Laugh-out-loud, fresh teen comedy with an on-trend witchy spin - Sabrina the Teenage Witch for a new generation! Morgan Charmley has spent her entire thirteen years on the planet attempting to prove she has control over her witch powers so that she's allowed to attend a normal school. And the day has finally arrived! But will she be able to make friends and fit in with non-magical teenagers? Can she resist using her powers to make herself popular or turn her teachers into toads? Can she keep her spells a secret? Perfect for fans of Louise Rennison, Zoella and Holly Bourne Christopher Penczak, author of the award-winning Temple of Witchcraft series and the Three Rays of Witchcraft, takes readers on a journey into the green world of plant spirits. Learn

about the alchemical, magickal, and homeopathic uses of plants and experience the transformative power plant spirits have to offer us for health, wisdom, and spiritual growth. In the hundreds of confessions relating to witchcraft and sorcery trials from early modern Britain we frequently find detailed descriptions of intimate working relationships between popular magical practitioners and familiar spirits of either human or animal form. Until recently historians often dismissed these descriptions as elaborate fictions created by judicial interrogators eager to find evidence of stereotypical pacts with the Devil. Although this paradigm is now routinely questioned, and most historians acknowledge that there was a folkloric component to familiar lore in the period, these beliefs and the experiences reportedly associated with them, remain substantially unexamined. *Cunning-Folk and Familiar Spirits* examines the folkloric roots of familiar lore from historical, anthropological and comparative religious perspectives. It argues that beliefs about witches' familiars were rooted in beliefs surrounding the use of fairy familiars by beneficent magical practitioners or 'cunning

folk', and corroborates this through a comparative analysis of familiar beliefs found in traditional native American and Siberian shamanism. The author explores the experiential dimension of familiar lore by drawing parallels between early modern familiar encounters and visionary mysticism as it appears in both tribal shamanism and medieval European contemplative traditions. These perspectives challenge the reductionist view of popular magic in early modern British often presented by historians.

A powerful witch, Piotr Russell has resigned himself to loneliness, because ordinary humans can

Secrets of the Witch is an essential guide to sorcery, or grimoire for the young witch. Discover the rich and troubled history, learn to read the symbols of witchcraft, reveal the magic of crystals and become familiar with the spellbinding lore of the witch. Witches have always been drawn to the power of animal familiars for use in magical ritual as well as for companionship and inspiration. In this easy guide, discover how you can perform magic that invokes animal spirits as well as ritual that includes your pets and local wildlife. This book is suitable for the absolute beginner to witchcraft who has ever

felt a connection to mother nature's beasts. Magic and meows meet in the first enchanting Witch's Cat mystery! Unlucky-in-love artist Annabelle Britton decides that a visit to the seaside town of Portsmouth, New Hampshire, is the perfect way to get over her problems. But when she stumbles upon a smoky gray cat named Alastair, and follows him into a charming cottage, Annabelle finds herself in a whole spellbook full of trouble. Suddenly saddled with a witch's wand and a furry familiar, Annabelle soon meets a friendly group of women who use their spells, charms, and potions to keep the people of Portsmouth safe. But despite their gifts, the witches can't prevent every wicked deed in town.... Soon, the mystery surrounding Alistair's former owner, who died under unusual circumstances, grows when another local turns up dead. Armed with magic, friends, and the charmed cat who adopted her more than the other way around, Annabelle sets out to paw through the evidence and uncover a killer. This book shows how to access the spiritual powers of familiars--real or imagined animals--for personal enrichment. Whether one collects glass animals, dreams about snakes, or "talks" with an animal already, ANIMAL

MAGICK shows how to further develop this connection for startling magickal results. Starting in the 15th century, a fear of witchcraft and alternative practices grew into a hysteria. Because witches were suspected to be devil worshippers, they were considered heretics to the Christian church. Consequently, the Christians launched a crusade against these women and men. Matthew Hopkins was not only among the greatest supporters of this crusade, but also one of the most active participants. In just over a year, Matthew Hopkins, a self-proclaimed "Witchfinder General", killed over one hundred people. While the witch hunt hysteria infected much of the 17th century society in England, there were still those who opposed the accusations and discrimination against witches. After being criticized for his work, Hopkins decided to publish a guide to witch hunting, including methods to discover a witch, how to torture them into a confession, and how to prosecute them. Along with outlines of torture methods, such as sleep deprivation and forced physical activity, *The Discovery of Witches* also addressed the questions and concerns raised by those who did not support Hopkins. Under the guise of being a man of

