arents and students sacrifice large sums of money for a Christian college education. Why? They are purchasing a guarantee their child's faith in God and the Bible will be guarded and developed. But is the Bible being taught? Will they graduate believing in the inerrancy of Scripture, the Flood of Noah's Day, and a literal six day creation? Apologetics powerhouse Ken Ham and Dr. Greg Hall reveal an eye opening assessment of 200 Christian colleges and universities. In an unprecedented 2010 study by America Research Group, college presidents, religion and science department heads were polled on critical areas of Scripture and core faith questions. Introducing a new series of quick reference guides that answer the most-asked questions about the Christian faith Are Christian treatments as effective as secular treatments? What is the evidence to support its success? Christians engaged in the fields of psychology, psychotherapy and counseling are living in a unique moment. Over the last couple decades, these fields have grown more and more open to religious belief and religion-accommodative therapies. At the same time, Christian counselors and psychotherapists encounter pressure (for example, from insurance companies) to demonstrate that their accommodative therapies are as beneficial as secular therapies. This raises the need for evidence to support Christian practices and treatments. The essays gathered in this volume explore evidence-based Christian treatments, practices, factors and principles. The authors mine the relevant research and literature to update practicing psychotherapists, clinical researchers, students, teachers and educated laypersons about the efficacy of certain Christian-accommodative therapies. Topics covered in the book include: devotional meditation cognitive-behavior therapy psychodynamic and process-experiential therapies couples, marriage and family therapy group intervention The book concludes with a review of the evidence for the various treatments discussed in the chapters, a guide for conducting clinical trials that is essential reading for current or aspiring researchers, and reflections by the editors about the future of evidence-based Christian practices. As the editors say, "more research is necessary." To that end, this volume is a major contribution to a field of inquiry that, while still in its infancy, promises to have enormous implications for future work in Christian counseling and psychotherapy. Christian Association for Psychological Studies (CAPS) Books explore how Christianity relates to mental health and behavioral sciences including psychology, counseling, social work, and marriage and family therapy in order to equip Christian clinicians to support the well-being of their clients. Introducing a new series of quick reference guides that answer the most-asked questions about the Christian faith. Book previously published as *What the Bible Teaches About Heaven & Eternity*. Christians live in a culture with more questions than ever -

questions that affect one's acceptance of the Bible as authoritative and trustworthy. Now, discover easy-to-understand answers that reach core truths of the Christian faith and apply the biblical worldview to a wide variety of subjects. Every parent wants to help their children make wise choices. Now Bill and Pam Farrel, bestselling authors of *Men Are Like Waffles—Women Are Like Spaghetti*, bring their trademark humor and characteristic wisdom to one of the scariest topics of all: teaching kids about sex. With the lessons in this book, parents will be able to clearly articulate God's view of sex lay a foundation for healthy conversation help their children internalize a godly value system layer in valuable information so a child is prepared for each life stage protect their children by giving them the right information at the appropriate time Full of real-life examples, biblical inspiration, and laugh-out-loud illustrations, *10 Questions Kids Ask About Sex* will engage parents and enable them to succeed! John Frame's *A Theology of Lordship* series has been greeted with acclaim, *The Doctrine of God* receiving an ECPA Gold Medallion Award. This fourth and final volume in the series discusses God's word in modern theology and how God's word comes to us as his controlling power, meaningful authority, and personal presence. Dr. Frame says that God's speech to man is real-like one person speaking to another "God speaks so that we can understand him and respond appropriately. Appropriate responses are of many kinds: belief, obedience, affection, repentance, laughter, pain, sadness, and so on. God's speech is often propositional: God's conveying information to us. But it is far more than that. It includes all the features, functions, beauty, and richness of language that we see in human communication, and more. So the concept I wish to defend is broader than the 'propositional revelation' that we argued so ardently forty years ago, though propositional revelation is part of it. My thesis is that God's word, in all its qualities and aspects, is a personal communication from him to us." Book jacket. A little more than seventy-five years ago, Kate L. Turabian drafted a set of guidelines to help students understand how to write, cite, and formally submit research writing. Seven editions and more than nine million copies later, the name Turabian has become synonymous with best practices in research writing and style. Her *Manual for Writers* continues to be the gold standard for generations of college and graduate students in virtually all academic disciplines. Now in its eighth edition, *A Manual for Writers of Research