*Letters to Felice* Franz Kafka,2016-12-06 Franz Kafka met Felice Bauer in August 1912 at the home of his friend Max Brod Energetic down to earth and life affirming the twenty five year old secretary was everything Kafka was not and he was instantly smitten Because he was living in Prague and she in Berlin his courtship was largely an epistolary one passionate self deprecating and anxious letters sent almost daily sometimes even two or three times a day But soon after their engagement was announced in 1914 Kafka began to worry that marriage would interfere with his writing and his need for solitude The more than five hundred letters Kafka wrote to Felice through their breakup a second engagement in 1917 and their final parting in the fall of that year when Kafka began to feel the effects of the tuberculosis that would eventually claim his life reveal the full measure of his inner turmoil as he tried in vain to balance his desire for human connection with what he felt were the solitary demands of his craft      The Play of the Eyes Elias Canetti,2021-12-14 The Play of the Eyes is the third volume in Nobel Prize winning author Elias Canetti s trilogy of memoirs Here Canetti describes his young adult life as he tries to make it as a writer in Vienna during the 1930s and provides vivid accounts of the remarkable figures he meets along the way usually in cafes from Robert Musil Thomas Mann and Herman Broch among others Canetti uses a dramatist s gifts here to achieve emotional depth his mother s death sketched simply against the backdrop of a crumbling Europe takes on a tragic dignity Publishers Weekly      Notes from Hampstead Elias Canetti,2021-12-07 Notes from Hampstead is a map of the late Nobel laureate s thinking a triumphant compendium of aphoristic enigmatic and expository writings covering a characteristically diverse range of subjects Canetti is a meticulous writer and in reading his notes one can easily see him hovering over a just formed sentence pencil in hand wondering whether to cut or to add or to leave well enough alone Publishers Weekly      **The Agony of Flies** Elias Canetti,2021-12-14 Agony of Flies Notes and Notations presents brief aphorisms selected from the German Nobel laureate Elias Canetti s writings These short writings collected in this bilingual edition offer remarkable insight into the life and thinking of one of our great imaginers and solitary men of genius Iris Murdoch      *The Secret Heart of the Clock* Elias Canetti,2021-12-14 From one of the preeminent intellectual figures of the twentieth century a highly personal testimonial of what Canetti himself chooses to term notations bits and pieces notes aphorisms fragments Taken together they present an awesomely tender guiltily gloomy meditation on death and aging A mosaical portrait of an old body s mind determined to do its exercises and not lose a step and fascinating for that Kirkus Reviews      Jewish Literatures in Spanish and Portuguese Ruth Fine,Susanne Zepp,2022-10-24 This volume offers a thorough introduction to Jewish world literatures in Spanish and Portuguese which not only addresses the coexistence of cultures but also the functions of a literary and linguistic space of negotiation in this context From the Middle Ages to

present day the compendium explores the main Jewish chapters within Spanish and Portuguese language world literature whether from Europe Latin America or other parts of the world No comprehensive survey of this area has been undertaken so far Yet only a broad focus of this kind can show how diasporic Jewish literatures have been and are while closely tied to their own traditions deeply intertwined with local and global literary developments and how the aesthetic praxis they introduced played a decisive formative role in the history of literature With this epistemic claim the volume aims at steering clear of isolationist approaches to Jewish literatures

*Crowds and Power* Elias Canetti,2000 How do crowds work What is the nature of their unique creation the demagogue This is the renowned and original analysis of one of the 20th century s most threatening and influential phenomena by the Nobel Prize winning thinker Elias Canetti

**Hermeneutics and Deconstruction** Hugh J. Silverman,Don Ihde,1985-01-01 Hermeneutics and Deconstruction provides an assessment of two dominant modes of thinking and writing in continental philosophy today It addresses central issues in the theory of interpretation and in the strategies of textual reading Placed in the context of contemporary philosophical practice this volume raises the question of the end of philosophy and offers different ways of understanding how the question of closure in philosophy can itself open up a whole range of philosophical activities Special attention is given to the practice of interpretation in the areas of science perception and literature and to the dimensions of hermeneutic understanding with respect to being life and the world An investigation of how history is interpreted and read as a text provides access to one of the significant differences between hermeneutic understanding and deconstructionist practice A section is devoted to the controversy concerning the value and the achievement of deconstruction The writings of Heidegger and Derrida are juxtaposed and examined And the volume concludes with several indications of new directions in continental philosophy and various versions of what a post Derridean reading might entail

