Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever

taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions. The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra's 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they "check out" impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-standing arrangement with the gnomic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers' behaviour and roped his friends into helping him figure out just what's going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry

of Neal Stephenson or Umberto Eco, Mr. Penumbra's 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave. A fiendishly fun and charming novel echoing the quirky works of brilliant director Pedro Almodóvar, *The Altogether Unexpected Disappearance of Atticus Craftsman* follows an uptight Englishman who is sent to Madrid to close a literary magazine and the five fiery, close-knit Spanish women who must devise a plan in order to keep the jobs they love. Atticus Craftsman never travels without a supply of Earl Grey, an electric kettle, and a teacup—so he makes sure he has packed all three after his father, distinguished publisher of Craftsman & Co., sends him to Madrid to shut down a failing literary magazine, *Librarte*. But when nobody has heard from him in three months, his father knows something must be very wrong. Fortunately, Inspector Manchego is on the case. Manchego gets to work unraveling the mystery of the Englishman's disappearance, but there to block him at every turn are the five fiery and close-knit Spanish women who run *Librarte* and who will do anything to keep their jobs. From a kidnapping to the “discovery” of the long-lost poems of Federico García Lorca, Manchego and Atticus are taken on a madcap journey through the narrow streets of Madrid and down to the bohemian heart of Andalucía. A charming tale with linguistic mishaps, literary intrigue, a clash of cultures, and an unexpected romance, *The Altogether Unexpected Disappearance of Atticus Craftsman* is at once a humorous literary caper and a touching love story, making for an altogether clever and delightfully different read. Sheryl Scarborough continues the adventures of teen amateur sleuth and aspiring forensic scientist Erin Blake in *To Right the Wrongs*, the sequel to *To Catch a Killer*. Barely three weeks after catching the killer of Erin's mother and their biology teacher, Erin and her crew are back, up to their elbows in forensics projects. But this time it's with the full approval of their parents. With Uncle Victor at the helm, Erin and her best friends, Spam and Lysa,

offsite.creighton.edu

are prepping a new classroom for CSI summer camp, where they will serve as camp counselors. Meanwhile, Erin's super-hot new boyfriend, Journey, is graduating, just in time for him to take a position as Victor's intern in the new CSI lab on campus. Journey and Victor are going to take another look at the evidence in the murder trial that sent Journey's father to prison. The girls are under strict orders not to meddle with the murder case, but that's easier said than done... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Juan le gustaba pintarse las uñas y cuando se rieron de él en el colegio, su padre decidió apoyarle y pintárselas él también. Esta es una historia inspirada en hechos reales. Samantha is a stranger in her own life. Until the night she disappeared with her best friend, Cassie, everyone said Sam had it all???popularity, wealth, and a dream boyfriend. Sam has resurfaced, but she has no recollection of who she was or what happened to her that night. As she tries to piece together her life from before, she realizes it's one she no longer wants any part of. The old Sam took "mean girl" to a whole new level, and it's clear she and Cassie were more like best enemies. Sam is pretty sure that losing her memories is like winning the lottery. She's getting a second chance at being a better daughter, sister, and friend, and she's falling hard for Carson Ortiz, a boy who has always looked out for her???even if the old Sam treated him like trash. But Cassie is still missing, and the facts about what happened to her that night isn't just buried deep inside of Sam's memory???someone else knows, someone who wants to make sure Sam stays quiet. All Sam wants is the truth, and if she can unlock her clouded memories of that fateful night, she can finally move on. But what if not remembering is the only thing keeping Sam alive? Includes an excerpt from 'The Vincent boys.' Meet four adorable dinosaurs who love to do yoga! Dino Yoga is a fun illustrated guide that teaches young children how to do yoga with easy-to-follow, step-by-step instructions on how to perform all the basic

