With instructive life stories, personal reflections, exercises, and self-tests, **Codependent No More** is a simple, straightforward, readable map of the perplexing world of codependency, charting the path to freedom and a lifetime of healing, hope, and happiness. Melody Beattie is the author of *Beyond Codependency*, *The Language of Letting Go*, *Stop Being Mean to Yourself*, *The Codependent No More Workbook*, and *Playing It by Heart*. **Breaking Free**

Pia Mellody, 1989-12-13 In her pioneering *Facing Codependence*, Pia Mellody traced the origins of codependence back to childhood and a wide range of emotional, spiritual, intellectual, physical, and sexual abuses. Now in this innovative new workbook, she presents a step-by-step journal-keeping method for moving toward recovery from codependence. Based on such concepts as the precious child and the five core symptoms of codependence, along with the Twelve Step process of recovery used by Codependents Anonymous, **Breaking Free** provides strategies and insights for attacking the fundamental problem in codependence: the lack of dependence on self. In a three-part approach to recovery, Mellody first shows recovering codependents how to move beyond denial of their childhood history of abuse. She then offers techniques to identify concrete ways in which the symptoms of codependence operate in their lives. Finally, Mellody guides users through the process of identifying and recording specific instances of improvement in their lives as an aid to greater self-awareness and further recovery. *Facing Codependence*, Pia Mellody, Andrea Wells Miller, J. Keith Miller, 2011-11-22 Pia Mellody creates a framework for identifying codependent thinking, emotions, and behaviour and provides an effective approach to recovery. Mellody sets forth five primary adult symptoms of this crippling condition, then traces their origin to emotional, spiritual, intellectual, physical, and sexual abuses that occur in childhood. Central to Mellody's approach is the concept that the codependent adult's injured inner child needs healing. Recovery from codependence therefore involves clearing up the toxic emotions left over from these painful childhood experiences. **Breaking Free of the Co-Dependency Trap**, Janae B. Weinholt, Barry K. Weinholt, 2010-09-24 This bestselling book, now in a revised edition, radically challenges the prevailing medical definition of codependency as a permanent, progressive, and incurable addiction. Rather, the authors identify it as the

result of developmental traumas that interfered with the infant parent bonding relationship during the first year of life Drawing on decades of clinical experience Barry and Janae Weinholt correlate the developmental causes of co dependency with relationship problems later in life such as establishing and maintaining boundaries clinging and dependent behaviors people pleasing and difficulty achieving success in the world Then they focus on healing co dependency providing compelling case histories and practical activities to help readers heal early trauma and transform themselves and their primary relationships
