Fast Spectrum Reactors Mar 12 2024 This book is a complete update of the classic 1981 FAST BREEDER REACTORS textbook authored by Alan E. Waltar and Albert B. Reynolds, which , along with the Russian translation, served as a major reference book for fast reactors systems. Major updates include transmutation physics (a key technology to substantially ameliorate issues associated with the storage of high-level nuclear waste), advances in fuels and materials technology (including metal fuels and cladding materials capable of high-temperature and high burnup), and new approaches to reactor safety (including passive safety technology), New chapters on gas-cooled and lead-cooled fast spectrum reactors are also included. Key international experts contributing to the text include Chaim Braun, (Stanford University) Ronald Omberg, (Pacific Northwest National Laboratory, Massimo Salvatores (CEA, France), Baldev Raj, (Indira Gandhi Center for Atomic Research, India) , John Sackett (Argonne National Laboratory), Kevan Weaver, (TerraPower Corporation) ,James Seinicki(Argonne National Laboratory). Russell Stachowski (General Electric), Toshikazu Takeda (University of Fukui, Japan), and Yoshitaka Chikazawa (Japan Atomic Energy Agency).

Death Waits in the Dark Aug 05 2023 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he

considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

The CHAOS Cure May 22 2022 With the help of New York Times bestselling author and housekeeping guru Marla Cilley, you'll cure your household CHAOS (Can't Have Anyone Over Syndrome) by changing your messy home into a soothing sanctuary Are you suffering from CHAOS, otherwise known as Can't Have Anyone Over Syndrome? If your house is a jumble of dirty dishes, piles of paper, and never-ending laundry, you are probably afflicted. But don't give up hope, because now there's an antidote: The CHAOS Cure. In her eagerly anticipated new book, Marla Cilley--aka "The FlyLady" to the hundreds of thousands who visit her website for daily domestic inspiration--reaches into our homes to help make housecleaning more meaningful and life less messy. tactical tips--such as "On the Fly!" quick fixes and genius uses for sticky notes--she'll help us get our houses in shipshape order before we can break a sweat. Along the way, the FlyLady teaches us to embrace household maintenance as an act of self-care, and to enjoy the soothing satisfaction of an orderly habitat. Before you know it, you'll be on the fast-track to living CHAOS-free, surrounded by sparkling serenity. *BUKH DIESEL DV 10 + DV 20 WORKSHOP MANUAL* Jun 15 2024

Founded on Goodbye Nov 15 2021 His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer?and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.

Wilful Blindness Jun 10 2021 The third edition of "Wilful Blindness" builds on the compelling narrative that has cemented Samuel Cooper's reputation as a premier investigative journalist, now under the banner of The Bureau. This edition unveils startling new revelations, naming potential individuals implicated in the Parliamentary NSICOP report. It suggests that MPs, ministers, and perhaps even the Prime Minister may have been aware of the CCP's interference in our elections and turned a blind eye for political gain. This explosive update makes "Wilful Blindness" a must-read for anyone seeking to understand the depth of corruption and foreign influence shaping our world today. In 1982, three of the most influential men in Asia convened in Hong Kong to shape the future of

the city's handover to the People's Republic of China. This pivotal meeting saw Chinese business magnates Henry Fok and Li Ka-Shing align with Deng Xiaoping to advance the Chinese Communist Party's domestic and global ambitions. The decisions made that day would ripple far beyond Hong Kong, reaching as far as Vancouver and reshaping the world. Soon, billions of dollars in Chinese investments poured into North America's Pacific coast. British Columbia's government casinos became conduits for global criminals, facilitating the influx of deadly narcotics into Canada and laundering billions of drug money into Vancouver's real estate market. This was no accident. A web of accomplices--revenue-hungry governments, casino and real estate firms with connections to dubious offshore wealth, complicit lawyers and bankers, and an unresponsive RCMP--allowed organized crime to flourish. The consequences of this greed, corruption, and wilful blindness are staggering. Drug cartels, particularly the Big Circle Boys--transnational narco-kingpins with ties to corrupt Chinese officials and industrial tycoons--have infiltrated significant sectors of Canada's economy. As dirty money inflated Vancouver's real estate market, the social toll became evident: a fentanyl crisis ravaging North American cities, declining life expectancy in Canada, and an unattainable housing market for the middle class. But the story extends beyond real estate and overdoses. Samuel Cooper's investigation reveals that the key players in the "Vancouver Model" of money laundering have turned Canada's west coast into a hub for CCP-led corporate and industrial espionage. These unscrupulous entrepreneurs have exported their criminal operations globally, impacting countries like Australia and New Zealand. The 2019 arrest of Cameron Ortis, the RCMP's top intelligence official, raises alarming questions. Could Chinese transnational criminals and state actors have secured protection from within Canada's national security apparatus? Could China and Iran possess insights into Canada's most sensitive secrets and investigations? Ortis's oversight of critical probes into transnational money laundering and espionage efforts underscores the depth of the infiltration. "Wilful Blindness" is a gripping narrative that follows tenacious investigators who challenged the

institutionalized negligence and corruption behind the Vancouver Model. Drawing from extensive interviews with whistle-blowers, thousands of pages of government and court documents, and exclusive confidential materials, Cooper uncovers the shocking extent of Canada's compromise. The book concludes with a startling revelation about the extent of the infiltration and outlines crucial steps Canada must take to realign with its "Five Eyes" allies and restore national security.