offsite.creighton.edu

yoga poses. With each yoga position is also a kid-friendly tip on how to better handle their emotions and personalities, including how to relax, how to focus, and how to be calmer. A great way to introduce children to this mindful practice, this must-have yoga for kids book is perfect to take them away from their screens and experience all the benefits yoga has to offer! Danny Dawson lives in the middle of the Australian outback. His older brother Jonny was killed in an accident last year but no one ever talks about it. And now it's time for the annual muster. The biggest event of the year on the cattle station, and a time to sort the men from the boys. But this year things will be different: because Jonny's gone and Danny's determined to prove he can fill his brother's shoes; because their fourteen-year-old sister is pregnant; because it's getting hotter and hotter and the rains won't come; because cracks are beginning to show . . . When Danny's mum admits she can't cope, the family hires a housegirl to help out - a wide-eyed English backpacker. She doesn't have a clue what she's let herself in for. And neither do they. Traducere și note de Tudora Șandru-Mehedinți Roman de arheologie sentimentală care ne transportă într-o Japonie senzuală, exotică, plină de contraste, Wabi-Sabi ne dezvăluie nouă, cititorilor, și protagonistului Samuel de Juan, cunoscut din bestsellerul Iubire cu „i” mic, frumusețea lucrurilor imperfecte și efemere. În Barcelona zilelor noastre, Samuel trăiește o poveste de dragoste cu Gabriela, dar locuiește în apartamentul lui de burlac împreună cu motanul Mishima. În afara cursurilor de germană pe care le predă la universitate, îl ajută ocazional pe Titus, originalul său vecin, la redactarea unor cărți de dezvoltare personală. Într-o dimineață de iunie, primește din Japonia o vedere enigmatică pe care scrie doar: Wabi-Sabi. La îndemnul lui Titus, după ce Gabriela îi anunță sfârșitul legăturii lor, Samuel pleacă într-o călătorie la Kyōto, sperând să dezlege misterul. „Un roman incitant despre frumusețea fragilității.” (TimeOut Barcelona) The elders chose Elli to be queen, but they chose wrong in this beautifully crafted novel that “fans of Rae

Carson's books and Victoria Aveyard's Red Queen will find much to love in" (VOYA). Sixteen-year-old Elli was a small child when the Elders of Kupari chose her to succeed the Valtia, the queen who wields infinitely powerful ice and fire magic. Since then, Elli has lived in the temple, surrounded by luxury and tutored by priests, as she prepares for the day when the Valtia perishes and the magic finds a new home in her. Elli is destined to be the most powerful Valtia to ever rule. But when the queen dies defending the kingdom from invading warriors, the magic doesn't enter Elli. It's nowhere to be found. Disgraced, Elli flees to the outlands, the home of banished criminals—some who would love to see the temple burn with all its priests inside. As she finds her footing in this new world, Elli uncovers devastating new information about the Kupari magic, those who wield it, and the prophecy that foretold her destiny. Torn between the love she has for her people and her growing loyalty to the banished, Elli struggles to understand the true role she was meant to play. But as war looms, she must align with the right side—before the kingdom and its magic are completely destroyed. In this laugh-out-loud book that begs readers to break the rules, silliness and hilarity reign supreme! Perfect for fans of The Book with No Pictures. Wait--are you reading this book? Even though the cover asked you not to? Well, if you're going to read it, then you'll have to follow the rules, or you're going to have WAY too much fun. And you don't want to have FUN, do you? DO YOU?! That's what I thought. So definitely, positively, DO NOT read this book! Join along for zany antics, silly sounds, and endless fun in this breaks-the-fourth-wall book that will have readers coming back time and time again--regardless of what the title says. Praise for Please Don't Read This Book: "Inviting of energetic engagement and laughter." --Kirkus Reviews "A brilliant job of engaging even the most reluctant reader, showing how much fun a book can be." --New York Journal of Books "'Please Don't Read This Book!' is hard to resist — and that's clearly the plan." --The Virginian-Pilot Six captivating

offsite.creighton.edu

stories: the supernaturally tinged narrative of Bluebeard and his many wives; the entertaining tale of Puss in Boots, Cinderella, The Fairies, Ricky of the Tuft, and the enchanting title story Perfect for fans of Nick and Norah's Infinite Playlist and The Statistical Probability of Love at First Sight, The Improbable Theory of Ana and Zak is Stonewall Award-winning author Brian Katcher's hilarious he said/she said romance about two teens discovering themselves on an out-of-this-world accidental first date at a sci-fi convention. When Ana Watson's brother ditches a high school trip to run wild at Washingcon, type-A Ana knows that she must find him or risk her last shot at freedom from her extra-controlling parents. In her desperation, she's forced to enlist the last person she'd ever want to spend time with—slacker Zak Duquette—to help find her brother before morning comes. But over the course of the night, while being chased by hordes of costumed Vikings and zombies, Ana and Zak begin to open up to each other. Soon, what starts as the most insane nerdfighter manhunt transforms into so much more. . . . A confessional, uplifting memoir from the beloved YouTube personality. It's not where you begin that matters. It's where you end up. Twenty-three year old Joey Graceffa has captured the hearts of millions of teens and young adults through his playful, sweet, and inspirational YouTube presence (not to mention his sparkling eyes and perfect hair). Yet, Joey wasn't always comfortable in his skin, and in this candid memoir, he thoughtfully looks back on his journey from pain to pride, self-doubt to self-acceptance. To his fans, Joey is that best friend who always captures the brighter side of life but also isn't afraid to get real. In the pages of his first book, he opens up about his years of struggling with family hardships and troubles at school, with cruel bullying and the sting of rejection. He tells of first loves and losses, embarrassing moments and surprising discoveries, loneliness, laughter, and life-changing forks in the road, showing us the incalculable value of finally finding and following your true passion in this world. Funny, warm-

