

# Timeline of End Time Events

The book of Revelation describes Satan's wrath on God's people and God's judgment on humanity as seven seals. Additional passages in Matthew, Daniel and other books add further detail. By piecing together all of these references, we can create a timeline of end-time events, presented here. Feel free to pull this chart out of this booklet and stow it in your Bible for reference.

# Revelation A Study Of End Time Events

Revelation Donna Best,2019-08-07 Would you read a great book but skip the last chapter Not if you want to see how the story ends This verse by verse study of the book of Revelation is intended to dispel the fears confusion and misconceptions of this often avoided final chapter of God s Word and make you hungry for more You re invited to take an amazing journey through the prophecies of the book of Revelation looking to the Bible itself for the keys to unlock its mysteries Whether you are a seasoned bible student or a newcomer you will easily follow the teaching in this study guide and small groups will find the discussion questions at the end of each lesson to be helpful I am using Donna Best s Revelation Bible study guide at a Senior center The group members all said it s like watching a play scene by scene From a teaching standpoint the research and cross references really make the book of Revelation come alive It is very easy to teach from Donna s study guide as the research has already been completed Many studies I have done left out verses or points that should have been included but Donna s study is spot on and I would recommend it to any teacher Thanks Donna for the time and effort you put into preparing this study guide Phil Diemert Cranberry Twp PA **The End** Ken Hathcoat,2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions The End is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language The End is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life *The End Times in Chronological Order* Ron Rhodes,2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events The chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state Each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy Rhodes allows for various interpretations among Christians Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars As readers discover that they really can understand Bible prophecy they will come to love and trust the Scriptures like never before Know What the Future Holds Robert Gullberg,2021-01-26 I have been fascinated in future world events ever since reading The Late Great Planet Earth by Hal Lindsey in the mid 1970s At that time Lindsey asked the question Do we live in the era of the antichrist and End Times as foretold by Moses and Jesus Christ Since then we all have repeatedly asked that question It was appropriate that much of his study was focused on the Book of Revelation This companion book is an attempt to simplify End Times events for you Study the book of Revelation with this book at your side Verse by verse I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your

Bible Numerous Old Testament references are noted I have streamlined the study of eschatology the study of end times events that have yet to occur in our human timetable Take heart fellow Christians and enjoy the sobering journey Did you know that the Book of Revelation is the only book out of the Bible s 66 books that explicitly tells us that we will be blessed by God if we read it and take it to heart Most people probably don t realize this Revelation 1 3 says this Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near

Revelation ,1999-01-01 The final book of the Bible Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions grisly images and numerological predictions According to these empires will fall the Beast will be destroyed and Christ will rule a new Jerusalem With an introduction by Will Self **The Flow of Endtime Events** Richard Suchy,2003-04-06 A personal relationship with Jesus Christ and the leading of the Holy Spirit are required as first steps in understanding the Bible God then requires that believers diligently study His Word with open hearts and minds as they seek His truth This book is intended as a study aid in understanding Bible prophecy Questions addressed include How will victory over world terrorism lead to something even more horrifying What can we deduce about the personality and cultural background of Antichrist What part does the ancient Wailing Wall in Jerusalem play in prophecy Why do so many people believe in a seven year Tribulation when the Bible teaches that the first half of this period is a time of peace How will religious freedom lead to the outlawing of true Christianity Why will God allow His people to suffer at the hands of Antichrist Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first Why will most of the earth s population look to Satan as the world s hope of salvation and see Jesus Christ as the super villain of the universe

*Understanding the End Times* Rich Chasse,2022-09-02 People are fascinated and sometimes terrified by the subject of the End Times and the book of Revelation The topic can be disturbing For some people it can even be scary There s a lot of misinformation out there There are many teachers playing on the insecurities of people with End Times updates that stir up curiosity or fear taking advantage of many as a result To understand how to approach the study of End Times events we need to ask an important question Are current events pointing to a soon return of Jesus How we answer this question will influence how we view the rest of prophecy It s important to understand what goes into answering this question correctly When you turn on the news and watch events unfold do you sense the tension When you flip through your social media or the internet and look at all the things that are happening does it cause you heartburn or maybe heartache Would you say we are in a unique time in world history So how do you answer the question We ll answer that and more in *Understanding the End Times Are Current Events Pointing to a Soon Return of Jesus*

