these well known figures in the engrossing dialogue with Buschendorf and in his insightful introduction and powerful closing essay Cornel West takes an important step in rekindling the Black prophetic fire *The Cross and the Lynching Tree* James H. Cone,2011 A landmark in the conversation about race and religion in America They put him to death by hanging him on a tree Acts 10 39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community In this powerful new work theologian James H Cone explores these symbols and their interconnection in the history and souls of black folk Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning While the lynching tree symbolized white power and black death the cross symbolizes divine power and black life God overcoming the power of sin and death For African Americans the image of Jesus hung on a tree to die powerfully grounded their faith that God was with them even in the suffering of the lynching era In a work that spans social history theology and cultural studies Cone explores the message of the spirituals and the power of

the blues the passion and of Emmet Till and the engaged vision of Martin Luther King Jr he invokes the spirits of Billie Holliday and Langston Hughes Fannie Lou Hamer and Ida B Well and the witness of black artists writers preachers and fighters for justice And he remembers the victims especially the 5 000 who perished during the lynching period Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice

**My Soul Looks Back** James H. Cone,1986 What is the relationship James Cone asks between my training as a theologian and the black struggle for freedom For what reason has God allowed a poor black boy from Bearden to become a professional systematic theologian As I struggled with these questions I could not escape the overwhelming conviction that God s spirit was calling me to do what I could for the enhancement of justice in the world especially on behalf of my people My Soul Looks Back chronicles the author s grappling with these questions as well as his formulation of an answer an answer that would lead to the development of a black theology of liberation Firmly rooted in the black church tradition James Cone relates the formative features of his faith journey from his childhood experience in Bearden Arkansas and his father s steadfast resistance to racism through racial discrimination in graduate school to his controversial articulation of a faith that seeks to break the shackles of racial oppression In describing his more recent encounters with feminist Marxist and Third World thinkers James Cone provides a compelling description of liberation theology and a vivid portrayal of what it means to profess a faith that does justice Back cover

**The Spirituals and the Blues** Cone, James H.,2022-11-03 How two forms of song helped sustain slaves and their children in the midst of tribulation With a new introduction by Cheryl Townsend Gilkes Said I Wasn't Gonna Tell Nobody James H. Cone,2018 This autobiographical work is truly the capstone to the career of the man widely regarded as the Father of Black Theology Dr Cone a distinguished professor at Union Theological Seminary died April 27 2018 During the 1960s and 070s he argued for racial justice and an interpretation of the Christian Gospel that elevated the voices of the oppressed

*For My People* Cone, James, H.,2024-10-23 The Sword and the Shield Peniel E. Joseph,2020-03-31 This dual biography of Malcolm X and Martin Luther King upends longstanding preconceptions to transform our understanding of the twentieth century s most iconic African American leaders To most Americans Malcolm X and Martin Luther King Jr represent contrasting ideals self defense vs nonviolence black power vs civil rights the sword vs the shield The struggle for black freedom is wrought with the same contrasts While nonviolent direct action is remembered as an unassailable part of American democracy the movement s militancy is either vilified or erased outright In The Sword and the Shield Peniel E Joseph upends these misconceptions and reveals a nuanced portrait of two men who despite markedly different backgrounds inspired and pushed each other throughout their adult lives

This is a strikingly revisionist biography not only of Malcolm and Martin but also of the movement and era they came to define

**The Martin Luther King, Jr. Companion** Martin Luther King (Jr.),1993 Quotations by the civil rights leader cover such issues as race justice and human dignity

**The "Chosen" Ones** Gabriel A. Scott,2010-02-16

**Martin Luther King, the Inconvenient Hero** Vincent Harding,2008-01-01 In these eloquent essays the noted scholar and activist Vincent Harding reflects on the forgotten legacy of Martin Luther King Jr and the meaning of his life today Many of these reflections are inspired by the ambiguous message surrounding the official celebration of King s birthday Harding sees a tendency to freeze an image of King from the period of his early leadership of the Civil Rights movement the period culminating with his famous I Have a Dream Speech Harding writes passionately of King s later years when his message and witness became more radical and challenging to the status quo at every level In those final years before his assassination King took up the struggle against racism in the urban ghettos of the North he became an eloquent critic of the Vietnam war he laid the foundations for the Poor People s Campaign This widening of his message and his tactics entailed controversy even within his own movement But they point to a consistent expansion of his critique of American injustice and his solidarity with the oppressed It was this spirit that brought him to Memphis in 1968 to lend his support to striking sanitation workers It was there that he paid the final price for his prophetic witness

*Myths America Lives By* Richard T. Hughes,2018-09-05 Six myths lie at the heart of the American experience Taken as aspirational four of those myths remind us of our noblest ideals challenging us to realize our nation s promise while galvanizing the sense of hope and unity we need to reach our goals Misused these myths allow for illusions of innocence that fly in the face of white supremacy the primal American myth that stands at the heart of all the others

**All God's Children Need Traveling Shoes** Maya Angelou,1991-06-04 In 1962 the poet musician and performer Maya Angelou claimed another piece of her identity by moving to Ghana joining a community of Revolutionist Returnees inspired by the promise of pan Africanism All God s Children Need Walking Shoes is her lyrical and acutely perceptive exploration of what it means to be an African American on the mother continent where color no longer matters but where American ness keeps asserting itself in ways both puzzling and heartbreaking As it builds on the personal narrative of I Know Why the Caged Bird Sings and Gather Together in My Name this book confirms Maya Angelou s stature as one of the most gifted autobiographers of our time

**There is a Balm in Gilead** Lewis V. Baldwin,1991-01-01 Examines King s roots in Black popular culture and their role as the source of his power and vision