offsite.creighton.edu

hearted, and inspiring, Joey Graceffa's story is a welcome reminder that it's not where you begin that matters, but where you end up. Matilda Goodman is an underemployed wedding photographer grappling with her failure to live as an artist and the very bad lie she has told her boyfriend (that she has a dead twin). Harry, her (totally alive) brother, is an untenured professor of literature, anxiously contemplating his dead-end career and sleeping with a student. When Matilda invited her boyfriend home for Thanksgiving to meet the family, she falls down a slippery slope of shame, scandal, and drunken hot tub revelations forcing both siblings to examine who they really are and who they want to be. Told entirely in hilarious email exchanges, this is a wonderfully subversive, sensitive novel of romantic entanglement and misguided ambition.

The first novel in Colleen Oakes's epic, imaginative and twisted series, perfect for fans of *Dorothy Must Die* and *Heartless*, tackles the origin of one of the most infamous villains—the Queen of Hearts. This is not the story of the Wonderland we know. Alice has not fallen down a rabbit hole. This is a Wonderland where beneath each smile lies a secret, each tart comes with a demand, and only prisoners tell the truth. Dinah is the princess who will one day reign over Wonderland. She has not yet seen the dark depths of her kingdom; she longs only for her father's approval and a future with the boy she loves. But when a betrayal breaks her heart and threatens her throne, she is launched into Wonderland's dangerous political game. Dinah must stay one step ahead of her cunning enemies or she'll lose not just the crown but her head. Don't miss *Blood of Wonderland*, the must-read sequel to Dinah's story!

Carrie meets *American Horror Story* meets *The Shining* in this terrifying YA horror novel from the author of *Tweak* and *Schizo*. Something's not right in Beach Haven. Jen Noonan's father thinks a move to Harmony House is the key to salvation, but to everyone who has lived there before, it is a portal to pure horror. After her alcoholic mother's death, Jen's father cracked. He dragged Jen to a dilapidated old manor on the

offsite.creighton.edu

shore of New Jersey to start their new lives—but Jen can tell that the place has an unhappy history. She can feel it the same way she can feel her anger flowing out of her, affecting the world in strange ways she can't explain. But Harmony House is more than just a creepy old estate. It's got a chilling past—and the more Jen discovers its secrets, the more the house awakens. Visions of a strange boy who lived in the house long ago follow Jen wherever she goes, and her father's already-fragile sanity disintegrates before her eyes. As the forces in the house join together to terrorize Jen, she must find a way to escape the past she didn't know was haunting her—and the mysterious and terrible power she didn't realize she had. Offers advice for women of all ages on topics such as how to remove stains, escape a swarm of bees, make a little black dress out of a garbage bag, forecast the weather, and seduce a man. Now well into her apprenticeship with magician Emery Thane, twenty-year-old Ceony Twill is continuing to discover the joy of paper magic. She adores bringing her spells to life in surprising ways, from learning the power of distortion to creating a beloved paper dog. And she secretly hopes that the romance she foresaw blossoming between her and the peculiar yet strikingly handsome Emery finally becomes real. A fifteen-year-old boy is walking through a swirling fog on his way to school when a voice calls out, "Come here. We need to talk." Out of the mist emerges an old man with a white beard. He is a fantastic figure, as wizardly as Merlin, as wise as Socrates, as peaceful as Buddha. Whoever he is, the old man has appeared on that very day to change the boy's life. "You are old enough to learn about things," he says mysteriously. "And who is going to teach you but me?" The old man gives the boy four days of "soul training," a time of riddles, tricks, parables, and incredible twists that brings out surprising answers to each of four burning questions about spirituality: Do I have a soul? How do wishes come true? What is the supreme force in the universe? How can I change the world? "The old man with the white beard showed me the spiritual side of