God, Hopkins claimed to have been sent on a divine mission to manipulate other religious groups into joining his cause. As Hopkin's practices brought him lucrative success, he rose to a short-lived power, but his published doctrine spread his influence for years after his death. The Discovery of Witches by Matthew Hopkins is a short text of immeasurable insight. Though now recognized as zealot propaganda, The Discovery of Witches depicts a chilling perspective of a heinous time in history, including the concerns of those who opposed it. While Hopkin's work immortalizes a fascinating yet repulsive historical movement, it also invites readers to reflect on the ways the spirit of his manipulation is still present in modern society. This edition of The Discovery of Witches by Matthew Hopkins features an eye-catching cover design and is printed in an easy-to-read font, making it both readable and modern. Discover the real sources of many of the traditions, beliefs, and techniques of modern Witchcraft! And what author Raven Grimassi reveals in Hereditary Witchcraft is the documented ancient roots of the Old Religion. One-by-one, Grimassi goes through the tenets of Witchcraft and shows their

ancient sources. The association of the pentagram with Witchcraft goes back at least 2,500 years. The idea of the four elements goes back to a philosopher named Empedocles of Sicily in around 475 B.C.E. The practice of many covens today of having a Priestess, Priest, and Maiden can be traced back over 2,000 years to ancient Pompeii. This book is filled with history, myth, and folklore. But it is also filled with rituals and techniques that you can do. On these pages you will learn how to prepare and banish a magic circle. You'll learn rituals you can do by yourself, including those for the Solstices, Diana's Day, and Cornucopia. With this information you can become a follower of the Old Ways! Of course, one of the most famous aspects of Witchcraft is magick. Grimassi doesn't disappoint here, either. You'll learn runic magick and divination; you'll learn about doing magick with the Moon and stars; you'll learn secret symbols and the powers of herbs. If you are a Witch--or you're thinking about becoming a Witch--this is one of the most important books you could possibly have. You'll find the documentation to support the antiquity of your beliefs and the way Witchcraft is practiced today. This book is both a guide

for everyday life and a resource to discover Wiccan origins. If you don't have a copy of this book, get one today. You'll use it for the rest of your life. A revised and expanded edition of the first text in the Folk Witchcraft series. Complete with practical exercises, descriptions of craft theories and models, and a beginner's working grimoire, Folk Witchcraft provides the student witch with a concise, yet thorough introduction to the old craft that is firmly rooted in the past and adapted for the present. Experienced witches will deepen and enrich their practices by connecting more fully to traditional magics from hundreds of years in the past. With over 50 rituals, charms, and exercises, Folk Witchcraft offers a refreshingly simple approach to the craft that is non-dogmatic, flexible, and rewarding as a regular spiritual practice. A comprehensive exploration of familiars and their many forms and powers • Explores witch's familiars in folklore, shamanic, and magical traditions around the world, including Africa, India, Scandinavia, ancient Greece, and China • Explains how familiars are related to shamanic power animals and how the witch draws on her personal sexual

energy to give this creature its power • Examines the familiar in alchemical, Hermetic, and Egyptian magical literature, including instructions for procuring a supernatural assistant Exploring the history and creation of a "witch's familiar," also known as a spirit double or guardian spirit, Maja D'Aoust shows how there is much more to these supernatural servant spirits and guardians than meets the eye. She reveals how witches are not the only ones to lay claim to this magician's "assistant" and examines how the many forms of witch's familiars are well known in folklore throughout Europe and America as well as in shamanic and magical traditions around the world, including Africa, India, and China. The author explains how familiars are connected with shapeshifting and how the classic familiars of medieval witchcraft tradition are related to the power animals and allies of shamanic practices worldwide, including animal guardian spirits of Native American traditions and the daimons of the ancient Greeks and Romans. She examines the fetch spirit, also known as the fylgia in Scandinavian tradition, and how the witch or sorcerer draws on their personal sexual energy to give this creature its power to

magnetize and attract what it was sent to retrieve. She looks at incubus, succubus, doubles, doppelgangers, and soul mates, showing how familiars can also adopt human forms and sometimes form romantic or erotic attachments with the witch or shaman. Reviewing alchemical, Hermetic, and Egyptian magical literature, including the nearly forgotten alchemical works of Anna Kingsford, D'Aoust explores their instructions for procuring the attention of a supernatural assistant as well as an extensive description of the alchemical wedding and how this ritual joins the magician and familiar spirit into a single unified consciousness. Exploring fairy familiars, she reveals how a practitioner can establish a "marriage" with a totemic plant or tree spirit, who, in return, would offer teachings about its medicinal and visionary powers. Delving deeply into the intimate relations of humanity with the spirit world, D'Aoust shows how forming connections with living forces other than human enables us to move beyond the ego, expand our magical abilities, as well as evolve our conscious awareness. For centuries, familiars have assumed many forms- the heavenly lover of the shaman, the wise

