Is the financial plan of mediocrity a dream stealing soul sucking dogma known as The Slowlane your plan for creating wealth
You know how it goes it sounds a lil something like this Go to school get a good job save 10% of your paycheck buy a used car
cancel the movie channels quit drinking expensive Starbucks mocha lattes save and penny pinch your life away trust your life
savings to the stock market and one day when you are oh say 65 years old you can retire rich The mainstream financial gurus
have sold you blindly down the river to a great financial gamble You ve been hoodwinked to believe that wealth can be
created by recklessly trusting in the uncontrollable and unpredictable markets the housing market the stock market and the
job market This impotent financial gamble dubiously promises wealth in a wheelchair sacrifice your adult life for a financial
plan that reaps dividends in the twilight of life Accept the Slowlane as your blueprint for wealth and your financial future will
blow carelessly asunder on a sailboat of HOPE HOPE you can find a job and keep it HOPE the stock market doesn t tank
HOPE the economy rebounds HOPE HOPE and HOPE Do you really want HOPE to be the centerpiece for your family s
financial plan Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you
cannot do versus what you can For those who don t want a lifetime subscription to settle for less and a slight chance of
elderly riches there is an alternative an expressway to extraordinary wealth that can burn a trail to financial independence
faster than any road out there Why jobs 401 k s mutual funds and 40 years of mindless frugality will never make you rich
young Why most entrepreneurs fail and how to immediately put the odds in your favor The real law of wealth Leverage this
and wealth has no choice but to be magnetized to you The leading cause of poorness Change this and you change everything
How the rich really get rich and no it has nothing to do with a paycheck or a 401K match Why the guru s grand deity
compound interest is an impotent wealth accelerator Why the guru myth of do what you love will most likely keep you poor
not rich And 250 more poverty busting distinctions Demand the Fastlane an alternative road to wealth one that actually
ignites dreams and creates millionaires young not old Change lanes and find your explosive wealth accelerator Hit the

Doctrine Naomi Klein,2010-04-01 The bestselling author of No Logo shows how the global free market has exploited crises
and shock for three decades from Chile to Iraq In her groundbreaking reporting Naomi Klein introduced the term disaster
capitalism Whether covering Baghdad after the U S occupation Sri Lanka in the wake of the tsunami or New Orleans post
Katrina she witnessed something remarkably similar People still reeling from catastrophe were being hit again this time with
economic shock treatment losing their land and homes to rapid fire corporate makeovers The Shock Doctrine retells the story
of the most dominant ideology of our time Milton Friedman s free market economic revolution In contrast to the popular
myth of this movement s peaceful global victory Klein shows how it has exploited moments of shock and extreme violence in
order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South
Africa Russia and Iraq At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization
combined with the privatization of the disaster response itself Klein argues that by capitalizing on crises created by nature or
war the disaster capitalism complex now exists as a booming new economy and is the violent culmination of a radical
economic project that has been incubating for fifty years Seloc Johnson/Evinrude Outboards 1971-89 Repair Manual