life," writes Deepak Chopra, "where real passion and excitement come from. So before you begin, take a deep breath. This story could turn out to be yours." Kyle Hamilton is the quintessential bad boy, but Val Jensen is not your typical good girl. When Val gets dumped for her decision to stay a virgin until marriage, the nasty breakup goes viral on YouTube, making her the latest internet sensation. After days of ridicule from her peers, Val starts a school-wide campaign to rally support for her cause. She meant to make a statement, but she never dreamed the entire nation would get caught up in the controversy. As if becoming nationally recognized as "Virgin Val" isn't enough, Val's already hectic life starts to spin wildly out of control when bad boy Kyle Hamilton, lead singer for the hit rock band Tralse, decides to take her abstinence as a personal challenge. How can a girl stay true to herself when this year's Sexiest Man Alive is doing everything in his power to win her over? Find happiness by living fully in the present with this definitive guide to ichigo ichie--the Japanese art of making the most of every moment--from the bestselling authors of Ikigai and The Four-Way Path. Every moment in our life happens only once, and if we let it slip away, we lose it forever--an idea captured by the Japanese phrase ichigo ichie (pronounced itchy-GO itchy-A). Often spoken in Japan when greeting someone or saying goodbye, to convey that the encounter is unique and special, it is a tenet of Zen Buddhism and is attributed to a sixteenth-century master of the Japanese tea ceremony, or "ceremony of attention," whose intricate rituals compel us to focus on the present moment. From this age-old concept comes a new kind of mindfulness. In *The Book of Ichigo Ichie*, you will learn to... appreciate the beauty of the fleeting, the way the Japanese celebrate the cherry blossoms for two weeks every April, knowing they'll have to wait a whole year to see them again; use all five senses to anchor yourself in the present, helping you to let go of fear, sadness, anger, and other negative emotions fueled by fixating on the past or the future; be alert to the magic of

offsite.creighton.edu

coincidences, which help us find meaning among the disconnected events of our lives; use ichigo ichie to help you discover your ikigai, or life's purpose--because it's only by learning to be present, to be tuned into what catches your attention and excites you in the moment, that you can identify what it is that most motivates you and brings you happiness. Every one of us contains a key that can open the door to attention, harmony with others, and love of life. And that key is ichigo ichie. A PENGUIN LIFE TITLE A poignant and powerful coming of age story perfect for fans of Wonder and The Thing about Jellyfish You've never met anyone exactly like twelve-year-old Sarah Nelson. While most of her friends obsess over Harry Potter, she spends her time writing letters to Atticus Finch. She collects trouble words in her diary. Her best friend is a plant. And she's never known her mother, who left when Sarah was two. Since then, Sarah and her dad have moved from one small Texas town to another, and not one has felt like home. Everything changes when Sarah launches an investigation into her family's Big Secret. She makes unexpected new friends and has her first real crush, and instead of a "typical boring Sarah Nelson summer," this one might just turn out to be extraordinary. In the vein of The Boy in the Striped Pajamas and Number the Stars, this fusion of fairy tales, folklore, and World War II history eloquently illustrates the power of love and the inherent will to survive even in the darkest of times. In the land of dolls, there is magic. In the land of humans, there is war. Everywhere there is pain. But together there is hope. Karolina is a living doll whose king and queen have been overthrown. But when a strange wind spirits her away from the Land of the Dolls, she finds herself in Kraków, Poland, in the company of the Dollmaker, a man with an unusual power and a marked past. The Dollmaker has learned to keep to himself, but Karolina's courageous and compassionate manner lead him to smile and to even befriend a violin-playing father and his daughter—that is, once the Dollmaker gets over the shock of realizing a doll is speaking to him. But