imp of the witch, and the elemental companion of the theurgist. But the time-honored practice of summoning a magical assistant has been mostly forsaken due to the false perception that it is both difficult and dangerous. Now, renowned occultist Donald Tyson shares his revolutionary system for safely and successfully summoning, directing, and dismissing a familiar. Accessible to dedicated beginners, these techniques do not require expertise in formal ritual, astrology, or the Kabbalah. Revealed here for the first time is Tyson's unique system for generating spirit sigils based on a set of symbols called Power Glyphs. Familiars summoned by this method become valuable assistants who will do everything in their power to fulfill your goals. Defeat the Unknown Enemy in Your Home This book will help you gain insight, and if needed, deliverance from familiar spirits, which if even entertained can cause havoc.

'Deliverance from Witchcraft & Familiar Spirits' is an invaluable guide to witchcraft in all its forms, and what can be done to combat this very real evil. It is written by Reverend Anthony Kwadwo Boakye, of the Resurrection Power New Generation

Church in Accra, Ghana, and his expertise on the subject means that this book is vital for anyone who wants to know more about witchcraft, or who has been unfortunate enough to have personal experience of it themselves. The book gives a clear outline of what witchcraft is, as well as how it can enter homes and ruin lives. It includes testimonies of people who the author has met and who have experienced the horrors of witchcraft, including some who were under its dark influence and lived to tell their stories. The book gives practical examples of the symptoms of witchcraft, and the treatments which can be used to combat it, but is underpinned by strong Christian messages of morality and faith. 'Deliverance from Witchcraft & Familiar Spirits' is a must-read for any Christian, and for anyone who is interested in the Deliverance ministry or in the pain and suffering caused around the world by witchcraft in all its forms. Dive into the mystical world of witchcraft and familiars with "Witchcraft and Familiars: Partners in Power." This captivating book offers a comprehensive exploration of the profound bond between witches and their animal companions, known as familiars. Whether you're a seasoned

practitioner or a curious seeker, this guide will illuminate the secrets of harnessing the unique magic that arises from this timeless partnership.

Whether feathered, furred, or ethereal, your familiar awaits, ready to guide you on your path of spiritual growth and transformation. Whether you are seeking to bring animal magic into your practice or simply want to bond with a furry, finned, or feathered friend in more meaningful ways, this guide will expand your magical practice and amplify your power with the help of an animal familiar. MORE THAN JUST BLACK CATS . . . Discover your personal animal familiar and open yourself to a new way of working alongside the animal kingdom in your magical practice. More than simple elements to be added to spells, animals are allies who can teach any witch about energy, life force, and different kinds of consciousness. For centuries, witches have been linked with familiars such as black cats; however, the world of animal familiars is not limited to felines. Dogs, birds,

rodents, reptiles, and even the guppies in your aquarium can be your special companions and magical co-creators. And familiars are not just limited to the pets that we live with; animals in the wild can also enhance our magic and teach us valuable spiritual lessons. In this comprehensive book, you'll learn how to identify an animal familiar and invite them into your witchcraft practice. You'll find spells to attract, protect, and bond with your familiar. You'll learn magical ways to calm your familiar and even rituals to help your familiar transition at the end of life. You'll access ways to talk to your familiar and build psychic links to help you understand them. You'll discover ways to invite your familiar to participate in your magical rituals, to exchange spiritual energy with your familiar, and even learn how to shapeshift into animal form. In the mystical realm of witchcraft, one of the most potent and fascinating aspects is the bond between a witch and their familiar. Familiars, often portrayed as animal companions, are spiritual allies that assist witches in their magical endeavors. This book delves into the depths of this unique connection, shedding light on the power and importance of familiars in a

