The Neighbors Ania Ahlborn

The Neighbors Ania Ahlborn,2012 Andrew Morrison sacrificed everything his childhood his education and the girl of his dreams to look after his alcoholic mother But enough is enough and now he s determined to get out and live his life That means trading the home he grew up in for a rented room in the house of an old childhood friend both of which are in sorry shape The only thing worse than Drew s squalid new digs and sullen new roommate is the envy he feels for the house next door a picture perfect suburban domicile straight out of Norman Rockwell with a couple of happy householders to match But the better acquainted he gets with his new neighbors especially the sweet and sexy Harlow Ward the more he suspects unspeakable darkness beyond the white picket fence At the intersection of Blue Velvet and Basic Instinct lies *The Neighbors* an insidiously entertaining tale of psychological suspense and mounting terror by the boldest new master of the form Ania Ahlborn

Brother Ania Ahlborn,2015-09-29 From the bestselling horror author of *Within These Walls* and *The Bird Eater* comes a terrifying novel that follows a teenager determined to break from his family s unconventional and deeply disturbing traditions Deep in the heart of Appalachia stands a crooked farmhouse miles from any road The Morrrows keep to themselves and it s served them well so far When girls go missing off the side of the highway the cops don t knock on their door Which is a good thing seeing as to what s buried in the Morrrows backyard But nineteen year old Michael Morrow isn t like the rest of his family He doesn t take pleasure in the screams that echo through the trees Michael pines for normalcy and he s sure that someday he ll see the world beyond West Virginia When he meets Alice a pretty girl working at a record shop in the small nearby town of Dahlia he s immediately smitten For a moment he nearly forgets about the monster he s become But his brother Rebel is all too eager to remind Michael of his place *The Shuddering* Ania Ahlborn,2013-06-18 A group of friends vacationing at a remote Colorado cabin find themselves stranded by a blizzard and stalked by cannibalistic monsters

Within These Walls Ania Ahlborn,2015-04-21 With his marriage on the rocks and his life in shambles washed up crime writer Lucas Graham is desperate for a comeback So when he s promised exclusive access to notorious cult leader and death row inmate Jeffrey Halcomb the opportunity is too good to pass up Lucas leaves New York for the scene of the crime a split level farmhouse on the gray sanded beach of Washington State a house whose foundation is steeped in the blood of Halcomb s diviners runaways who thirty years prior were drawn to his message of family unity and unconditional love Lucas wants to tell the real story of Halcomb s faithful departed but when Halcomb goes back on his promise of granting Lucas exclusive information on the case he s left to put the story together on his own Except he is not alone For Jeffrey Halcomb promised his devout eternal life and within these walls they re far from dead Apart in the Dark Ania Ahlborn,2023-06-27 Two terrifying novellas from bestselling author Ania Ahlborn a great storyteller who spins an atmosphere of dread literally from the first page Jeff Somers *The Pretty Ones* New York 1977 The sweltering height of the Summer of Sam The entire city is gripped

with fear but all Nell Sullivan worries about is whether or not she'll ever make a friend. The self-proclaimed Plain Jane does her best to fit in with the girls at work but Nell's brother Barrett assures her that she'll never be like them. When Nell manages to finally garner some much yearned-for attention, the unthinkable happens to her newfound friend. The office pool blames Son of Sam, but Nell knows the awful truth because doing the devil's work is easy when there's already a serial killer on the loose. I Call Upon Thee Maggie Olsen had a pretty ordinary childhood: swimming and sleepovers, movie nights, and dad jokes. And then there were the other things, the darker things, the shadow that followed her home from the cemetery and settled into the corners of her home, refusing to let her grow up in peace. Now, after three years away from the place she's convinced she inadvertently haunted, and after yet another family tragedy strikes, Maggie is forced to return to the sweltering heat of a Savannah summer to come to terms with her past. All along, she's been telling herself it was just in your head, and she nearly convinces herself that she'd imagined it all. But the moment Maggie steps into the foyer of her family home, she knows: The darkness is still here. And it's been waiting for Maggie's return.

Seed Ania Ahlborn, 2012. With nothing but the clothes on his back and something horrific snapping at his heels, Jack Winter fled his rural Georgia home when he was still just a boy. Watching the world he knew vanish in a trucker's rearview mirror, he thought he was leaving an unspeakable nightmare behind forever. But years later, the bright new future he's built suddenly turns pitch black as something fiendishly familiar looms dead ahead. When Jack, his wife Aimee, and their two small children survive a violent car crash, it seems like a miracle. But Jack knows what he saw on the road that night, and it wasn't divine intervention. The profound evil from his past won't let them die at least not quickly. It's back, and it's hungry, ready to make Jack pay for running to work its malignant magic on his angelic youngest daughter and to whisper a chilling promise: I've always been here, and I'll never leave. Country comfort is no match for spine-tingling Southern gothic suspense in Ania Ahlborn's tale of an ordinary man with a demon on his back. *Seed* plants its page-turning terror deep in your soul and lets it grow wild.

