Creative Paper Titles Generator

Book Title Generator Scott Lorenz,2020-05-15 The Proven System For Finding a Title That Sells Your Book Nobody buys a book unless they're first attracted by the title and cover. If the title doesn't grab them, it's game over. That's why Book Publicist Scott Lorenz of Westwind Book Marketing created a strategy for naming your book that'll get attention of potential buyers. Don't name your book until you've read *Book Title Generator*. Using the latest methods of getting a book ranked on search engines and in Amazon, Lorenz lays out a plan to help you get the right title for your book. Lorenz asks authors to consider all options in the quest for the perfect book title. From using numbers, alliteration, idioms, and keyword research, *Book Title Generator* covers them all. Many famous books we all know today started out with dreadful titles. Learn why, when a title was changed, their book sales took off. As a Book Publicist, Scott Lorenz has helped title hundreds of books and promoted hundreds more. He's a student of book titles and shares his nearly three decades of book marketing experience with authors in this book. *Book Title Generator* is designed to help authors and publishers spark the idea to lead them to the perfect book title. It's the surefire way to find your winning title.

Lying Sam Harris,2013-10-23 As it was in *Anna Karenina*, *Madame Bovary*, and *Othello*, so it is in life. Most forms of private vice and public evil are kindled and sustained by lies. Acts of adultery and other personal betrayals, financial fraud, government corruption, even murder and genocide generally require an additional moral defect: a willingness to lie. In *Lying*, best-selling author and neuroscientist Sam Harris argues that we can radically simplify our lives and improve society by merely telling the truth in situations where others often lie. He focuses on white lies, those lies we tell for the purpose of sparing people discomfort. For these are the lies that most often tempt us. And they tend to be the only lies that good people tell while imagining that they are being good in the process.

The Gang's All Queer Vanessa R. Panfil, 2017-08-15 Honorable Mention 2018 Distinguished Book Award presented by the American Sociological Association's Sociology of Sexualities Section The first inside look at gay gang members Many people believe that gangs are made up of violent thugs who are in and out of jail and who are hyper masculine and heterosexual In *The Gang's All Queer* Vanessa Panfil introduces us to a different world Meet gay gang members sometimes referred to in popular culture as homo thugs whose gay identity complicates criminology's portrayal and representation of gangs gang members and gang life In

vivid detail Panfil provides an in depth understanding of how gay gang members construct and negotiate both masculine and gay identities through crime and gang membership The Gang s All Queer draws from interviews with over 50 gay gang and crime involved young men in Columbus Ohio the majority of whom are men of color in their late teens and early twenties as well as on the ground ethnographic fieldwork with men who are in gay hybrid and straight gangs Panfil provides an eye opening portrait of how even members of straight gangs are connected to a same sex oriented underground world Most of these young men still present a traditionally masculine persona and voice deeply held affection for their fellow gang members They also fight with their enemies many of whom are in rival gay gangs Most come from impoverished rough neighborhoods and seek to defy negative stereotypes of gay and Black men as deadbeats though sometimes through illegal activity Some are still closeted to their fellow gang members and families yet others fight to defend members of the gay community even those who they deem to be fags despite distaste for these flamboyant members of the community And some perform in drag shows or sell sex to survive The Gang s All Queer poignantly illustrates how these men both respond to and resist societal marginalization Timely powerful and engaging this book will challenge us to think differently about gangs gay men and urban life