witch's journey. In the enchanting world of witchcraft, one of the most sought-after connections is that of a spiritual ally, also known as a familiar. For centuries, witches have relied on the guidance and support of these mystical beings to enhance their magical practices and deepen their spiritual journey. Familiars hold immense power and significance in a witch's life. They are not mere pets but are spiritual allies that enhance magical abilities, provide protection, and offer guidance. A witch's familiar is a sacred bond, a reflection of their inner self, and a companion on their spiritual path. Embracing the power of familiars paves the way for a deeper connection with the mystical realms and a more profound understanding of oneself as a witch. In this book, "Whispers of the Familiar: A Witch's Quest to Find their Spiritual Ally," we explore the profound impact these mystical beings can have on a witch's path, offering insights and guidance on how to find and nurture this extraordinary connection. Bringing together leading historians, anthropologists, and religionists, this volume examines the unbridled passions of witchcraft from the Middle Ages to the present. Witchcraft is an

intensely emotional crime, rooted in the belief that envy and spite can cause illness or even death. Witch-trials in turn are emotionally driven by the grief of alleged victims and by the fears of magistrates and demonologists. With examples ranging from Russia to New England, Germany to Cameroon, chapters cover the representation of emotional witches in demonology and art; the gendering of witchcraft as female envy or male rage; witchcraft as a form of bullying and witchcraft accusation as a form of therapy; love magic and demon-lovers; and the affective memorialization of the "Burning Times" among contemporary Pagan feminists. Wide-ranging and methodologically diverse, the book is appropriate for scholars of witchcraft, gender, and emotions; for graduate or undergraduate courses, and for the interested general reader. Belief in magic and particularly the power of witchcraft was once a deep and enduring presence in popular culture.

"Diving into Brian Hoggard's *Magical House Protection* is a remarkable experience...

[It] provides an immersive and fascinating read."—*Fortean Times* People created and concealed many objects to protect themselves from harmful magic. Detailed are the

principal forms of magical house protection in Britain and beyond from the fourteenth century to the present day. Witch-bottles, dried cats, horse skulls, written charms, protection marks and concealed shoes were all used widely as methods of repelling, diverting or trapping negative energies. Many of these practices and symbols can be found around the globe, demonstrating the universal nature of efforts by people to protect themselves from witchcraft. From the introduction: The most popular locations to conceal objects within buildings are usually at portals such as the hearth, the threshold and also voids or dead spaces. This suggests that people believed it was possible for dark forces to travel through the landscape and attack them in their homes. Whether these forces were emanations from a witch in the form of a spell, a witch's familiar pestering their property, an actual witch flying in spirit or a combination of all of those is difficult to tell. Additional sources of danger could be ghosts, fairies and demons. People went to great lengths to ensure their homes and property were protected, highlighting the fact that these beliefs and fears were visceral and, as far as they were concerned, literally

terrifying. The purr-fect reference on the mystery and mysticism of cats through the ages—from demons to deities, harbingers of bad luck to charmed companions. Enter into the mystical world of cats through this unique and comprehensive resource. In *Your Magickal Cat*, you'll learn how cats and paganism have been linked together throughout history, and how the cat has acquired the roles of witch's familiar, deity, omen, healer, shamanic totem, and dream symbol. Also covered are: astrology for cats and their humans, feline divination, hands-on spells, New Age healing techniques, a list of enchanting names for your familiar, dozens of cat-oriented proverbs, sources and resources, and much more. Cat lovers are sure to be charmed by the legends, lore, poetry, and illustrations within this loving, extensively researched book. "The research on the historical end was good . . . Get it if you need a quick reference to feline lore."—Pagan Book Reviews

This book, *How to Summon a Familiar Spirit for Witches and Magicians*, shows you step by step how to quickly and easily find or create a familiar spirit in easy to follow exercises and rituals. For thousands of years Witches and Magicians have had

familiar spirits to guide them in their life with Magick, love, money, health, psychic abilities, protection and many other things as well. At last there is a Book of Shadows to record your rituals and results you get from you familiar spirit. After thousands of years and endless searching everything you will want or need on how to have a familiar spirit is here in this book. Witches are dropping dead and their familiars are going missing. Rory Wiltz's familiar asks her to look into the matter but it's not long before the Witches' Council sends a letter of their own. Lucretia Crane, head of the Witches' Council, wants Rory and her familiar to come to her estate somewhere in New England. And she's not asking, she's demanding it. While Rory and Hunter and their familiars travel to New England to deal with the Witches' Council, Scott, Jess, and Luke decide to go on a mission of their own to solve the murders themselves. Witch politics are in full swing at the estate, and it doesn't help that the killer might just be one of their own. Will Rory and Hunter get out of the estate unscathed, or will they lose something irreplaceable? And will their friends come to the rescue in time? "The Witch's Companion: The Bond