*Understanding the Book of Revelation* D. Min. David Baxley,2018-05-14 The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars But like its very name Revelation understanding of this seemingly complex book is available to all God has even promised a special blessing to those who read it David Baxley D Min has broken down

the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students It includes maps a chronology of end time events and wars definitions and cross references to Old Testament scriptures that point to the time of the end He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book It s a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore A bible student for over 50 years and pastor for over 40 Dr David Baxley has studied and taught the Book of Revelation extensively While in the hospital recovering from a heart transplant he realized that the sequence of end time events was still not clear in his mind so he spent the next two years in intense study This book is the result of that study

### **The Rapture: A Pre- or Post-Tribulation Event?**

Colleen Wandmacher,2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I ve read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended

### **Exploring End-Time Events in the Revelation of Jesus**

**Christ** J. McCluskey,2014-10-19 The Revelation of Jesus Christ prophecy discussed here is very much for the times in which we live Additional information is give here about other end time Bible prophecies and especially those recorded by Daniel We will find greater details about such things as the Investigative Judgment in heaven and related events that tell us when that investigation will include the living as probationary time is coming to a close These very difficult testing times will soon be here for all the living and we do not need to be in the dark about it 1Thessalonians 5 1 8

**The Fullness of Times** Douglas Berner,2018-07-31 The Fullness of Times A Charted View of Revelation the Sequence of Prophetic Events of the End Times is a uniquely visual approach to Bible prophecy and the book of Revelation This book takes up the challenge of Bible prophecy and the puzzle regarding the chronology of end time prophetic events to bring a more comprehensive understanding of key passages in the book of Daniel and the book of Revelation The Fullness of Times is distinctive in its approach to simplifying the complexity of Bible prophecy through an emphasis on illustrations mixed with commentary It provides a graphical study

guide for the book of Revelation incorporating timelines sequences of events analytical charts and logic problems as well as numerous examples of apocalyptic art depicting scenes from the Bible created by artists over the past 1 000 years Instead of a verse by verse commentary *The Fullness of Times* takes a chapter by chapter approach to the book of Revelation with a focus on understanding the sequences of events and the timelines of the action in each chapter This study examines several overarching issues including 1 The Three sequences of God s judgments the seven seals seven trumpets and seven bowls through their sequential and telescopic progression 2 The conflicting views regarding God s Two Witnesses and Satan s Two Beasts and their impact upon the overall timeline of the End Times 3 The Warning of the three woes and how they significantly impact our understanding of the prophetic timeline 4 The progression of the Beast how the sequences of beasts heads horns and crowns in Daniel and Revelation influence the solution of the prophetic puzzle Douglas Berner is a retired Criminal Investigator who applies skills of case analysis and the evaluation of criminal evidence to the examination of the prophetic puzzle of the End Times *The Fullness of Times A Charted View of Revelation the sequence of Prophetic Events of the End Times* is the fourth book in a series of comprehensive examinations of Bible prophecy by Douglas Berner

*Understanding End Times Prophecy* Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you *Understanding End Times Prophecy* will help you put together the pieces and see the big picture

**The End Times and Beyond** L. Doug Harberson,2018-09-24 I was asked recently why I decided to write this book when there are numerous famous authors on the subject The question took me by surprise but as I pondered my reasons my response was two fold I wanted to write a book that the general public lay persons could read with a high degree of comprehension using word structure that is common in everyday language I wanted the book to lend itself to being used as the material for a detailed Bible study on the end times I am currently working on a journal to complement the book As the reader works through the chapters of this book he she will discover how Daniel s prophecies predict the seven years of Tribulation These prophecies serve as the backbone of this book why Christ chose the seven churches in chapters 2 and 3 details about the rapture when it will occur who is involved Don t be left behind details of the Judgment Seat of Christ details of the Four Horsemen of the Apocalypse description of the Seven Seals Seven Trumpets and Seven Bowls when they occur

their devastation and purpose the Antichrist discussed in detail details about the great revival during the first months of Tribulation who the two witnesses are and their purpose during the first half of Tribulation details regarding the Marriage Supper of the Lamb fascinating details of the Glorious Appearing and Armageddon surprising revelations about Satan details of the Judgment of the Sheep and Goats and the Great White Throne Judgment fascinating details about the Millennial Reign of Christ how many Books of Life exist Are there more than one a full discussion of the New Heaven and New Earth the author's time line of events that happened during the seven year Tribulation Period and beyond