offsite.creighton.edu

their newfound happiness is dashed when Nazi soldiers descend upon Poland. Karolina and the Dollmaker quickly realize that their Jewish friends are in grave danger, and they are determined to help save them, no matter what the risks. Mysterious, charismatic, and one of a kind—the only way to find Amanda is to think like Amanda. When enigmatic freshman Amanda Valentino arrived at Endeavor High, she chose three people—Callie, Hal, and Nia—to guide her through the choppy waters of her new school. Except she didn't tell them about each other. When Amanda leaves, the three must reluctantly work together to figure out why. But once they start piecing together the cryptic clues that Amanda herself is leaving for them, they realize that everything they thought they knew about her is false. The more they dig, the mystery of where—and who—Amanda is deepens. One night changes everything for both of them... At age twenty-five, Evianna Halle has a master's degree and a broken heart. In an effort to move forward, she accepts a job as a live-in nanny for Nicholas Wilder, a recent widower with a young daughter. But when she meets Nick, her young and kind-hearted employer, she realizes that maybe the universe brought them together at just the right time for a reason, even if it's unconventional. Day by day, they learn to heal as one. Nick and Evi discover that perhaps friendship (and eventually love) can overcome heartbreak of the worst kind, even if that means abandoning the life they thought they'd live and embracing a new, unknown future. And Then You is an emotional contemporary romance about unexpected love and finding your way again when you thought everything good in your life was gone forever. Finny Short just can't seem to relate to her family, and, when she is sent to a bizarre boarding school, she must contend with a seductive New York heiress, an unpredictable dorm mother and a narcoleptic piano teacher, in a coming-of-age novel that spans 20 years and explores loyalty among family and friends. A first novel. Original. A feel-good novel for fans of A Man Called Ove and The Rosie Project, about

offsite.creighton.edu

an eccentric, language-loving bachelor and the cat that opens his eyes to life's little pleasures The Silver Linings Playbook author Matthew Quick: "A delightfully absurd, life-affirming celebration. I literally stood up and cheered as I read the last page." When Samuel, a lonely linguistics lecturer, wakes up on New Year's Day, he is convinced that the year ahead will bring nothing more than passive verbs and un-italicized moments—until an unexpected visitor slips into his Barcelona apartment and refuses to leave. The appearance of Mishima, a stray, brindle-furred cat, becomes the catalyst that leads Samuel from the comforts of his favorite books, foreign films, and classical music to places he's never been (next door) and to people he might never have met (a neighbor with whom he's never exchanged a word). Even better, the Catalan cat leads him back to the mysterious Gabriela, whom he thought he'd lost long before, and shows him, in this international bestseller for fans of *The Rosie Project*, *The Solitude of Prime Numbers*, and *A Man Called Ove*, that sometimes love is hiding in the smallest characters. Laney Morales's dream of playing soccer in Mazatlan, Mexico soon turns into a nightmare, as she discovers that the spine-chilling legends of old may actually be modern mysteries. Friendless and frightened, Laney must endure the eerie cries in the night alone. Why does no one else seem to hear or see the weeping woman in the long white dress? Laney must stop the dreadful visits, even if it means confessing her poor choices and coming face to face with *La Llorona*. Isaac's *Laugh* is a moving story about enjoying life even when circumstances are difficult Guided Reading Level: P, Lexile Level: 710L Weaving together personal stories, history, and analysis, *Same Family, Different Colors* explores the myriad ways skin-color politics affect family dynamics in the United States. Colorism and color bias—the preference for or presumed superiority of people based on the color of their skin—is a pervasive and damaging but rarely openly discussed phenomenon. In this unprecedented book, Lori L. Tharps explores the issue in African American,

offsite.creighton.edu

Latino, Asian American, and mixed-race families and communities by weaving together personal stories, history, and analysis. The result is a compelling portrait of the myriad ways skin-color politics affect family dynamics in the United States. Tharps, the mother of three mixed-race children with three distinct skin colors, uses her own family as a starting point to investigate how skin-color difference is dealt with. Her journey takes her across the country and into the lives of dozens of diverse individuals, all of whom have grappled with skin-color politics and speak candidly about experiences that sometimes scarred them. From a Latina woman who was told she couldn't be in her best friend's wedding photos because her dark skin would "spoil" the pictures, to a light-skinned African American man who spent his entire childhood "trying to be Black," Tharps illuminates the complex and multifaceted ways that colorism affects our self-esteem and shapes our lives and relationships. Along with intimate and revealing stories, Tharps adds a historical overview and a contemporary cultural critique to contextualize how various communities and individuals navigate skin-color politics. Groundbreaking and urgent, *Same Family, Different Colors* is a solution-seeking journey to the heart of identity politics, so that this more subtle "cousin to racism," in the author's words, will be exposed and confronted. "Fans of Menon's frothy, contemporary rom-coms will be excited for this venture into new territory." —Booklist "[A] dreamy, sassy confection of a romance...Funny, extravagant, and satisfying." —Shelf Awareness From the New York Times bestselling author of *When Dimple Met Rishi* comes the first novel in a brand-new series set at an elite boarding school that's a contemporary spin on *Beauty and the Beast*. Will the princess save the beast? For Princess Jaya Rao, nothing is more important than family. When the loathsome Emerson clan steps up their centuries-old feud to target Jaya's little sister, nothing will keep Jaya from exacting her revenge. Then Jaya finds out she'll be attending the same elite boarding school as Grey

