Between Dixie and Zion Nov 18 2022 Explores the roots of evangelical Christian support for Israel through an examination of the Southern Baptist Convention One week after the establishment of the State of Israel in 1948, delegates to the Southern Baptist Convention (SBC) repeatedly and overwhelmingly voted down resolutions congratulating fellow Southern Baptist Harry Truman on his role in Israel's creation. From today's perspective, this seems like a shocking result. After all, Christians—particularly the white evangelical Protestants that populate the SBC—are now the largest pro-Israel constituency in the United States. How could conservative evangelicals have been so hesitant in celebrating Israel's birth in 1948? How did they then come to be so supportive? *Between Dixie and Zion: Southern Baptists and Palestine before Israel* addresses these issues by exploring how Southern Baptists engaged what was called the "Palestine question": whether Jews or Arabs would, or should, control the Holy Land after World War I. Walker Robins argues that, in the decades leading up to the creation of Israel, most Southern Baptists did not directly engage the Palestine question politically. Rather, they engaged it indirectly through a variety of encounters with the land, the peoples, and the

politics of Palestine. Among the instrumental figures featured by Robins are tourists, foreign missionaries, Arab pastors, Jewish converts, biblical interpreters, fundamentalist rebels, editorialists, and, of course, even a president. While all revered Palestine as the Holy Land, each approached and encountered the region according to their own priorities. Nevertheless, Robins shows that Baptists consistently looked at the region through an Orientalist framework, broadly associating the Zionist movement with Western civilization, modernity, and progress over and against the Arabs, whom they viewed as uncivilized, premodern, and backward. He argues that such impressions were not idle—they suggested that the Zionists were fulfilling Baptists' long-expressed hopes that the Holy Land would one day be revived and regain the prosperity it had held in the biblical era.

By What Standard? Sep 28 2023 "Diversity, tolerance, inclusivity, and social justice are the chief values of postmodernity and political correctness. In a culture where these are deemed some of the last remaining virtues and biblical principles are routinely scorned, what should the church's posture be? Should Christians adjust the gospel, remodel our message, and bring our statements of faith more in line with the world's thinking? To ask that question is to answer it. But in case the answer isn't clear, these superbly-written essays spell it out in brilliant detail. I'm grateful for the courage of these men and the clarity of

their voices. This is a vitally important volume, sounding all the right notes of passion, warning, instruction, and hope."--Phil Johnson, Executive Director of Grace To You

The Founding of Macedonia Baptist Church Mendenhall, Simpson County, Mississippi Jan 21 2023 Transcribed minutes from Macedonia Baptist Church, Mendenhall, Simpson County, Mississippi 1841 - 1899. SBC FAQs Oct 18 2022 SBC FAQs provides a general overview of the Southern Baptist Convention in the format of frequently asked questions. Covering details of basic history, polity structure, entity functions and more, this ready reference seeks to answer the most common inquiries about how America's largest Protestant denomination functions. The topics range from the founding of the SBC to how officers and committees work, what individual entities do, movements in modern denominational history, common terminology, and more. It is designed for first-time messengers and longtime messengers to the SBC Annual Meeting, as well as students, church members, and those in full-time ministry. Whether one is new to the denominational family and wants to learn the big picture or a lifelong Southern Baptist who wants to refresh his or her knowledge about a specific detail, SBC FAQs offers clear and concise explanations. Cooperation begins with an informed commitment to participation. This resource will not only help readers find information, but also inspire them to find their place in the process.

Baptists in America Oct 06 2021 The Puritans called Baptists "the troublers of churches in all places" and hounded them out of Massachusetts Bay Colony. Four hundred years later, Baptists are the second-largest religious group in America, and their influence matches their numbers. They have built strong institutions, from megachurches to publishing houses to charities to mission organizations, and have firmly established themselves in the mainstream of American culture. Yet the historical legacy of outsider status lingers, and the inherently fractured nature of their faith makes Baptists ever wary of threats from within as well as without. In *Baptists in America*, Thomas S. Kidd and Barry Hankins explore the long-running tensions between church, state, and culture that Baptists have shaped and navigated. Despite the moment of unity that their early persecution provided, their history has been marked by internal battles and schisms that were microcosms of national events, from the conflict over slavery that divided North from South to the conservative revolution of the 1970s and 80s. Baptists have made an indelible impact on American religious and cultural history, from their early insistence that America should have no established church to their place in the modern-day culture wars, where they frequently advocate greater religious involvement in politics. Yet the more mainstream they have become, the more they have been pressured to conform to the mainstream, a paradox that defines--and is

essential to understanding--the Baptist experience in America. Kidd and Hankins, both practicing Baptists, weave the threads of Baptist history alongside those of American history. Baptists in America is a remarkable story of how one religious denomination was transformed from persecuted minority into a leading actor on the national stage, with profound implications for American society and culture.

Removing the Stain of Racism from the Southern Baptist Convention May 13 2022

The Southern Baptist Convention (SBC) has a historical stain. The SBC once affirmed slavery and openly opposed and condemned abolitionists. Even though the convention repented of this sin publicly, a profound divide between the white majority and the black and brown minority still exists for many churches. This stain is more than historical fact; it prohibits Southern Baptist churches from embracing the one new man in Christ promised in Ephesians 2:11-22 and from participating in the new song of the saints from every tongue, tribe, people, and nation in Revelation 5:9. The

glorious gospel of Jesus Christ commands all his followers to do our part in removing racism from our midst. Removing the Stain of Racism from the Southern Baptist Convention is a powerful and practical call to sacrifice, humility, and perseverance—along with a relentless commitment to Christian unity—for the sake of the gospel and our brothers and sisters in Christ.

In the Name of the Father Dec 08 2021 At the watershed Southern Baptist Convention of 1979, moderate forces fell before the powerful oratory of the ultra-conservative faction, which has remained in power ever since. Communication professors Carl L. Kell and L. Raymond Camp investigate the rhetorical shift from moderate to ultra-conservative in the post-1979 Southern Baptist Convention, the largest denomination in the South and the largest Protestant denomination in the United States. In the Name of the Father will appeal to those interested in rhetoric, religion, and contemporary Southern culture, especially the recent Disney boycott decision, the exclusion of women from the pulpit and denominational leadership positions, decisions affecting gays and lesbians, and the rhetoric of negativism towards liberals.

What Every Christian Ought to Know Jul 15 2022 Available for the first time in paperback, one of the last books written by revered late pastor Adrian Rogers is also one of his best-selling, a bold yet approachable guide to the ABCs of Christianity that Publishers Weekly calls, "(a) beautifully simple primer on essential truths." What Every Christian Ought to Know provides readers with a well-organized, well-reasoned grasp of such topics as salvation, eternal security, prayer, the Holy Spirit, resisting temptation, finding God's will, as well as the authority of the Bible and how to understand it better. A valuable volume for new Christians and young disciples, it's also a suitably instructive resource for believers of all ages. This new edition includes an introduction from Steve Rogers, president of the Adrian Rogers Pastor Training Institute, plus discussion questions for personal reflection or group study.
