**Conjuror's Bird** Martin Davies,2006-08-22 The Conjuror s Bird is a beautiful story in the spirit of Possession that is as exciting as The Club Dumas inspired by one of the great puzzles of natural history that of the Mysterious Bird of Ulieta Seen only once in 1774 by Captain Cook s second expedition to the South Seas a single specimen was captured preserved and brought back to England The bird was given to famed naturalist Joseph Banks who displayed it proudly in his collection until its sudden unexplained disappearance Two hundred years later naturalists continue to wonder if the world will ever get another glimpse of the elusive bird Were it not for a colored drawing done by the ship s artist there would be nothing to say that the bird had ever existed The Conjuror s Bird is a gripping literary mystery and passionate love story that tackles the intrigue surrounding the celebrated Banks his secret affair with an enigmatic woman known only as Miss B and the legendary bird that becomes a touchstone for their love Seamlessly spanning two time periods The Conjuror s Bird is at once the story of this romance and of a present day conservationist named Fitz who is drawn into a thrilling and near impossible race to find the elusive bird s only known remains An Alternate Selection of the Book of the Month Club and Quality

*Arthur George* is a major new novel from Julian Barnes a wonderful combination of playfulness pathos and wisdom Searching for clues no one would ever guess that the lives of Arthur and George might intersect Growing up in shabby genteel nineteenth century Edinburgh Arthur is saddled with a dad who is a disgrace and a mum he wishes to protect and is propelled into a life of action To his astonishment his career as a self made man of letters brings him riches and fame and in the world at large he becomes the perfect picture of the honourable English gentlemen George is irredeemably an outsider and has no hope of becoming such a picture Though he s dogged and logical a vicar s son from rural Staffordshire he is set

apart and he and his family are targeted in his boyhood by a poison pen campaign George finds safe harbour in the reliability of rules and grows up to become a solicitor putting his faith in the insulating value of British justice Then crisis upsets the uneasy equilibrium of both men s lives Arthur is knocked for a loop by guilt and other dishonourable emotions George is put to the sorest test accused of a horrible crime And from that point on their lives weave together in the most profound and surprising way as each man becomes the other s salvation Arthur George is a masterful novel about low crime and high spirituality guilt and innocence identity nationality and race Most of all it s a profound and witty meditation on the fateful differences between what we believe what we know and what we can prove George and his father pray together kneeling side by side on the scrubbed boards Then George climbs into bed while his father locks the door and turns out the light As he falls asleep George sometimes thinks of the floor and how his soul must be scrubbed just as the boards are scrubbed Father is not an easy sleeper and has a tendency to groan and wheeze Sometimes in the early morning when dawn is beginning to show at the edges of the curtains Father will catechize him George where do you live The Vicarage Great Wyrley And where is that Staffordshire Father And where is that The centre of England And what is England George England is the beating heart of the Empire Father Good And what is the blood that flows through the arteries and veins of the Empire to reach even its farthest shore The Church of England Good George And after a while Father will begin to groan and wheeze again George watches the outline of the curtain harden He lies there thinking of arteries and veins making red lines on the map of the world linking Britain to all the places coloured pink Australia and India and Canada and islands dotted everywhere He thinks of blood bubbling through these tubes and emerging in Sydney Bombay the St Lawrence Waterway Bloodlines that is a word he has heard somewhere With the pulse of blood in his ears he begins to fall asleep again excerpt from Arthur George
