Nice Guys Finish Last Leo Durocher, Ed Linn, 2009-09-15 I believe in rules Sure I do If there weren't any rules how could you break them The history of baseball is rife with colorful characters But for sheer cantankerousness fighting moxie and will to win very few have come close to Leo the Lip Durocher Following a five decade career as a player and manager for baseball's most storied franchises Durocher teamed up with veteran sportswriter Ed Linn to tell the story of his life in the game The resulting book *Nice Guys Finish Last* is baseball at its best brimming with personality and full of all the fights and feuds triumphs and tricks that made Durocher such a success and an outsized celebrity Durocher began his career inauspiciously riding the bench for the powerhouse 1928 Yankees and hitting so poorly that Babe Ruth nicknamed him the All American Out But soon Durocher hit his stride traded to St Louis he found his headlong play and never say die attitude a perfect fit with the rambunctious Gashouse Gang Cardinals In 1939 he was named player manager of the Brooklyn Dodgers and almost instantly transformed the underachieving Bums into perennial contenders He went on to manage the New York Giants sharing the glory of one of the most famous moments in baseball history Bobby Thomson's shot heard round the world which won the Giants the 1951 pennant Durocher would later learn how it felt to be on the other side of such an unforgettable moment as his 1969 Cubs after holding first place for 105 days blew a seemingly insurmountable 8 1 2 game lead to the Miracle Mets All the while Durocher made as much noise off the field as on it His perpetual feuds with players owners and league officials not to mention his public associations with gamblers riffraff and Hollywood stars like George Raft and Lorraine Day kept his name in the headlines and spread his fame far beyond the confines of the diamond A no holds barred account of a singular figure *Nice Guys Finish Last* brings the personalities and play by play of baseball's greatest era to vivid life earning a place on every baseball fan's bookshelf

The Masculine in Relationship G. S. Youngblood,2019-10-13 Can Masculine power successfully co exist with the strong Feminine Yes In this book is a model of Masculine groundedness that you can manifest in your relationship with a strong and capable woman Such a woman doesn t settle for mediocre She needs you to consistently follow through on your word have purpose in life remain grounded in the face of her intense emotion make her feel safe and provide leadership in the relationship When that doesn t happen she may start to drift Things between

you will start to feel flat contentious or even toxic To you she will seem to nag and criticize more and have less interest in sex When she gets really angry you ll label it as crazy and blame her But in truth she s just expressing the pain of you not stepping up It is a relationship arc that is all too common Fighting or defending yourself doesn t resolve anything Withdrawing into work or your phone just makes it worse And contorting yourself to avoid conflict just kills her respect for you The answer is to develop and live from your Masculine core This book shows you how in an actionable three part framework Respond vs React Provide Structure and Create Safety This is not the old model based on control but a modern model based on clarity and leadership This is not a manual for Alpha Dogs nor a fuzzy spiritual guide Rather it is a clear set of principles that help you develop your Masculine leadership And it doesn t take anything away from Feminine power It is a blueprint for inspiring your woman s trust lust and devotion
