One Great Truth May 22 2022 Jonathan Falwell carries on the legacy of his father -- the internationally renowned founder of Thomas Road Baptist Church, Jerry Falwell -- by reminding believers of the single most important truth for their spiritual walk through life. Regardless of the trials and suffering Christians face, there remains one simple, underlying, foundational truth that enables them to have the strength to carry on and find purpose in their lives, no matter the situation. Everyone is searching for significance, trying to find ways to make a difference in the world while undergoing all sorts of tribulations that seem to bring

nothing but disappointment. There are innumerable plans for success and ways to overcome adversity, but people are quickly learning that all of these efforts prove futile. The real secret and one great truth in discovering meaning in life is for readers to keep their focus on Christ, and this is the principle that Jonathan Falwell teaches with affirmation and authority. Readers will learn how all of life's mysteries can be unraveled when everything they do centers on Christ. The Bible provides the hope readers need to forge ahead in the face of constant challenges and setbacks. With God, all things are possible, and only in Him can readers find the strength and ability they need to succeed in ways that truly matter.

Questioning Evangelism, Second Edition Sep 06 2023 You don't need to memorize evangelical formulas or answers. You just have to be willing to ask. There was something different about the way Jesus communicated with the lost: He didn't force answers upon people, He asked questions. So why don't we? Following Christ's lead, Randy Newman has been using a questioning style of evangelism for decades. In this provocative book, he provides practical insights to help Christians engage others in meaningful spiritual conversations. He challenges us to examine how we think about people, their questions, and our crucial message. This second edition includes a new preface reflecting on the popularity of this perennial best seller and what its success has taught Newman about the effectiveness of this extraordinary method. "Distilled out of over twenty years of personal evangelism, this book reflects both a deep grasp of biblical theology and a penetrating compassion for people--and finds a way forward in wise, probing questions. How very much like the Master Himself!" --D. A. Carson, Trinity Evangelical Divinity School "Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day." --Mitch Glaser, Chosen People Ministries

To Everyone an Answer Oct 15 2021 In a society fascinated by spirituality but committed to religious pluralism, the Christian worldview faces sophisticated and aggressive opposition. A prior commitment to diversity, with its requisite openness and relativistic outlook, has meant for skeptics, critics and even many Christians that

whatever Christianity is, it cannot be exclusively true or salvific. What is needed in this syncretistic era is an authoritative, comprehensive Christian response. Point by point, argument by argument, the Christian faith must be effectively presented and defended. To Everyone an Answer: A Case for the Christian Worldview offers such a response. Editors Francis J. Beckwith, William Lane Craig and J. P. Moreland have gathered together in this book essays covering all major aspects of apologetics, including: faith and reason arguments for God's existence the case for Jesus the problem of evil postmodernism religious pluralism and Christian exclusivism Preeminent in their respective fields, the contributors to this volume offer a solid case for the Christian worldview and a coherent defense of the Christian faith.

The Inquisitive Christ Jun 15 2024 In this inspiring book, learn to know Jesus more deeply by exploring twelve questions He uses to bring us closer to Him. There is an incredible truth about the nature of Christ: the Son of God is a curious God who asks. And His questions are life changing. The answer to your need for connection, to your spiritual doubt and restlessness, can be found by examining God's questions. Scripture reveals that Jesus asked over 300 questions to teach, engage, and invite us closer. Now, experience an intimate and transformative conversation with the Son of God by exploring twelve of the most powerful questions from the Gospels. Through Christ's questions, you'll be captivated by the truth of His love and desire to walk in union with you, His Kingdom preparations for you, and the relevance of His promises in your life. Let Jesus ask and He'll ignite your imagination, intellect, heart, and soul.

Arabic Christian Theology Dec 09 2023 Theology is not done in a vacuum. Our theology is affected by the culture in which we live, and our theology can have unexpected effects on the lives of Christians who live thousands of miles away. This point emerges clearly as we listen to seven Arabic evangelical theologians address issues that are of critical importance to Christians living as minorities in the Muslim world. North American readers may find that many of their assumptions are challenged as they see how respected Christian thinkers from a very

different context address issues of biblical interpretation, national and international politics, culture and gender.

The Unlikely Disciple Jan 10 2024 The hilarious and heartwarming, respectful and thought-provoking memoir of a college student's semester at Liberty University, the "Bible Boot Camp" for young evangelicals, that will inspire believers and nonbelievers alike. No drinking. No smoking. No cursing. No dancing. No R-rated movies. Kevin Roose wasn't used to rules like these. As a sophomore at Brown University, he spent his days fitting right in with Brown's free-spirited, ultra-liberal student body. But when Roose leaves his Ivy League confines to spend a semester at Liberty University, a conservative Baptist school in Lynchburg, Virginia, obedience is no longer optional. Liberty is the late Reverend Jerry Falwell's "Bible Boot Camp" for young evangelicals, his training ground for the next generation of America's Religious Right. Liberty's ten thousand undergraduates take courses like Evangelism 101 and follow a forty-six-page code of conduct that regulates every aspect of their social lives. Hoping to connect with his evangelical peers, Roose decides to enroll at Liberty as a new transfer student, chronicling his adventures in this daring report from the front lines of America's culture war. His journey takes him from an evangelical hip-hop concert to a spring break mission trip to Daytona Beach (where he learns to preach the gospel to partying coeds). He meets pastors' kids, closet doubters, Christian rebels, and conducts what would be the last print interview of Rev. Falwell's life.

Why Don't We Listen Better? Apr 01 2023 With a light touch and sensible techniques, Dr. Jim Petersen distills years of counseling and pastoral ministry into an informal volume loaded with practical tips, examples and techniques to practice. His book highlights our culture's courtroom-like communication that often puts people at odds with each other. Most people think they listen well but don't and folks walk away unheard, misunderstood and disconnected. Readers will chuckle in recognition at the tongue-in-cheek but spot-on "flat-brain" theory of emotions. It shows how and why we get upset and confused in tense situations and what to do about it. It lays the practical groundwork to better manage emotionally loaded situations. This book shows communication that works and is equally appropriate for professionals, such as pastors and therapists and for the general public. The ingenious Talker-Listener Card gives a taking-turn method to end arguing as we know it. It works for couples, business relationships, church listening programs, counselors, group discussions and the family dinner table listening game. Thirty listening techniques will help the reader immediately begin to turn enemies into friends, poor relationships into decent ones and good relationships into better ones. These accessible skills are being used in pastoral counseling classes, counseling offices, church staffs, professional offices, on dates, in corporate board rooms and at kitchen tables around the country .
