For the City Matt Carter, Darrin Patrick, 2011-05-03 What makes a healthy church Specifically what defines a successful church in heavily populated richly diverse areas This book will Explore what it means to be a church for the city God has called you to engage Help you learn from past success stories as well as past mistakes in urban ministry Guide you in developing a philosophy of ministry that can lead to restoration and renewal in your city According to the United States Census Bureau over 80% of the population lives in urban areas Churches in or near cities have to work hard to minister effectively to a diverse group of people welcoming those of different backgrounds engaging both the poor and marginalized as well as the wealthy and influential Church planters Matt Carter and Darrin Patrick explain the biblical theological and historical foundations of ministry within the urban core and how to plant churches where the gospel is faithfully shared and brings substantial benefits to those living in the community For the City relates the wisdom gleaned from years of serving their cities for the sake of God's kingdom Carter and Patrick practically equip church leaders and Christians to look at their city as a mission field where individuals and churches can faithfully proclaim the gospel and live out the reality of a

community changed and transformed by its message *Third Culture Faithful* Mario Melendez, 2020-12-15 It is appalling that the most segregated hour of Christian America is eleven o'clock on Sunday morning Rev Dr Martin Luther King Jr 1960 This quote remains true and begs the question How do we heal the church divide Mario Melendez presents an engaging introduction to the experiences of multi ethnic believers and a path by which church leaders increase engagement and service to these diverse communities Finding a model in Saint Timothy Melendez reveals that multi ethnic believers have always played a crucial role in Christian fellowship Having experienced the mixing of their parents heritage during their upbringing third culture kids are invaluable cultural and religious ambassadors Embracing the unique gifts of third culture congregants and leaders churches can embody the kaleidoscope of their communities and bring about healing amongst the people of God Church clergy and lay leaders as well as members of multi ethnic households and those looking to increase the engagement of diverse groups within their congregation will find *Third Culture Faithful* an inspiring call to action **Hero**

Good News to the Poor Tim Chester, 2013 The chasm between evangelism and social action needs to be bridged Chester convincingly argues that the truth of the gospel is best understood and embraced in the context of loving action and gospel centered community *Exponential* Dave Ferguson, Jon Ferguson, 2010-05-11 A tried and true classic in dynamic ministry growth church building and discipleship momentum From professional church planters Dave and Jon Ferguson comes the anchor book in the *Exponential* Series envisioning new and practical methods of building churches communities and organizations on the cornerstone of Christ Many of today's Christians consider the missional challenge of Jesus feed the hungry comfort the lonely bring people to God's Word as inspirational but not something achievable Or they've heard the challenge of Jesus and are frustrated with how little they've done Jesus gave his followers this mission because he wants them to hear it be inspired and then actually do it And it is possible *Exponential* lays out a concise and effective reproducing strategy giving practical steps and case studies as you follow the growth of a church movement through four main stages The initial navigation of ministry image set up and gradual growth The gathering of a community around a cause and the conversations that take place at this point The reproduction of communities into multisite growth and wider impact The infrastructure and networking of large missional movements and how to stay focused on the bedrock of the Gospel Weaved throughout this book is the amazing story of Community Christian Church which was started by five friends who used these reproducing strategies to grow one of the most influential churches in the U S and develop a network of reproducing churches *Exponential* is designed to help Christian leaders groups teams churches and networks experience rapid and spiritually healthy growth **The Church Planting Wife** Christine Hoover, 2013-01-16 Nothing in my life goes untouched by my husband's calling Christine Hoover's words in the first chapter describe so well the life of a church planter's wife which is enormously difficult yet extraordinarily rewarding To be married to a church planter is a calling of its own with a

