Not Quite a Genius Dec 31 2023 “Highly recommended reading for those hungry for surprise” (A.J. Jacobs, New York Times bestselling author)—a rollicking collection of personal stories and essays on relationships, technology, and contemporary society from the news editor at Funny or Die and former artistic director at the Upright Citizens Brigade Theater. This hilarious collection of essays spans a wide variety of topics. There’s the open letter to Charles Manson, a brave archeologist’s journey into a suburban man cave, and a long overdue, sternly worded letter from Leif Erikson to Christopher Columbus. Walt Whitman even teaches a spin class. Nate Dern’s razor-sharp eye examines modern society and technology, man buns, dating apps, and juicing crazes. Anyone who’s ever scrunched their eyes at WiFi Terms & Conditions, listened to the reasons that led a vegetarian to give up meat, or looked on in horror at the evolving audacity of reality TV will appreciate Dern’s wicked and funny take on modern life. Not Quite a Genius is fun, and funny, “a breath of fresh air that you can eat up bit by bit or all at once” (Abbi Jacobson, cocreator and star of Broad City).

I Miss You When I Blink Jan 20 2023 NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, “the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one” (The Washington Post), about what happened after she checked off all the boxes on a successful life’s to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she’d cracked the code: Always be right, and you’ll always be happy. But once she’d completed her life’s to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She’d done everything “right” but still felt all wrong. What’s the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a “frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more” (Southern Living). She offers up her own stories to show that identity crises don’t happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this “warm embrace of a life lived imperfectly” (Esquire), Philpott shows that when you stop feeling satisfied with your life, you don’t have to burn it all down. You can call upon your many selves to figure out who you are, who you’re not, and where you belong. Who among us isn’t trying to do that? “Be forewarned that you’ll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker

moments. This is a book you’ll want to buy for yourself and every other woman you know” (Real Simple).

My Favorite Color Nov 05 2021 The Caldecott Honor-winning creator of the Journey trilogy celebrates color and nature with a joyously simple die-cut book. People always ask for your favorite color. But who said you can only have one? Open this gorgeous board book to find an ode to ever-changing colors, offering a spectrum of hues evoking the sun, the sea, clouds, and dew-dappled fruit. In colorful grids of small squares—some translucent inserts, some painted on the page—Aaron Becker uses layering to make colors shift and transition from spread to mesmerizing spread. As fun to look at as an alluring paint-chip display and as inspiring as an artful concept book can be, My Favorite Color promises to be a favorite, well-thumbed read and a prized art object in itself.

Egghead Jun 05 2024 A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today’s most popular young comedians?K Bo Burnham was a precocious teenager living in his parents’ attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Mr. Funny Pants Apr 10 2022 I was at my wit’s end. I’d had enough of this job, this life, and my relationship had broken up. Should I eat chocolate, or go to India, or fall in love? Then I had a revelation: Why not do all three, in that order? And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture. Later, I woke up on an airplane with a hole in my face and a really bad hangover. I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke, classic coke, special k (the drug), Special K (the cereal), mushrooms, pepperoni, and Restless Leg Syndrome. It was there that I first began painting with my feet. But rewind...the year was 1914. I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf, a troll, and a giant sorcerer, all while cooking every recipe out of a Julia Child cookbook. What I’m trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon! Let me clarify, it was the 1930s and a bunch of us were migrating out of Oklahoma, and I was this teenage wizard/CIA operative, okay? And, um then I floated off into the meta-verse as a ball of invisible energy that had no outer edge... Ugh, okay. None of this is true. I’m just kind of a normal guy from New Jersey who moved to New York, got into comedy, wrote this book about trying to write this book, and then moved to Alaska, became the mayor of a small town, spent \$30,000 on underwear, and now I’m going to rule the world!!!