Francophone Sephardic Fiction Judith Roumani,2022-04-13 Francophone Sephardic Fiction Writing Migration Diaspora and Modernity approaches modern Sephardic literature in a comparative way to draw out similarities and differences among selected francophone novelists from various countries with a focus on North Africa The definition of Sepharad here is broader than just Spain it embraces Jews whose ancestors had lived in North Africa for centuries even before the arrival of Islam and who still today trace their allegiance to ways of being Jewish that go back to Babylon as do those whose ancestors spent a few hundred years in Iberia The author traces the strong influence of oral storytelling on modern novelists of the twentieth and early twenty first centuries and explores the idea of the portable homeland as exile and migration engulfed the long rooted Sephardic communities The author also examines diaspora concepts how modernity and post modernity threatened traditional ways of life and how humor and an active return into history for the novel have done more than mere nostalgia could to enliven the portable homeland of modern francophone Sephardic fiction

Rereading the Nineteenth Century I. Webb,2010-03-29 In the aftermath of the revolutions in theory and criticism of the last several decades this book offers a re reading of the

development of the nineteenth century English novel by exploring the relation of the writer to the reader Culture and Customs of Morocco Raphael Chijioke Njoku,2005-12-30 Moroccan culture today is a blend of Berber African Arab Jewish and European influences in an Islamic state Morocco s strategic position at the tip of North Africa just below Spain has brought these cultures together through the centuries The parallels with African and Middle Eastern countries and other Muslim cultures are drawn as the major topics are discussed yet the uniqueness of Moroccan traditions particularly those of the indigenous Berbers stand out The narrative emphasizes the evolving nature of the storied subcultures With more exposure to Western style education and pop culture the younger generations are gradually turning away from the strict religious observances of their elders General readers finally have a substantive resource for information on a country most known in the United States for the Humphrey Bogart classic Casablanca images of the souks markets hashish and Berber rugs The strong introduction surveys the people land government economy educational system and history Most weight is given to modern history with French colonial rule ending in 1956 and a succession of monarchs since then The discussion of religion and worldview illuminates the Islamic base and Jewish communities but is also notable for the discussion of Berber beliefs in spirits In the Literature and Media chapter the oral culture of the Berbers and the new preference for Western style education and use of French and even English are highlights The Moroccans are renowned as skilled artisans and their products are enumerated in the Art and Architecture Housing chapter along with the intriguing descriptions of casbahs and old quarters in the major cities Moroccans are hospitable and family oriented which is reflected in descriptions of their cuisine and social customs Moroccan women seem to be somewhat freer than others in Muslim countries but the chapter on Gender Roles Marriage and Family shows that much progress is still needed Ceremonies and celebrations are important cultural markers that bring communities together and a wealth of religious national and family rites of passage with accompanying music and dance round out the cultural coverage **The Return of the Storyteller in Contemporary Fiction** Areti Dragas,2014-08-31 Focusing on the figure of the storyteller this study breaks new ground in the approach to reading contemporary literature by identifying a growing interest in storytelling For the last thirty years contemporary fiction has been influenced by theoretical discourses textuality and writing Only since the rise of postcolonialism have academic critics been more overtly interested in stories where high theory frameworks are less applicable However as we move through various contemporary contexts engaging with postcolonial identities and hybridity to narratives of disability and evolutionary accounts of group and individual survival a common feature of all is the centrality of story which posits both the idea of survival and the passing on of traditions The Return of the Storyteller in Contemporary Fiction closely examines this preoccupation with story and storytelling through a close reading of six contemporary international novelists that are either about actual storytellers or engage with the figure of the storyteller revealing how death of the author has given birth to the storyteller *Journeying* Claudio Magris,2018-01-01 Cover Half Title Title Copyright Dedication CONTENTS Preface