richness of its own In *The Church Planting Wife* Hoover explores and encourages the hearts of her readers while teaching what it means to have heart prepared for this unique ministry She knows the challenges A church planter s wife must develop a job description be a wise helper to her husband develop friendships within the church and community deal with stress and discouragement handle wounds and more Christine speaks candidly about these challenges while urging readers to grow a heart that wholly reflects Jesus Spread throughout these pages are stories and interviews from church planting wives Christine Hoover empathetically and pointedly builds from these testimonies to uplift the reader and offer lessons of hope in the midst of a challenging ministry [View from the Urban Loft](#) Sean Benesh,2011-10-12 As the world hurtles towards urbanization at an ever increasing pace there arises the need for further theological reflection on the city Globalization international immigration and densification in cities are having a transformative impact on the urban landscape Urban mission is at the forefront of many denominations church planting networks ministries and mission organizations yearning for citywide transformation How are we to think biblically and theologically about the city [View from the Urban Loft](#) will take readers through the development of cities throughout history act as a guide to navigating the current forces shaping urban environments and seek to uncover a theology of the city that gives Christians a rationale and a biblical understanding of the meaning and purposes of the city and then how to live in it for the glory of God **DiscipleShift** Jim Putman,Bobby Harrington,2013-04-23 Question What is the God given purpose of the local church Answer Relational discipleship DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship These intentional changes will attract the world and empower your church members to be salt and light in their communities Over the last thirty years many influential church leaders and church planters in America have adopted various models for reaching unchurched people While many of these approaches have merit something is still missing something even more fundamental to the mission of the church discipleship Making disciples helping people to trust and follow Jesus is the church s God given mandate Devoted disciples attract people outside the church because of the change others see in their Christ like lives And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non believers Through biblical and professional insights Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so in practical terms You ll learn The specific roles of a disciple making pastor The components of person to person discipleship How each ministry in your church leads to discipleship How to implement discipleship in your church Disciple making leaders will not produce perfect churches but they will create effective churches **Small Matters** Greg Nettle,Santiago Heriberto Mellado,2016-04-12 Children have always been close to Jesus heart As his followers it s our responsibility to protect nurture and pass our faith to children In *Small Matters Why Children Are Such a Big Deal* authors Greg Nettle and Jimmy Mellado offer a model of discipleship that encourages parents to raise up the next generation to be deeply committed to and in love with Jesus Ministry pioneer D L Moody once said that if

he could relive his life he would devote his entire ministry to reaching children for God What Moody understood was that by investing in them the potential for effective change in a child's life is huge When we awaken to the fact that children between the ages of four and fourteen are the most likely to make a decision to follow Jesus and that the discipleship that children receive forms their future it may give you an idea of the importance of ministering the young Greg and Jimmy challenge the typical church models of youth discipleship and offer ways to shift into a more effective and more biblical method that begins by empowering parents in their homes and works outward Discipling children in the home Discipling children in the church Discipling children in the community Now more than ever churches have to invest in the cause of children through advocacy sponsorship and children's ministries all of which need to be committed to holistic child development Small Matters will transform the way we view children invest in them reach out to them teach them and ultimately empower them to be disciples of Jesus This is a book about small matters which are really large matters God has used the small things of this world to do his work and he continues to do this today In Jesus kingdom the first are last and the least are the greatest the servants are the heroes and the small are the biggest winners of all John Ortberg author and pastor **Sifted** Wayne Cordeiro, 2012-04-23 Planting and leading churches is a difficult calling It can put strain on your mental and physical health on your relationships with others and even your relationship with God Sifted offers practical guidance and hope for anyone going through a tough time in ministry or pastoral work Founding pastor of New Hope Christian Fellowship in Honolulu Hawaii Wayne Cordeiro speaks the truth in love offering wisdom and insight to walk alongside leaders as they face the challenges and hardships of planting and leading churches while providing encouragement and inspiration for the journey A seasoned church leader Wayne shares the things he wishes he'd known when he was starting a new church With additional stories from Francis Chan and Larry Osborne each chapter includes a thought provoking challenge question to develop a heart that is surrendered to God focused on being and becoming versus doing and accomplishing Wayne will walk you through how to develop a healthy balance of personal care and spiritual leadership But instead of a how to book on models and methods from men who have it all figured out Sifted will help you process your journey in a way that Challenges leaders common scorecards of success Encourages leaders to realize that they are not alone in what they are experiencing Provides wisdom for the long haul to position younger leaders for a life of ministry You may find yourself in a season of sifting If you respond correctly this season can be every bit as important as the time of harvest Sifting builds the muscle of faith giving us what we need for what lies just around the corner **On the Verge** Alan Hirsch, Dave Ferguson, 2011-05-03 How the Church can recover her original apostolic ways and become a high impact Jesus movement again in the West The church is on the verge of massive category shifting change Contemporary church growth despite its many blessings has failed to stem the decline of Christianity in the West and we are now facing the fact that more of the same will not produce different results We are already seeing this new form of the church emerge in our day an apostolic reproducing Movement that's driven by a

desire to see Biblical Christianity reestablished Alan Hirsch and Dave Ferguson call this the apostolic movement because it is more resonant with the form of church that we witness in the New Testament and in the great missional movements of history And we are on the verge of a new apostolic movement In this book Christian thought leaders Hirsch and Ferguson share a rich array of theology theory and best practices along with inspiring stories about leaders who have rightly diagnosed their churches failure to embrace a biblical model of mission and have moved toward a fuller expression of the gospel On the Verge will help church leaders Imagine the contemporary Church from the apostolic perspective how we got from there to here Shift our mindset from technique how to do church to embodiment how to live as Christ's Church Learn how to value approach and understand innovation Move whole heartedly toward the apostolic missional movement Many of the best and brightest leaders in the contemporary church are now making shifts in the way they think lead and organize On the Verge will help church leaders discover how these forerunners and their insights are launching a new apostolic movement and how any church can get involved