Papers, Theses, and Dissertations* has been fully revised to meet the needs of today's writers and researchers. The Manual retains its familiar three-part structure, beginning with an overview of the steps in the research and writing process, including formulating questions, reading critically, building arguments, and revising drafts. Part II provides an overview of citation practices with detailed information on the two main scholarly citation styles (notes-bibliography and author-date), an array of source types with contemporary examples, and detailed guidance on citing online resources. The final section treats all matters of editorial style, with advice on punctuation, capitalization, spelling, abbreviations, table formatting, and the use of quotations. Style and citation recommendations have been revised throughout to reflect the sixteenth edition of *The Chicago Manual of Style*. With an appendix on paper format and submission that has been vetted by dissertation officials from across the country and a bibliography with the most up-to-date listing of critical resources available, *A Manual for Writers* remains the essential resource for students and their teachers. Ham explores 21 exciting and faith-affirming topics including the fall of Lucifer and the origin of evil, when life begins and why that matters, early biblical figures, evolution, and more. Printed in color. *U.S. History* is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). *U.S. History* covers key forces that form the American experience, with particular attention to issues of race, class, and gender. In his much quoted, seminal work, *On Liberty*, John Stuart Mill attempts to establish standards for the relationship between authority and liberty. He emphasizes the importance of individuality which he conceived as a prerequisite to the higher pleasures—the summum bonum of Utilitarianism. Published in 1859, *On Liberty* presents one of the most

eloquent defenses of individual freedom and is perhaps the most widely-read liberal argument in support of the value of liberty. With notable nonbelievers such as Richard Dawkins, Sam Harris, and Christopher Hitchens featured prominently in the media, it is no surprise that many Christians wonder how best to answer the growing number of atheist arguments they encounter every day. 10 Answers for Atheists is a one-of-a-kind resource from respected Christian apologist Alex McFarland that looks closely at the philosophical assumptions at the root of atheism and agnosticism and exposes the logical, historical, and conceptual fallacies that perpetuate unbelief. Readers will find easy-to-understand charts and clear explanations of key beliefs, as well as trustworthy, biblical answers to the honest questions posed by atheists and agnostics. Every reader, no matter where he or she falls on the spectrum of belief, will hear a call to thoughtful engagement with the historic Christian faith. Answers to common questions by the press about sovereignty. A chilling account of an evil ideology and the man whose nefarious thoughts made it possible. A comprehensive and readable survey of the central issues of Christianity that will help Christians to stand firm in a changing world. What happens when you have more "hot" questions on the Bible and creationism than you can answer in one book? You create a second volume! The New Answers Book 2 explores over 30 exciting and faith-affirming topics, including: The fall of Lucifer and the origin of evil When does life begin (and why does it matter)? Is evolution a religion (and why should I care)? Archaeology, Egyptian Chronology, and the great flood Could early biblical figures like Noah really live to over 900 years of age? What was the Star of Bethlehem (and how did the wise men follow it)? The "Evolutionization" of our culture — including intelligent design, gay marriage, Hollywood movies, and more! Explore these and other topics, answered biblically and logically in this book from the world's largest apologetics ministry, Answers in Genesis. Contributors include Ken Ham, Dr. Andrew Snelling, Dr. Jason Lisle, Dr. Elizabeth Mitchell, Dr. Danny Faulkner, Mike Riddle, and more. The world around us provides irrefutable evidence of our Creator, but when challenged, can you defend your faith? Do you have answers to your own questions or those of your family about faith, evolution, creation, and a biblical worldview? Get the important information you need in this compelling third book from the popular Answers series, and learn more about: Global warming Cloning and stem cells The existence of God Bacteria and viruses Questions for evolutionists Human and chimp DNA The universe - young or old? "Kinds" in Genesis What Noah's Ark looked like ...and much more. Learn how to be more effective in defense of scriptural authority and the truth of Genesis as literal history. Join Ken Ham and leading creation scientists like Dr. Jason Lisle, Dr. Andrew Snelling, Dr. Georgia Purdom, Dr. David Menton, Dr. Terry Mortenson, Dr. John Morris, Dr. Steve Austin, Dr. David DeWitt, Dr. Danny Faulkner, Dr. Joe Francis, and others as they provide simple and empowering answers to these and other popular questions of faith in our culture today. Other exciting books available in this best-selling series: The New Answers Book 1, and The New Answers Book 2, with over 50 additional questions and answers. Thomas Paine wrote the first part of The Rights of Man in 1791 as a response to the furious attack on the French Revolution by the British parliamentarian Edmund Burke in his pamphlet Reflections on the Revolution in France, published the previous year. Paine carefully dissects