**Differentiated Supervision** Ann Mausbach, Kim Morrison, 2022-08-02 Strategic observation practices to drive coherence and results Supervision is often dreaded by teachers and principals alike because it can be disconnected from the context of the actual classroom and school But when a culture of supervision is created by differentiating which practices have the greatest impact in the context of the work educators are doing at the building and individual level then supervision is about examining practice working together to solve problems and constantly improving Differentiated Supervision shows you how to develop a laser like focus on improving an entire system while simultaneously addressing the individual needs of a diverse teaching staff It lifts supervision out of isolation and presents a comprehensive model that provides a coherent method for creating a culture of supervision for supporting individuals small groups and the whole school in implementing high leverage strategies that improve student learning Readers will find A clear framework for knowing what supervision practices to use when and for what purpose Useful templates and protocols for different supervision practices on a companion website Helpful examples and vignettes from the field to show how to differentiate supervision for teachers A unique focus on student learning at the center Supervision is more than a series of steps that leads to final evaluation its changing the culture and achievement in your school from just thinking about it as appraisal but a powerful mechanism for growth

**Managing the Incompetent Teacher** Edwin M. Bridges, 1990 Featuring the same practical guidelines for ridding schools of incompetent teachers as the 1984 edition this new edition incorporates substantially revised material on three topics criteria and information sources for evaluating teaching effectiveness remediation procedures and grounds for dismissal The book presents an eight step systematic organizational approach to resolving several interrelated problems 1 the legal barriers to dismissing tenured teachers for classroom incompetence 2 the technical problems of evaluating teacher effectiveness and 3 the human obstacles chiefly supervisors unwillingness to discharge teacher evaluation remediation and dismissal responsibilities The eight steps are 1 establishing teaching excellence as a high district priority 2 adopting and publishing reasonable teacher evaluation criteria 3 adopting sound procedures for determining whether teachers satisfy these criteria 4 providing unsatisfactory teachers with remediation and a reasonable time to improve 5 ensuring that appraisers have the requisite competencies 6 providing appraisers with necessary resources 7 holding appraisers accountable for evaluating and dealing with incompetent teachers and 8 providing incompetent teachers with a fair hearing prior to making the dismissal decision The final chapter recommends strategies for creating environmental conditions conducive to success A commitment to ongoing leadership is essential An appendix contains the District Evaluation Practices Inventory designed to be used in conjunction with this handbook 143 references MLH

**Teach Like a Disciple** Jillian N. Lederhouse, 2016-11-11 Although much has been written about P 12 teaching from a biblical perspective this study focuses on Christ s relationships with a diverse group of individuals wealthy and poor women and men unschooled and well educated loud and quiet influential and powerless those whom Jesus knew well and those who were strangers to him those of his own faith and culture as well as those outside of it These individuals are remarkably similar to the students we teach in our public and private school classrooms today Each interaction between Jesus and an individual focuses on what we can learn from the student and Jesus as well as what we as teachers can apply in our profession As in our own practice some students learned their lessons well others failed For some we are uncertain when or if they achieved Jesus objective for them Whether we are novices or experienced educators we can learn through these instructive relationships how to be teachers who follow Jesus example in seeing our students potential holistically caring for them and ultimately having a positive impact on their lives Through exploring these biblical relationships we can gain a better understanding of how to teach like Christ s disciple

*Threading the Evaluation Needle* Todd A. DeMitchell, Mark A. Paige, 2019-12-10 Teachers stand at the intersection of educational goals directing students down the road to success or to the byways of diminished opportunities They are the most important school variable effecting student achievement Consequently placing and retaining only qualified and effective teachers in our nation s classrooms is a critical responsibility of school leaders Effective supervision and evaluation requires that the school leader possess the knowledge of effective instruction exhibit skills in documentation of professional conduct and embrace a professional approach with the will to place and keep students at the center of school policy and practice decisions Supervising and evaluating teachers is a difficult but essential work Research shows that time and expertise are necessary to effectively supervise and to build a case for adverse employment decisions when necessary *Threading the Evaluation Needle The Documentation of Teacher Unprofessional Conduct* addresses the legal and professional knowledge that structures discipline and dismissal in the public schools The authors based on their educational legal and research experience provide templates for various types of documentation necessary to effectively build a case for discipline This book seeks to give principals the tools and knowledge to institute in good faith a fair and accurate documentation system

**Effective Supervision** Robert J. Marzano,Tony Frontier,David Livingston,2011-05-05 In Effective Supervision Robert J Marzano Tony Frontier and David Livingston show school and district level administrators how to set the priorities and support the practices that will help all teachers become expert teachers Their five part framework is based on what research tells us about how expertise develops When these five conditions are attended to in a systematic way teachers do improve their skills A well articulated knowledge base for teaching Opportunities for teachers to practice specific strategies or behaviors and to receive feedback Opportunities for teachers to observe and discuss expertise Clear criteria for success and help constructing professional growth and development plans Recognition of the different stages of development progressing toward expertise The focus is on developing a collegial atmosphere in which teachers can freely share effective practices with each other observe one another s classrooms and receive focused feedback on their teaching strategies The constructive dynamics of this approach always keep in sight the aim of enhancing students well being and achievement As the authors note The ultimate criterion for expert performance in the classroom is student achievement Anything else misses the point