"Between Witch and Familiar" is a comprehensive exploration of the mystical and enduring connection between witches and their familiars. This book delves into the historical origins of the witch-familiar relationship, examining how these bonds have been perceived and evolved over centuries. The narrative guides readers through various cultural interpretations and the roles familiars have played in witchcraft lore. It discusses the spiritual significance of the familiar as a guide, protector, and companion to the witch, offering insights into the deep emotional and magical ties that form between them. The book also provides practical advice for modern practitioners of witchcraft on how to find, connect with, and nurture a relationship with a familiar. It emphasizes the importance of mutual respect and the ethical considerations of working with spiritual entities. With a blend of folklore and modern witchcraft practices, "The Witch's Companion" is both an educational resource and a tribute to the powerful bond that can exist between a witch and their familiar. It's a must-read for anyone interested in the metaphysical aspects of witchcraft and the enriching companionship of familiars.

The End Is Nigh! "You can use Familiars as guardians during dream or astral work or to protect your home and property. This work shows how to obtain a familiar and work with one, and it also provides cautions and remedies for any problems that may occur in this magical partnership."-- Animals, Animality, and Literature offers readers a one-volume survey of the field of literary animal studies in both its theoretical and applied dimensions. Focusing on English literary history, with scrupulous attention to the interplay between English and foreign influences, this collection gathers together the work of nineteen internationally noted specialists in this growing discipline. Offering discussion of English literary works from Beowulf to Virginia Woolf and beyond, this book explores the ways human/animal difference has been historically activated within the literary context: in devotional works, in philosophical and zoological treatises, in plays and poems and novels, and more recently within emerging narrative genres such as cinema and animation. With an introductory overview of the historical development of animal studies and afterword looking to the field's future possibilities,

Animals, Animality, and Literature provides a wide-ranging survey of where this discipline currently stands. *Unfamiliar Familiars* is a comprehensive and humorous handbook to finding and caring for the unconventional animal companion. This guide will help you find the animal best suited to your personality and particular magical needs. Animals include a narwhal (strong in clairvoyance and fencing), an albatross (best for sea-faring witches), or an earthworm (for garden-based magic and fish summoning).

- Features real-world facts with a playful, magical spin
- Includes a helpful quiz for finding your own familiar
- Brimming with suggested names, strengths, weaknesses, and more

Forget the toads and black cats: Every witch is unique, so shouldn't you have a familiar as one-of-a-kind and extraordinary as yourself?

Unfamiliar Familiars is an entertaining and educational guide to a menagerie of magical, less-appreciated creatures that may just become your ideal partner in the arcane arts.

- Filled with quirky, charming watercolor illustrations
- Perfect for anyone who wants to find their own familiar, just as they love learning about their own horoscope, zodiac reading, or Pottermore

Patronus • Sure to delight animal lovers who have a sense of humor • You'll love this book if you love books like *Sad Animal Facts* by Brooke Barker; *Basic Witches: How to Summon Success, Banish Drama, and Raise Hell with Your Coven* by Jaya Saxena and Jess Zimmerman; and *The Wild Unknown Animal Spirit Deck and Guidebook* by Kim Krans. *Move Swiftly On Your Own Two Feet, for Baba Yaga You Must Meet Discover* ancient and modern Slavic magical practices through stories told by the legendary Baba Yaga herself. Learn about the magic of the sun, moon, and stars, as well as the magic of weather, animals, seasons, stones, food, beeswax, and more. Each chapter includes a piece of the fairy tale of Vasylyna, comments from Baba Yaga, and hands-on tips and techniques from author Madame Pamita. Explore magical activities alongside authentic folktales about the birth of the sun and the land of the blessed ones. Step into the enchanted world waiting within the pages of "A Witch and Her Familiar" and unlock the transformative power that lies in this timeless bond. This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the history and basics of Gnosticism, written by Wilhelm Bousset The so-called Hermetic writings have been known to Christian writers for many centuries. The early church Fathers (Justin Martyr, Tertullian, Clement of Alexandria) quote them in defense of Christianity. Stobaeus collected fragments of them. The Humanists knew and valued them. They were studied in the sixteenth and seventeenth centuries, and in modern times have again been diligently examined by many scholars. Contents: I. Poemandres, the Shepherd of Men II. To Asclepius III. The Sacred Sermon IV. The Cup or Monad V. Though Unmanifest God Is Most Manifest VI. In God Alone Is Good And Elsewhere Nowhere VII. The Greatest Ill Among Men is Ignorance of God

