the compassionate People startling Baltimore Sun moving Chicago Tribune true story of two kids with the same name One went on to be a Rhodes Scholar decorated combat veteran White House Fellow and business leader The other is serving a life sentence in prison The chilling truth is that his story could have been mine The tragedy is that my story could have been his In December 2000 the Baltimore Sun ran a small piece about Wes Moore a local student who had just received a Rhodes Scholarship The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery The police were still hunting for two of the suspects who had gone on the lam a pair of brothers One was named Wes Moore Wes just couldn't shake off the unsettling coincidence or the inkling that the two shared much more than space in the same newspaper After following the story of the robbery the manhunt and the trial to its conclusion he wrote a letter to the other Wes now a convicted murderer serving a life sentence without the possibility of parole His letter tentatively asked the questions that had been haunting him Who are you How did this happen That letter led to a correspondence and relationship that have lasted for several years Over dozens of letters and prison visits Wes discovered that the other Wes had had a life not unlike his own Both had had difficult childhoods both were fatherless they d hung out on similar corners with similar crews and both had run into trouble with the police At each stage of their young lives they had come across similar moments of decision yet their choices would lead them to astonishingly different destinies Told in alternating dramatic narratives that take readers from heart wrenching losses to moments of surprising redemption The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world

Hyperion Dan Simmons, 2011-01-12 A stunning tour de force filled with transcendent awe and wonder Hyperion is a masterwork of science fiction that resonates with excitement and invention the first volume in a remarkable epic by the multiple award winning author of The Hollow Man On the world called Hyperion beyond the reach of galactic law waits a creature called the Shrike There are those who worship it There are those who fear it And there are those who have vowed to destroy it In the Valley of the Time Tombs where huge brooding structures move backward through time the Shrike waits for them all On the eve of Armageddon with the entire galaxy at war seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of their lives Each carries a desperate hope and a terrible secret And one may hold the fate of humanity in his hands Praise for Dan Simmons and Hyperion Dan Simmons has brilliantly conceptualized a future 700 years distant In sheer scope and complexity it matches and perhaps even surpasses those of Isaac Asimov and James Blish The Washington Post Book World An unfailingly inventive narrative generously conceived and stylistically sure handed The New York Times Book Review Simmons's own genius transforms space opera into a new kind of poetry The Denver Post An essential part of any science fiction collection Booklist