The Devil Crept In Ania Ahlborn, 2017-02-07

An unforgettable horror novel from bestselling sensation Ania Ahlborn, hailed as a writer of some of the most promising horror I've encountered in years. New York Times bestselling author Seanan McGuire, in which a small town boy investigates the mysterious disappearance of his cousin and uncovers a terrifying secret kept hidden for years. Young Jude Brighton has been missing for three days, and while the search for him is in full swing in the small town of Deer Valley, Oregon, the locals are starting to lose hope. They're well aware that the first forty-eight hours are critical, and after that, the odds usually point to a worst-case scenario. And despite Stevie Clark's youth, he knows that too: he's seen the cop shows. He knows what each ticking moment may mean for Jude, his cousin and best friend. That, and there was that boy, Max Larsen, the one from years ago found dead after also disappearing under mysterious circumstances. And then there were the animals, pets gone missing out of yards. For years, the residents of Deer Valley have murmured about these unsolved crimes, and that a killer may still be lurking around their quiet town. Now, fear is reborn, and for Stevie, who is determined to find out what really

happened to Jude the awful truth may be too horrifying to imagine **The Pretty Ones** Ania Ahlborn,2015-07-06 A terrifying e novella from the bestselling author of *Within These Walls* Brother and *The Bird Eater* New York 1977 The sweltering height of the Summer of Sam The entire city is gripped with fear but all Nell Sullivan worries about is whether or not she'll ever make a friend The self-proclaimed Plain Jane does her best to fit in with the girls at work but Nell's brother Barrett assures her that she'll never be like them When Nell manages to finally garner some much yearned-for attention the unthinkable happens to her newfound friend The office pool blames Son of Sam but Nell knows the awful truth because doing the devil's work is easy when there's already a serial killer on the loose [I Call Upon Thee](#) Ania Ahlborn,2017-08-07 A terrifying e novella from the bestselling author of *The Devil Crept In* Brother and *Within These Walls* Maggie Olsen had a pretty ordinary childhood swimming and sleepovers movie nights and dad jokes And then there were the other things the darker things the shadow that followed her home from the cemetery and settled into the corners of her home refusing to let her grow up in peace Now after three years away from the place she's convinced she inadvertently haunted and after yet another family tragedy strikes Maggie is forced to return to the sweltering heat of a Savannah summer to come to terms with her past All along she's been telling herself it was just in your head and she nearly convinces herself that she'd imagined it all But the moment Maggie steps into the foyer of her family home she knows The darkness is still here And it's been waiting for Maggie's return *The Bird Eater* Ania Ahlborn,2014 Twenty years ago the mysterious death of his aunt left Aaron Holbrook orphaned and alone He abandoned his rural Arkansas hometown vowing never to return until his seven-year-old son died in an accident plunging Aaron into a nightmare of addiction and grief Desperate to reclaim a piece of himself he returns to the hills of his childhood to Holbrook House where he hopes to find peace among the memories of his youth But solace doesn't come easy and Aaron's arrival stirs a hornet's nest both among his former friends in the town and in the supernatural force in the house which has trained its wicked gaze on Aaron's fragile damaged psyche [The Red Bag](#) George Ebey,2006-08 For Phil Parker and his wife Macy life in their quiet Midwest home is peaceful and idyllic But their world is soon turned upside down when a mysterious acquaintance sends them a strange and alluring gift It's called the red bag Once the cherished property of a long-dead film director it has gained a reputation as a mysterious and valuable collector's item Now in possession of this strange yet fascinating prize Phil attempts to track down the man who sent it to him But his search is quickly halted when he learns that the man is dead having been murdered just days after sending Phil the package Not wanting to get involved Phil chooses to put the red bag aside and return his attention to his home and family But after surviving a savage act of violence at the hands of a disturbed man who is seeking the red bag for himself Phil has no choice but to confront the mystery before him He soon learns that the red bag is more than just a simple heirloom It has a history all its own one that will plunge Phil into a world of danger and greed pitting him against forces that he never could have imagined against people who value the red bag more than anything else in the world and will stop at nothing to get it **If**