**The End Times in Chronological Order Workbook** Ron Rhodes, 2022-06-07 You Can Understand Bible Prophecy for Yourself In today's tumultuous world we see current events aligning with what will happen during the tribulation period prophesied in the Bible The uncertainty of what is to come has led many to ask questions about what will happen and when With this companion to The End Times in Chronological Order author Ron Rhodes provides a strategically designed guide to help you unpack Bible prophecy Whether you journey through this workbook on its own or in tandem with the book this resource illuminates every key concept believers need to know and where they fit on God's timeline from the rapture to the tribulation to the return of Christ and beyond Let your heart be enriched nurtured and emboldened as you experience the blessing the book of Revelation promises to those who study Bible prophecy The End Times in Chronological Order Workbook will equip you to better understand and prepare for what God has made known about the future

*Revelation, the Rapture, and What Jesus Says* Brian Davis, 2024-04-08 When it comes to the last days God has provided believers with everything we need to know about what is coming This includes the order of events to take place and even at what point the rapture will occur When teaching on these subjects Jesus goes as far as telling us But take heed behold I have told you everything in advance Mark 13:23 Brian Davis examines the words of Jesus and compares His teachings directly to scriptures in the Old and New Testaments with a focus on the timing of the rapture the day of the Lord and how they relate to events in the book of Revelation Having maintained particular attention to scriptural harmony throughout the study it is possible for anyone to see the undeniable consistency in end time events discussed by Jesus the apostles and Old Testament prophets The result provides answers to many questions including What did Jesus teach about end time events How do His teachings compare to events as described in the rest of the Bible What is the day of the Lord Are the seals a part of God's wrath How do our beliefs today align with what Jesus the prophets and the apostles taught Using simple language and biblical insights Revelation the Rapture and What Jesus Says is tailored for both beginners and those who have studied prophecy for years to help understand critical teaching in the Bible that details what the world may soon be about to face

**Revelation** Brian Lochbrunner, 2024-03-15 The Book of Revelation has been and continues to be a subject of debate and discussion Numerous scholars and theologians have studied and dissected it Men have given speeches and written volumes on this one book of the Holy Bible Revelation contains secrets of both the past and the future of and for all humanity These secrets were exposed by

the One Who held them and the One Who controls all Jesus Christ in His revelatory oration to His Apostle John while John was imprisoned on the Isle of Patmos From the moment Jesus begins to describe Himself to the last word He gives to the angel of the Seventh Church we are mesmerized by the beauty of His speech as well as grieved by the failures of mankind We cannot help but to be drawn into the poetry with which our Savior speaks Nor can we deny that His words as weighty as they may be are merciful loving holy true faithful and just It is in the pages of Revelation that we find Jesus speaking specifically of the seven types of churches a woman riding an odd looking beast disobedient angels super natural bugs and an army of demons You will be drawn in from the first chapter Brian Lochbrunner s REVELATION A Study of the Events of the End Times is more than a light reading With a genuine desire to reach lost souls he has offered up years of study for your scrutiny and perusal May you also come to the one and only conclusion in this book Humanity s sinful nature and desperate need for a redeeming Savior is found met and complete in Christ Jesus our Lord Amen What is Reformed Theology? R. C. Sproul,2016-09-13 What Do the Five Points of Calvinism Really Mean Many have heard of Reformed theology but may not be certain what it is Some references to it have been positive some negative It appears to be important and they d like to know more about it But they want a full understandable explanation not a simplistic one What Is Reformed Theology is an accessible introduction to beliefs that have been immensely influential in the evangelical church In this insightful book R C Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God based on God s Word and committed to faith in Jesus Christ Sproul explains the five points of Reformed theology and makes plain the reality of God s amazing grace **Rapture and Revelation** R. G. Brock,2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible

time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble **Reformation Study Bible-ESV** Robert Charles Sproul, Keith A.