Funny in Farsi Mar 22 2023 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader's Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini,

author of *The Kite Runner*! “Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America.”—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh’s parents laugh uproariously at Bob Hope on television, although they don’t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* “Heartfelt and hilarious—in any language.”—Glamour “A joyful success.”—Newsday “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—Los Angeles Times Book Review “Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures.”—The Providence Journal “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—Jimmy Carter “Delightfully refreshing.”—Milwaukee Journal Sentinel “[*Funny in Farsi*] brings us closer to discovering what it means to be an American.”—San Jose Mercury News

Planet Funny Jan 08 2022 A Kirkus Reviews Best Book of the Year The witty and exuberant New York Times bestselling author and record-setting Jeopardy! champion Ken Jennings relays the history of humor in “lively, insightful, and crawling with goofy factlings,” (Maria Semple, author of *Where’d You Go Bernadette*)—from fart jokes on clay Sumerian tablets to the latest Twitter gags and Facebook memes. Where once society’s most coveted trait might have been strength or intelligence or honor, today, in a clear sign of evolution sliding off the trails, it is being funny. Yes, funniness. Consider: Super Bowl commercials don’t try to sell you anymore; they try to make you laugh. Airline safety tutorials—those terrifying laminated cards about the possibilities of fire, explosion, depressurization, and drowning—have been replaced by joke-filled videos with multimillion-dollar budgets and dance routines. Thanks to social media, we now have a whole Twitterverse of amateur comedians riffing around the world at all hours of the day—and many of them even get popular enough online to go pro and take over TV. In his “smartly structured, soundly argued, and yes—pretty darn funny” (Booklist, starred review) *Planet Funny*, Ken Jennings explores this brave new comedic world and what it means—or doesn’t—to be funny in it now. Tracing the evolution of humor from the caveman days to the bawdy middle-class antics of Chaucer to Monty Python’s game-changing silliness to the fast-paced meta-humor of *The Simpsons*, Jennings explains how we built our humor-saturated modern age, where lots of us get our news from comedy shows and a comic figure can even be elected President of the United States purely on showmanship. “Fascinating, entertaining and—I’m being dead serious here—important” (A.J. Jacobs,

author of *The Year of Living Biblically*), *Planet Funny* is a full taxonomy of what spawned and defines the modern sense of humor.

Sorrow and Bliss May 12 2022 "Brilliantly faceted and extremely funny. . . . While I was reading it, I was making a list of all the people I wanted to send it to, until I realized that I wanted to send it to everyone I know." — Ann Patchett “Improbably charming...will have you chortling and reading lines aloud.” — PEOPLE The internationally bestselling, compulsively readable novel—spiky, sharp, intriguingly dark, and tender—that combines the psychological insight of Sally Rooney with the sharp humor of Nina Stibbe and the emotional resonance of Eleanor Oliphant Is Completely Fine. Martha Friel just turned forty. Once, she worked at Vogue and planned to write a novel. Now, she creates internet content. She used to live in a pied-à-terre in Paris. Now she lives in a gated community in Oxford, the only person she knows without a PhD, a baby or both, in a house she hates but cannot bear to leave. But she must leave, now that her husband Patrick—the kind who cooks, throws her birthday parties, who loves her and has only ever wanted her to be happy—has just moved out. Because there’s something wrong with Martha, and has been for a long time. When she was seventeen, a little bomb went off in her brain and she was never the same. But countless doctors, endless therapy, every kind of drug later, she still doesn’t know what’s wrong, why she spends days unable to get out of bed or alienates both strangers and her loved ones with casually cruel remarks. And she has nowhere to go except her childhood home: a bohemian (dilapidated) townhouse in a romantic (rundown) part of London—to live with her mother, a minorly important sculptor (and major drinker) and her father, a famous poet (though unpublished) and try to survive without the devoted, potty-mouthed sister who made all the chaos bearable back then, and is now too busy or too fed up to deal with her. But maybe, by starting over, Martha will get to write a better ending for herself—and she’ll find out that she’s not quite finished after all.