Seducing Lauren Nov 27 2022 In the second book in the Love Under the Big Sky series from the New York Times and USA TODAY bestselling author of the With Me in Seattle series, life in Montana gets spicy when a woman and her divorce lawyer sign off the papers—and sign on to love. Now that his best friend, Josh, has happily settled down with his true love on a Montana ranch, small-town lawyer Ty Sullivan starts thinking that maybe single life isn't all it's cracked up to be. And when Lauren Cunningham's no-good ex-husband comes after her for an unexpected trust fund, Ty steps in to protect her. But soon he can't help but think of her as more than a client. Lauren's in no mood to jump into another relationship, so how can Ty convince her that her mistake wasn't getting married, but marrying the wrong guy?

Chasing the Monkey King Mar 20 2022 "A compelling read. The dialogue is witty, the plot intriguing, and the settings enthralling." —Robert Dugoni, Internationally Best-Selling Author of My Sister's Grave "Opens your eyes to the fascinating reality of our so-called trade war with China." —Coast Reviews A U.S. government investigator vanishes while on assignment in China. Former detective Lars Severin is hired by the investigator's family—mysterious scions of an international trade dynasty—to find out what happened to her. Was her disappearance the result of a random act of violence or something more sinister? Did she uncover something that drove a hidden enemy to make her disappear? Could she still be alive? Severin's quest casts

him into a labyrinth of double-dealing and conspiracy, taking him from the misty streets and alleys of Seattle's old Chinatown neighborhood, to the corridors of power in Washington, D.C., to the dazzling city of Shanghai, to the ancient heart of rural China. The case grows more complicated with each step Severin takes, until all at once he realizes that his own life is in great danger.

Five Dates with the Billionaire Jun 22 2022 A USA TODAY BESTSELLER 'I'm insisting you date her. Five dates together, then I'll have this surgery.' Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger?

Desired By Four Jul 24 2022 Falling in love isn't supposed to be literal... Except if you're a witch who's cast a soulmate spell... Turns out love magic isn't the kind you dabble with. The Year After You Dec 17 2021 "I love this sad, beautiful, hopeful book." --Kathleen Glasgow, New York Times bestselling author of *Girl in Pieces* and *How to Make Friends With the Dark* For fans of Nina LaCour and Jennifer Niven, a richly layered novel that's both uplifting and heartbreaking, about piecing yourself together after loss and the dark truths we choose to keep from each other and ourselves. San Francisco. New Year's Eve. A tragic accident after the party of the year. Cara survives. Her best friend, G, doesn't. Nine months later, Cara is still struggling, consumed by grief and a dark secret she'd rather forget. In the hopes of offering a fresh start, her mother sends her to boarding school in Switzerland, a place where no one knows what happened--and where they never will, if Cara can help it. But her new classmates Ren and Hector won't let her close herself off. They are determined to break down the walls she has so carefully built up. And maybe Cara wants them to . . . especially Hector, who seems to understand her like no one else does. The problem is that the closer Cara gets to Hector, the more G slips away. If moving on means letting go of the past--and admitting what she did that night--Cara's not sure how. But a second chance awaits, if she can only find the strength within herself. "A poignant exploration of grief, guilt, and forgiveness." --Sophie Kinsella, New York Times bestselling author of *Finding Audrey* and the *Shopaholic* series "Transportive and redemptive, this is a gentle story about the universality of grief, the beauty of self-forgiveness, and how new friendship can help heal old wounds."--Ashley Woodfolk, author of *The Beauty That Remains* and *When You Were*

The Rumi Daybook Aug 25 2022 The wisdom of the great Sufi master comes to life in this compendium of 365 Rumi poems and writings for daily contemplation and inspiration My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart. When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart.

Musimathics, Volume 1 Feb 16 2022 A commonsense, self-contained introduction to the mathematics and physics of music; essential reading for musicians, music engineers, and anyone interested in the intersection of art and science. "Mathematics can be as effortless as humming a tune, if you know the tune," writes Gareth Loy. In Musimathics, Loy teaches us the tune, providing a friendly and spirited tour of the mathematics of music—a commonsense, self-contained introduction for the nonspecialist reader. It is designed for musicians who find their art increasingly mediated by technology, and for anyone who is interested in the intersection of art and science. In Volume 1, Loy presents the materials of music (notes, intervals, and scales); the physical properties of music (frequency, amplitude, duration, and timbre); the perception of music and sound (how we hear); and music composition. Calling himself "a composer seduced into mathematics," Loy provides answers to foundational questions

about the mathematics of music accessibly yet rigorously. The examples given are all practical problems in music and audio. Additional material can be found at <http://www.musimathics.com>.