and counters Burke's arguments and provides a more accurate description of the events surrounding the revolution of 1789. He then reproduces and comments on the "Declaration of the Rights of Man and of Citizens" promulgated by the National Assembly of France. The manuscript of The Rights of Man was placed with the publisher Joseph Johnson, but that publisher was threatened with legal action by the British Government. Paine then gave the work to another publisher, J. S. Jordan, and on the advice of William Blake, Paine went to France to be out of the way of possible arrest in Britain. The Rights of Man was published in March 1791, and was an immediate success with the British public, selling nearly a million copies. A second part of the book, subtitled "Combining Principle and Practice," was published in February 1792. It puts forward practical proposals for the establishment of republican government in countries like Britain. The Rights of Man had a major impact, leading to the establishment of a number of reform societies. After the publication of the second part of the book, Paine and his publisher were charged with seditious libel, and Paine was eventually forced to leave Britain and flee to France. Today The Rights of Man is considered a classic of political writing and philosophy. This book is part of the Standard Ebooks project, which produces free public domain ebooks. In a society fascinated by spirituality but committed to religious pluralism, the Christian worldview faces sophisticated and aggressive opposition. A prior

offsite.creighton.edu

commitment to diversity, with its requisite openness and relativistic outlook, has meant for skeptics, critics and even many Christians that whatever Christianity is, it cannot be exclusively true or salvific. What is needed in this syncretistic era is an authoritative, comprehensive Christian response. Point by point, argument by argument, the Christian faith must be effectively presented and defended. To Everyone an Answer: A Case for the Christian Worldview offers such a response. Editors Francis J. Beckwith, William Lane Craig and J. P. Moreland have gathered together in this book essays covering all major aspects of apologetics, including: faith and reason arguments for God's existence the case for Jesus the problem of evil postmodernism religious pluralism and Christian exclusivism Preeminent in their respective fields, the contributors to this volume offer a solid case for the Christian worldview and a coherent defense of the Christian faith. Since its publication in 1985, the "MLA Style Manual" has been the standard guide for graduate students, teachers, and scholars in the humanities and for professional writers in many fields. Extensively reorganized and revised, the new edition contains several added sections and updated guidelines on citing electronic works—including materials found on the World Wide Web. Why is cloning wrong? Does the Bible say a divorced person can remarry? Can angels sin? Is body piercing wrong? Can demons read our thoughts? Dr. Elmer Towns, author of over 80 books and Dean of Liberty University's School of Religion, answers these and many other questions you have wondered about. Written for the new Christian too embarrassed to ask, and for the long-time Christian who still has unanswered questions, this one-volume, indexed resource provides the kind of responses your own pastor would give as you're shaking hands after the Sunday morning sermon—short, knowledgeable, and to the point. Topics covered include: Politics The Bible, The Holy Spirit, and Angels Creation Demons and the Devil God's Names Prayer, Salvation, and Sin If you have questions—and who doesn't—Bible Answers for Almost All Your Questions is an essential resource. In the quest for the truth, you need to know what you believe and why you believe it. Who Made God? offers accessible answers to over 100 commonly asked apologetic questions. Bringing together the best in evangelical apologists, this guide is standard equipment for Christians who want to understand and talk about their faith intelligently. Part one answers tough questions about the Christian faith such as: • Who made God? • How can there be three persons in one God? • What is God's ultimate purpose in allowing evil? • Where did the universe come from? • How long are the days of creation in Genesis? • Did Jesus rise from the dead? • Are the records of Jesus' life reliable? • Does the Bible have errors in it? Part two answers tough questions about other faiths, including Islam, Mormonism, Hinduism, Transcendental Meditation, Yoga, Reincarnation, Buddhism, and Black Islam. Relevant stories, questions for reflection and discussion, and a comprehensive list of suggested resources help you dig deeper so you can be prepared to give careful answers that explain the reasons for your faith. Readers of Paul today are more than ever aware of the importance of interpreting Paul's letters in their Jewish context. In Reading Romans in Context a team of Pauline scholars go beyond a general introduction that surveys historical events and theological themes and explore Paul's letter to the Romans in light of Second Temple Jewish literature. In this non-technical collection of short essays, beginning and intermediate students are given a chance to see firsthand what makes Paul a distinctive thinker in relation to his Jewish contemporaries. Following the narrative progression of Romans, each chapter pairs a major unit of the letter with one or more thematically related Jewish text, introduces and explores the theological nuances of the comparative text, and shows how these ideas illuminate our