VIII. That No One of Existing Things doth
Perish, but Men in Error Speak of Their
Changes as Destructions and as Deaths IX. On
Thought and Sense X. The Key XI. Mind Unto
Hermes XII. About The Common Mind XIII. The
Secret Sermon on the Mountain "Assured and
alluring, this beautiful tale of women,
witchcraft and the fight against power is a
delight." —Jessie Burton, New York

Times–bestselling author In 1612 Lancaster,
England, the hunt for witches has reached a
fever pitch . . . But in a time of suspicion
and accusation, to be a woman may be the
greatest risk of all. Fleetwood
Shuttleworth, the mistress of Pendle Hill's
Gawthorpe Hall, is with child. Anxious to
produce an heir, she is distraught to find a
letter from her physician that warns her
husband she will not survive this pregnancy.
Devastated, Fleetwood wanders the estate
grounds, where she catches a young woman
poaching. Alice Gray claims she is a local
midwife and promises to help Fleetwood
deliver a healthy baby. But a witch-obsessed
frenzy sweeps the countryside. Even woodland
creatures or "familiars" are thought to be
dark companions of the unholy. And Alice
soon stands accused of witchcraft. Time is
running out. The witch trials are about to

begin. With both their lives at stake, Fleetwood must prove Alice's innocence. Only they know the truth. Set against the real Pendle witch trials, this compelling novel draws its characters from historical figures as it explores the lives of seventeenth-century women. Ultimately it raises the question: Was witch hunting really just women hunting? "A rich and atmospheric reimagining of a historical period rife with religious tensions, superstitions, misogyny and fear." —The New York Times Book Review "An intricate and sensitive portrayal of a brave, tenacious young girl carving her place in the world. A must-read novel." —Heather Morris, #1 New York

Times–bestselling author *The Animal Spirit* is an extension of the unconscious mind and will reveal its power to those who seek its help. By using the techniques in *The Once Unknown Familiar*, you will tap into the long-forgotten Northern and Western European heritage of the "Familiar Self" and invoke the untamed, transformative power of these magical beasts. PART OF THE 'YES YOU CAN' SERIES BY MARIA D' ANDREA, TO MAKE THE OCCULT MORE PRACTICAL, MEANINGFUL AND EASY TO UNDERSTAND AND UTILIZE. COVERS CATS! - DOGS! - HORSES! - WOLVES! - BIRDS! - SNAKES!

-- BUTTERFLIES! - DOLPHINS! -- EVERY CONCEIVABLE KIND OF ANIMAL . .PLUS INANIMATE OBJECTS (KNOWN AS TOTEMS) SUCH AS MOTORCYCLES, CLASSIC CARS, STONES AND LEGENDARY BEINGS LIKE ANGELS AND EVEN DRAGONS. Discover the importance familiars can play in your occult and witchcraft practices to bring about a world of positive benefits to the spells you cast and the rituals you plan to perform. The visualization of a witches' familiar brings forth images of black cats laying by a smoking cauldron and an aged crone taking to the air with her evil feline on the way to a Satanic mass. This misconceived concept is in part due to dishonest media bias and total ignorance of the subject and the personal use of familiars in the work of spiritual practitioners and shamans worldwide. Although familiars can be used in what people identify as the "left hand path," they seem to forget that familiars can also be used in helping with healing, assisting in relationships going well, and in obtaining prosperity. As the author indicates, "Nature is neutral. The person doing a spell is the individual responsible for its negative or positive influence." During the historical persecution of

witches, the "powers that be" fostered the idea that familiars were demons or evil elementals . That they fed on the blood of 'their' witch owner and acted as Satan's servants. Witches were said to utilize them as spies thanks to their shape shifting abilities. Cats, dogs, owls, toads, and mice all fell under suspicion. In reality, familiars actually teach witches how to enhance spells and dispensed advice. ** - This workbook and study guide will instruct the reader on what qualities familiars have in common. ** - What abilities a witch, occultist, alchemist or shaman can hope to gain by having a loyal familiar in their corner. ** --How to find your own individual familiar who is happy to work with you and can benefit you the most whether it is for business or personal reasons. Your personal familiar does not have to be any "ordinary" cat, dog, or canary. It can be a horse, an owl or - as bizarre as it sounds - a totem like a motorcycle or classic car. Yes indeed! Your favorite pet can be a real ally in the world of magick, witchcraft and the occult. In this volume European shaman and spiritual consultant, Maria D' Andrea will instruct you on how to use them to your utmost advantage.
