Connor Peak is an only child, raised and trained by King Reynard to become his most profitable recruit after the tragic death of his father. Bound by loyalty, Connor is sent once more on a mission, which proves to be his most difficult yet. His target? Rachel Penmouse of the Isles, a wise Queen, just as dedicated to protecting her own people, and to Connor, the sole person responsible for the death of his father. Connor must now endeavour to avenge his father and make his King proud once more, but not every contract is as simple as described, not every detail as clear. Will Connor succeed and be the catalyst for war? Nothing in his lifestyle is certain, except for one fate that lay hidden in the dark; the moon will strike twice, and once it shines its light upon everything in this world, be careful who you call your enemies, as no one is safe from the light that will reveal all. The Helix was meant to be a revolution, but even the most pure of intentions can spawn terrible evil, and the revolution of information and innovation they hoped for may not

be the one they get. As the single-most powerful vampire on the planet, Xander is the ultimate bored predator with too much time on his hands. He manipulates the minds of immortals for fun and bullies around the Gods, while guarding the secret source of his power, a crystal that can wipe out the planet. But beneath the surface, he's a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil. An unwilling protector of the playthings known as humans, he knows when and where to use his power - and never to let anyone close enough to betray him. It's easy to do, since he has the power to read the minds of everyone around him. Except for one: Jessi, an innocent looking woman with an unusual talent who shows up unexpectedly in his life. Her sudden appearance is too convenient to be coincidence or chance. Xander determines quickly that she was sent by someone, but he can't read her mind to discover why. Jessi's secret - and Xander's - have the power to forever change the human world. Intrigued by a new sort of challenge, Xander won't know how much danger he's in, until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life. Coyote Moon~ The seedy carnival looks like just the thing to give Buffy and her friends, Xander and Willow, a break from staking bloodsuckers. Some greasy food, a few cheap thrills - what more could a Slayer ask for? But then Buffy senses something evil behind this carnival. Could it be connected to the corpses that are turning up around Sunnydale. Can Buffy find out what's going on in time to save her friends? Or has the Slayer become the prey? Portal of Time~ The Master, Buffy's nemesis, may be gone, but he is by no means forgotten. One of his devotees has set out to alter the past, killing off Slayers in order to change the future. With the Slayer line extinguished, there will be no Buffy. And without Buffy, no one will be able to prevent him as he resurrects The Master. Having opened a portal through time he is about to send his minions into the past to murder the most influential Slayers in history. Buffy is forced to follow them through the portal in a race against time and evil. But the problem is... you can't change the past without altering the present... In every generation, there is a Chosen One. A slayer destined to protect the human race. She alone must fight the demons of hell. She alone must risk her life to stop the spread of evil. Buffy is the Chosen One. In Coyote Moon, a typical night at the carnival becomes deadly as shape shifters turn the amusement park into their own house of horrors. In Portal through Time, Slayers over the centuries are in danger, and Buffy must protect them in order to save her own life and legacy. For the first time in her life, Marisa's doing everything on her own and she loves it. A brand new city, a brand (sort of) new job, and a hunky, dreamy late night customer who shows her the kinds of things he likes to do. Welcome to the ride. This year will be nothing like last year.

WANTED ALWAYS (BOOK 2) I never said I was perfect.....but damn it, I really did it this time! I fell for his ways again! And the award for dumbest girl in the world goes to.....ME! Again! Twenty two year old Marisa Gellys thought the weekend of her father's 50th birthday party was going to be quick and easy. She couldn't have been more wrong. All thanks to a certain blue-eyed gorgeous...menace, also known as Xander Barns. Her dad's birthday would have to take a back seat, because Xander Barns has his own plans for this weekend and whether Marisa wants to or not, she's about to become a huge part of it. Because Xander Barns always gets what he wants.

CALLING FOREVER (BOOK 3) If someone were to have told me right after waking up and finding Xander's surprise last Saturday, that at the end of this crazy weekend I'd be accepting a position as his Personal Assistant, I'd have laughed and told them they were crazy. It did happen. Who's crazy now? ME! Marisa Gellys should have erased Xander Barns from her memory as soon as she stepped foot on her train back home. She did no such thing, in fact after being offered a job that included amazing pay and out of this world perks, she was now the king of trouble's A.K.A Xander Barns' Personal Assistant. Now all she's got to do to get paid is to keep that menace out of trouble, which shouldn't be too difficult, that is until Xander's equally gorgeous normal fraternal twin brother

shows up. Liam Barns does not like his brother. Wanting nothing more than to get attention seeking Xander kicked out of their family's boutique hotel business, he sets his sights on Marisa, planning to use her knowledge of Xander's after dark lifestyle to finally show their father who really belongs in the company and who doesn't. However, actually falling for Marisa, that was a surprise he didn't have a plan for. Xander Barns Series (Books 1-2-3) is a 111,000 word enemies to partners romance. Readers can party with a pandaNand all creatures tall and smallNin this endearing new picture book by Newbery Medalist Park and brilliant illustrator Phelan. Full color. I lost a friend. I know the feeling. I understand the implications. But, I can't change the situation. I need to accept and move on. It is the case everywhere. No one is given a second chance. At least in fiction, we can imagine what things would be like if given an opportunity. The Golden Opportunity to revive a friend. This story is about friendship between teenagers that takes them on an expedition to unexpected places, unearth a new set of challenges and face their emotions towards one another. The evolution of their relationship among themselves and with their parents made a compelling story to be told. I wish you joy as you embark on a journey in your mind with these characters. I wish you the same pleasure reading this book as I had in writing it. "A fun, fast-paced story filled with magic, mystery, and adventure." -David Aretha, Moonbeam Children's Book Award winner