Church Planter Darrin Patrick, 2010 The vice president of the Acts 29 Church Planting Network examines biblical criteria of the man the message and the mission behind every church plant An invaluable resource for pastors and seminary students considering a church plant

Reformed Resurgence Brad Vermurlen, 2020-11-02 One of the most significant developments within contemporary American Christianity especially among younger evangelicals is a groundswell of interest in the Reformed tradition In Reformed Resurgence Brad Vermurlen provides a comprehensive sociological account of this phenomenon known as New Calvinism and what it entails for the broader evangelical landscape in the United States Vermurlen develops a new theory for understanding how conservative religion can be strong and thrive in the hypermodern Western world His paradigm uses and expands on strategic action field theory a recent framework proposed for the study of movements and organizations that has rarely been applied to religion This approach to religion moves beyond market dynamics and cultural happenstance and instead shows how religious strength can be fought for and won as the direct result of religious leaders strategic actions and conflicts But the battle comes at a cost For the same reasons conservative Calvinistic belief is experiencing a resurgence present day American evangelicalism has turned in on itself Vermurlen argues that in the end evangelicalism in the United States consists of pockets of subcultural and local strength within the cultural entropy of secularization as religious meanings and coherence fall apart

Um, Justin Buzzard, 2016-09-14 Si buscas motivación para un compromiso activo en la ciudad o una guía para saber cómo hacerlo este libro te ofrece un análisis completo de la vida en las ciudades dando respuesta a interrogantes como Por qué son importantes las ciudades Qué dice la Biblia sobre las ciudades Cómo superar los retos bíblicos desarrollando una estrategia para vivir la misión en la ciudad En vez de apartarnos o inhibirnos de nuestras ciudades podemos responder al llamamiento de hacer de ellas nuestro hogar **Why Cities Matter** Stephen T. Um, Justin Buzzard, 2013-03-31 We live in a unique moment in history Right now more people live in urban centers than ever before This means that we have an unprecedented opportunity to influence the majority of the world through the church in the city Helping us to make the most of this moment urban pastors Justin Buzzard and Stephen Um lay out a compelling vision for cultural engagement and church planting in our world's cities If you're looking for motivation to maintain a commitment to the city or for guidance as you consider going all in this book provides a comprehensive analysis of urban life that informs instructs inspires and answers questions including Why cities are so important What the Bible says about cities How to overcome common issues and develop a plan for living missionally in the city Instead of retreating from or taking from our cities here is a call to make the cities our home to take good care of them and to participate in God's kingdom building work in the urban centers of our world **Barefoot Church** Brandon Hatmaker, 2011-11-01 There's got to be more to church than this People around the world are seeking a community that focuses more on others than on themselves Yet most don't know where to start Drawing from his own journey Brandon Hatmaker reminds us that serving the least is not a trendy act of benevolence but a lifestyle of authentic community and spiritual transformation In Barefoot Church he explains Practical ideas for creating service based missional communities How the organizational structure of a church can be created or restructured for mission in any context How any church can truly be a catalyst for individual collective and social renewal Whether you are a leader or a layperson this book is meant to renew your passion for the church and inspire you to take your affections off yourself place them on people who have nothing to offer you and lead others to do the same **To Live Is Christ to Die Is Gain** Matt Chandler, Jared C. Wilson, 2013-09-01 Using Paul's radical letter to the Philippians as his road map Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity The short book of Philippians is one of the most quoted in the Bible yet Paul wrote it not for the popular sound bites but to paint a picture of a mature Christian faith While many give their lives to Jesus few then go on to live a life of truly vibrant faith In this disruptively

inspiring book Chandler offers tangible ways to develop a faith of pursuing chasing knowing and loving Jesus Because if we clean up our lives but don t get Jesus we ve lost So let the goal be Him To live is Christ to die is gain this is the message of the letter Therefore our lives should be lived to Him through Him for Him with Him about Him everything should be about Jesus