understanding of the book of Romans. Know What You Believe Why You Believe It & How to Explain It. This powerful sourcebook answers the most important questions skeptics ask about God & Christianity. Along with the authors you'll examine a wide range of evidence for the truth of biblical Christianity & become equipped to evaluate the validity of: Jesus Christ—what sets Him entirely apart from founders of other religions; the resurrection—why lawyers & former skeptics believe it & why skeptics' theories fall short; the reliability of the Bible—how it is proven by the science of archaeology & our manuscript evidence; the miracle of origins—why both creation & evolution require a miracle & why evolution can't be true; reincarnation & Christianity—why they can't coexist; why biblical prophecy proves who the true God is & why the Bible is the only revelation from God; atheists & skeptics—why even they agree they have knowledge about God; & why the biblical evidence strongly argues for an inerrant Bible. Find answers to the toughest questions from creation to salvation & discover the uniqueness of Christianity & man's universal need for the one true God. Did you know you

could teach from home and earn a six-figure salary? Thousands of people make a great living teaching online courses from home, and the more classes they teach the more they earn! If you want into this exciting profession, this guide will show you how to get started, find great jobs, and earn more than you thought possible. Jonathan Falwell carries on the legacy of his father -- the internationally renowned founder of Thomas Road Baptist Church, Jerry Falwell -- by reminding believers of the single most important truth for their spiritual walk through life. Regardless of the trials and suffering Christians face, there remains one simple, underlying, foundational truth that enables them to have the strength to carry on and find purpose in their lives, no matter the situation. Everyone is searching for significance, trying to find ways to make a difference in the world while undergoing all sorts of tribulations that seem to bring nothing but disappointment. There are innumerable plans for success and ways to overcome adversity, but people are quickly learning that all of these efforts prove futile. The real secret and one great truth in discovering meaning in life is for readers to keep their focus on Christ, and this is the principle that Jonathan Falwell teaches with affirmation and authority. Readers will learn how all of life's mysteries can be unraveled when everything they do centers on Christ. The Bible provides the hope readers need to forge ahead in the face of constant challenges and setbacks. With God, all things are possible, and only in Him can readers find the strength and ability they need to succeed in ways that truly matter. The Second Edition provides a comprehensive introduction to interdisciplinary studies with an approach that is succinct, conceptual, and practical. Completely updated to reflect advances in the literature on research, learning, and assessment, the book describes the role of both disciplines and interdisciplinarity within the academy, and how these have evolved. Authors Allen F. Repko, Rick Szostak, and Michelle Phillips Buchberger effectively show students how to think like interdisciplinarians in order to facilitate their working with topics, complex problems, or themes that span multiple disciplines. Once you have learnt the fundamentals of typography, there is still a wealth of knowledge to grasp to really become a master in the art and craft of working with type. In *Advanced Typography*, expert practitioner and instructor Richard Hunt goes beyond the basics to take your understanding and usage to the next level. Taking a practical approach, the book combines visual, linguistic, historical and psychological systems with the broad range of applications and audiences of type today. From the challenges of designing across media and cultures, to type as information and craft, Hunt marries theoretical context with applied examples so you feel confident in improving your skills as an advanced typographer. What happens when you pray? This book does not tell you how to get answers to your prayers there are thousands of books like that. This is a radically different book because it approaches prayer from God's perspective. Prayer is relationship with God. When you understand How God Answers Prayer, then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you, how it's best for you, and when it's best for you. Divided into three inspiring sections and bite-size chapters filled with full servings of biblical goodness, you will learn about the following...and much more: God answers when you wait in His presence for the answer. God can give you a vision of how the answer can come. God answers when you yield to His will. Use your faith supernaturally to move God's work forward. God may allow an obstacle to tell you No, it will not happen. When God answers your prayer differently from what you expected. God may say, No, I have a better plan for your life. Well-known author and respected Liberty University dean and professor, Dr. Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father, and brings your relationship with Him to an even more intimate level of love. The 2020 murder of George Floyd ignited a racial firestorm throughout America, provoking lament and grief over a long history of tragedy. The widespread protests gave way to a heated discussion about terms such as systemic racism, white privilege, and Critical Race Theory, all framed by the slogan "black lives matter." The beginnings of a helpful dialogue on diversity became a heated battle, one that quickly spread to the church. Drawing on forty years of ministry experience, Tony Evans writes with a fearless and prophetic voice, probing to the heart of the issue and pointing to God's Word as the solution. Kingdom Race Theology helps people and churches commit to restitution, reconciliation, and responsibility. His penetrating and practical ideas will help pastors and church leaders sort through the conflicting theories, finding sensible solutions in the form of individual and collective action plans. Christians can work together across racial lines to repair the damage done by a long history of racial injustice. What about climate change? Is there a connection between dragon legends and dinosaurs? Is evolution the bloodiest