offsite.creighton.edu

Emerson, and it feels like the opportunity of a lifetime. She knows what she must do: Make Grey fall in love with her and break his heart. But much to Jaya's annoyance, Grey's brooding demeanor and lupine blue eyes have drawn her in. There's simply no way she and her sworn enemy could find their fairy-tale ending...right? His Lordship Grey Emerson is a misanthrope. Thanks to an ancient curse by a Rao matriarch, Grey knows he's doomed once he turns eighteen. Sequestered away in the mountains at St. Rosetta's International Academy, he's lived an isolated existence—until Jaya Rao bursts into his life, but he can't shake the feeling that she's hiding something. Something that might just have to do with the rose-shaped ruby pendant around her neck... As the stars conspire to keep them apart, Jaya and Grey grapple with questions of love, loyalty, and whether it's possible to write your own happy ending. Veronica is top of her class - and somehow she's found herself gazing in disbelief at a positive pregnancy test. Even worse, her ex-best friend and the high school's legendary malcontent, Bailey, is the only one there to help. In this warm and darkly funny road trip story, Veronica and Bailey drive a thousand miles to an out-of-state abortion clinic - rediscovering their friendship in the process. Elia se acaba de despertar de un coma y está un poco perdida. Lo último que recuerda es un concierto y una frase: "No puedo devolverte la canción, pero puedo mostrarte cómo danzan los peces". Ahora que sus padres le han comprado un Smartphone, Elia por fin tiene acceso al Heartbits (un programa en la línea del WhatsApp) y los lectores somos testigos de todas sus conversaciones. Con la ayuda de su mejor amiga, Sue, Elia intentará recuperar los tres días que ha olvidado y, mientras tanto, conocerá a Tommy, un estadounidense que viene de intercambio a España; a Marion, una chica con media cara quemada que asiste a su terapia de grupo, y a Phoenix, un desconocido al que le encantan los aforismos. One day, Colour Monster wakes up feeling very confused. His emotions are all over the place; he feels angry, happy, calm, sad and scared all at

once! To help him, a little girl shows him what each feeling means through colour. A gentle exploration of feelings for young and old alike. We all want a good life, to have fun, to be safe, happy and fulfilled. For this to happen, we need to look after each other and stand up for the basic human rights that we often take for granted. This book features 16 different freedoms, each accompanied by beautiful illustrations. It shows why our human rights are so important - they help to keep us safe. Every day. Featuring a stunning cover and full-colour artwork. Remo acaba de cruzarse con Carol en el aeropuerto. ¿Lo bueno? Han conectado. ¿Lo malo? Remo va de camino a Los Ángeles para tomarse un año sabático mientras que Carol viaja a Japón para vivir con su padre. ¿Qué puede pasar entre dos desconocidos que están en la otra punta del mundo? ¿Qué pueden saber el uno del otro por las fotos que cuelgan en HeartPic o las entradas que escriben en BlogBits? ¿Y por qué cada vez que reciben un mensaje en HeartBits su corazón parece dejar de latir? Blood and victory. There is no other way. The “fresh and fascinating magical world” (School Library Journal) of The Imposter Queen expands in this companion novel that answers the question: who is the real queen of the Kupari? Ansa has always been a fighter. As a child, she fought the invaders who murdered her parents and snatched her as a raid prize. She fought for her place next to Thyra, the daughter of the Krigere Chieftain. She fought for her status as a warrior in her tribe: blood and victory are her way of life. But the day the Krigere cross the great lake and threaten the witch queen of the Kupari, everything changes. Cursed by the queen with fire and ice, Ansa is forced to fight against an invisible enemy—the dark magic that has embedded itself deep in her bones. The more she tries to hide it, the more dangerous it becomes. And with the Krigere numbers decimated and the tribe under threat from the traitorous brother of the dead Chieftain, Ansa is torn between her loyalty to the Krigere, her love for Thyra, and her own survival instincts. With her world in chaos and each

side wanting to claim her for their own, only one thing is certain: unless Ansa can control the terrible magic inside her, everything she's fought for will be destroyed.
