Go for No ! Richard Fenton,2009 **Flip the Script** Oren Klaff,2019-08-13 THE BESTSELLING AUTHOR OF PITCH ANYTHING IS BACK TO FLIP YOUR ENTIRE APPROACH TO PERSUASION Is there anything worse than a high pressure salesperson pushing you to say yes then sign on the dotted line before you re ready If there s one lesson Oren Klaff has learned over decades of pitching presenting and closing long shot high stakes deals it s that people are sick of being marketed and sold to Most of all they hate being told what to think The more you push them the more they resist What people love however is coming up with a great idea on their own even if it s the idea you were guiding them to have all along Often the only way to get someone to sign is to make them feel like they re smarter than you That s why Oren is throwing out the old playbook on persuasion Instead he ll show you a new approach that works on this simple insight Everyone trusts their own ideas If rather than pushing your idea on your buyer you can guide them to discover it on their own they ll believe it trust it and get excited about it Then they ll buy in and feel good about the chance to work with you That might sound easier said than done but Oren has taught thousands of people how to do it with a series of simple steps that anyone can follow in any situation And as you ll see in this book Oren has been in a lot of different situations He ll show you how he got a billionaire to take him seriously how he got a venture capital firm to cough up capital and how he made a skeptical Swiss banker see him as an expert in banking He ll even show you how to become so compelling that buyers are even more attracted to you than to your product These days it s not enough to make a great pitch To get attention create trust and close the deal you need to flip the script **Million Dollar Book Formula** Andrea Waltz,Richard Fenton,2019-02-17 Is There Really a Formula for Writing a Successful Book If you are looking to build or grow a business of any kind a book can help you do that But where to begin After a big New York publisher told them their book would never sell more than 5 000 copies authors Richard Fenton Andrea Waltz had a decision to make believe the publisher s assessment and quit or publish the book themselves Fortunately they made the right decision Fast forward 15 years their book Go for No has sold in excess of 400 000 copies reached 1 on multiple Amazon sub lists and has been translated into nine languages More importantly the book continues to sell extremely well So how did they do it Were they simply lucky No And what about the one they wrote that flopped Was that just unlucky Nope As it turns out there s a formula a formula that if followed will give an author the best possible chance at success And you re about to learn it Grab this book now **Higher Life Design** Jefferson Santos,2015-02-10 Your life is getting the exact results it s designed to get To change your life you must first change your design What if you got the exact results you wanted Sound too good to be true Your results are simply a reflection of your thinking up until now The 7 steps that make up Higher Life Design will equip you to arrive at your intended destination healthy wealthy and happy Despite possessing great entrepreneurial ambition for a new start up business by the age of 20

life had Jefferson in a choke hold His bank account was in the red at 1 100 and his debt load of 70 000 told a similar tale Jefferson decided he needed a change With a newfound commitment he turned that decision into a reality by discovering the Higher Life Design Over time this process helped him earn several million dollars and build a team of more than 100 000 leaders in more than 30 countries Jefferson shares the Higher Life Design with people who want to arrive at their intended destination healthy wealthy and happy He and his wife Megan live in Texas with their two sons Harrison and Livingston
