Skyscraping Frontiers Sascha Klein,2020 This study models the skyscraper as a complex network of actors and retraces its initial assemblage during the 19th century to its evolution into a smart structure from the

mid 20th century onwards by looking at a great number of US American novels and movies It connects classic spatial theories with concepts and methods of ANT and Urban Studies Legacy Alex Duval,2007 Jason is blissfully happy with Sienna the beautiful intoxicating vampire he has loved ever since moving to Malibu and entering her wealthy cliquey party life But unfortunately Sienna s parents forbid her to continue seeing Jason as they don t believe in human vampire relationships **Vampire Beach: Bloodlust** Alex Duval,2011-11-30 Jason and his sister have just moved to Malibu to a town full of rich kids whose lives revolve around money fashion cars and parties Jason gets swept along by the excitement and is flattered to be included and also very flattered by the apparent interest of the stunning Sienna But these rich kids hide a dark secret and soon Jason finds that their parties involve a little more than the usual alcohol and music When their secret is revealed Jason has to decide if he can accept the status quo Everyone else seems to be able to and it might just mean he could get closer to Sienna A fabulously glam and sexy take on the classic vampire story these vamps can live pretty normal lives no garlic or coffins for them *Vampire Beach* Alex Duval,2006 Initiation Jason Freeman is getting the hang of DeVere Heights Then life from his past pays an unexpected visit in the form of his old friend Tyler Vampire Beach: Ritual Alex Duval,2011-11-30 Jason lives in hyper cool Malibu and hangs out with the cool kids He thinks he s pretty lucky to be considered a friend of the gorgeous but unattainable Sienna But only Jason and his friend know the secret behind Sienna s IT crowd that they are partial to the taste of blood Jason takes his sister to a New Age fair and they visit a psychic Jason is given a warning of great danger and sure enough he is soon after attacked by a mysterious assailant When he wakes up in hospital he discovers that he s been shot with a crossbow Who would use such a weapon possibly some kind of vampire hunter Could Sienna be the one who s really in danger High Stakes and Hunted Alex Duval,2009 High stakes For once things for Jason and his vampire girlfriend Sienna are right on track great friends great life no great drama Then Sienna s older sister Paige comes home unexpectedly from college in Paris Paige is sexy sophisticated and full of wild ideas such as spending spring break in Las Vegas Jason soon finds that life in Malibu may be intense but life in Vegas is insane And when Paige s controlling ex boyfriend turns up things quickly go from daring to dangerous Now Jason and Sienna are caught right in the middle of it all *Queer/Adaptation* Pamela Demory,2019-02-15 This collection of essays illuminates the intersection of queer and adaptation Both adaptation and queerness suffer from the stereotype of being secondary to identify something as an adaptation is to recognize it in relation to something else that seems more original more authentic Similarly to identify something as queer is to place it in relation to what is assumed to be normal or straight This ground breaking volume brings together fifteen original essays that critically challenge these assumptions about originality authenticity and value The volume is organized in three parts The essays in Part I examine what happens when an adaptation queers its source text and explore the role of the author screenwriter director in making those choices The essays in Part II look at what happens when filmmakers push against boundaries of various kinds time and space texts and bodies genres and formats And the essays in

Part III explore adaptations whose source texts cannot be easily pinned down where there are multiple adaptations and where the adaptation process itself is queer The book includes discussion of a wide variety of texts including opera classic film genre fiction documentary musicals literary fiction low budget horror camp classics and experimental texts providing a comprehensive and interdisciplinary introduction to the myriad ways in which queer and adaptation overlap **Dreamland** Sarah Dessen,2004-05-11 Love can be a very dangerous thing After her sister left Caitlin felt lost Then she met Rogerson When she s with him nothing seems real But what happens when being with Rogerson becomes a larger problem than being without him Another pitch perfect offering from Dessen Booklist starred review Also by Sarah Dessen Along for the Ride Just Listen Keeping the Moon Lock and Key The Moon and More Someone Like You That Summer This Lullaby The Truth About Forever What Happened to Goodbye **Fallout 3** David S.