religion ever? What about cavemen? What are the 10 best evidences for a young creation? The Answers series has been a powerful tool in equipping believers to share and defend their faith. Now the newest book in this landmark series takes on hot button topics like climate change, ancient man, and many more. Too many people have walked away from their faith because they sought answers for what seemed a contradiction in Christian belief and scientific teaching. For those who desire a deeper walk and a thriving faith in the face of a growing cultural adversity, now find the answers to questions you have or others may use to genetic engineering, this powerful team of apologists is able to inspire you and those you know who may not yet believe. In this inspiring book, learn to know Jesus more deeply by exploring twelve questions He uses to bring us closer to Him. There is an incredible truth about the nature of Christ: the Son of God is a curious God who asks. And His questions are life changing. The answer to your need for connection, to your spiritual doubt and restlessness, can be found by examining God's questions. Scripture reveals that Jesus asked over 300 questions to teach, engage, and invite us closer. Now, experience an intimate and transformative conversation with the Son of God by exploring twelve of the most powerful questions from the Gospels. Through Christ's questions, you'll be captivated by the truth of His love and desire to walk in union with you, His Kingdom preparations for you, and the relevance of His promises in your life. Let Jesus ask and He'll ignite your imagination, intellect, heart, and soul. History. With a light touch and sensible techniques, Dr. Jim Petersen distills years of counseling and pastoral ministry into an informal volume loaded with practical tips, examples and techniques to practice. His book highlights our culture's courtroom-like communication that often puts people at odds with each other. Most people think they listen well but don't and folks walk away unheard, misunderstood and disconnected. Readers will chuckle in recognition at the tongue-in-cheek but spot-on "flat-brain" theory of emotions. It shows how and why we get upset and confused in tense situations and what to do about it. It lays the practical groundwork to better manage emotionally loaded situations. This book shows communication that works and is equally appropriate for professionals, such as pastors and therapists and for the general public. The ingenious Talker-Listener Card gives a taking-turn method to end arguing as we know it. It works for couples, business relationships, church listening programs, counselors, group discussions and the family dinner table listening game. Thirty listening techniques will help the reader immediately begin to turn enemies into friends, poor relationships into decent ones and good relationships into better ones. These accessible skills are being used in pastoral counseling classes, counseling offices, church staffs, professional offices, on dates, in corporate board rooms and at kitchen tables around the country. The hilarious and heartwarming, respectful and thought-provoking memoir of a college student's semester at Liberty University, the "Bible Boot Camp" for young evangelicals, that will inspire believers and nonbelievers alike. No drinking. No smoking. No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's "Bible Boot Camp" for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand undergraduates take courses like Evangelism 101 and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds). He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life. "'Only One Mommy' exposes the truth about the homosexual rights movement and its destructive consequences. Written from the vantage point of Lisa Miller's seven-year custody battle for her biological child against her former same-sex partner, 'Only One Mommy' offers a first-hand account of how people are lured into believing that they are gay and can not change. This book offers truth to those struggling with homosexuality, encourages churches to minister to those caught in the lifestyle, and stirs freedom-loving Americans to get involved in the culture war that is raging all around them."--Back cover. The Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and

behavioral sciences. It provides invaluable guidance on all aspects of the writing process, from the ethics of authorship to the word choice that best reduces bias in language. Well-known for its authoritative and easy-to-use reference and citation system, the Publication Manual also offers guidance on choosing the headings, tables, figures, and tone that will result in strong, simple, and elegant scientific communication. You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage

others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries
