The Legend of Sleepy Hollow and Rip Van Winkle May 30 2022 In the first of these stories from the Catskill Mountains, a superstitious schoolmaster encounters a headless horseman; in the second, a man sleeps for twenty years, waking to a much-changed world.

The Hollow Feb 19 2024 With the dark side of life, Ashawn Johnson delves into the dark parts of life not often explored. Dealing with hardship, heartache and overall lessons learned from these experiences, he masters the mood of the macabre and later the overall rebirth from its occurrences'.

The Hollow Crown Aug 13 2023 The first volume in a series of comparative studies within the ESRC's Whitehall Programme focuses on core executives in five parliamentary democracies comparing the Westminster model as in Australia, Canada and Britain with the continental democracies of Germany and the Netherlands showing how political leadership is shackled by a vast array of constraints, from globalisation to internal fragmentation and rationalisation, making a heroic model of decisive political leadership hard to sustain.

Report of the Tests of Metals and Other Materials for Industrial Purposes Jan 18 2024

The Hollow Hope Apr 09 2023 Presents a powerful argument for the limitations of judicial action to support significant social reform—now updated with new data and analysis. Since its first publication in 1991, *The Hollow Hope* has spurred debate and challenged assumptions on both the left and the right about the ability of courts to bring about durable political and social change. What Gerald N. Rosenberg argued then, and what he confirms today through new evidence in this edition, is that it is nearly impossible to generate significant reforms through litigation: American courts are ineffective and relatively weak, far from the uniquely powerful sources for change they are often portrayed to be. This third edition includes new data and a substantially updated analysis of civil rights, abortion rights and access, women's rights, and marriage equality. Addressing changes in the political and social environment, Rosenberg draws lessons from the re-segregation of public schools, victories in marriage equality, and new obstacles to abortion access. Through these and other cases, the third edition confirms the power of the book's original explanatory framework and deepens our understanding of the limits of judicial action in support of social reform, as well as the conditions under which courts do produce change. Up-to-date, thorough, and thought-provoking, *The Hollow Hope* remains vital reading.

Selected works (25+) of Joseph Conrad Jun 11 2023 Selected works of Joseph Conrad from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or simply the beauty of words. This volume of the Best of the Best series includes famous works: HEART OF DARKNESS; SECRET AGENT; LORD JIM; THE SECRET SHARER; NOSTROMO; YOUTH A NARRATIVE; THE NIGGER OF THE NARCISSUS; TYPHOON; TALES OF UNREST; UNDER WESTERN EYES; THE SHADOW-LINE: A CONFESSION; VICTORY: AN ISLAND TALE; A SET OF SIX; ALMAYER'S FOLLY; AN OUTCAST OF THE ISLANDS; AMY FOSTER; A PERSONAL RECORD; THE POINT OF HONOR; THE RESCUE; THE END OF THE TETHER; THE ARROW OF GOLD; ONE DAY MORE; CHANCE; TO-MORROW; FALK; WITHIN THE TIDES; GASPAR RUIZ

The English Catalogue of Books [annual] Dec 05 2022 Vols. for 1898-1968 include a directory of publishers.

Tree Hollows and Wildlife Conservation in Australia Sep 14 2023 More than 300 species of Australian native animals — mammals, birds, reptiles and amphibians — use tree hollows, but there has never been a complete inventory of them. Many of these species are threatened, or are in decline, because of land-use practices such as grazing, timber production and firewood collection. All forest management agencies in Australia attempt to reduce the impact of logging on hollow-dependent fauna, but the nature of our eucalypt forests presents a considerable challenge. In some cases, tree hollows suitable for vertebrate fauna may take up to 250 years to develop, which makes recruiting and perpetuating this resource very difficult within the typical cycle of human-induced disturbance regimes. *Tree Hollows and Wildlife Conservation in Australia* is the first comprehensive account of the hollow-dependent fauna of Australia and introduces a considerable amount of new data on this subject. It not only presents a review and analysis of the literature, but also provides practical approaches for land management.

Black Cat Weekly #25 Jan 06 2023 On the mystery side, *Black Cat Weekly #25* has an original mystery by Joseph S. Walker, thanks to editor Michael Bracken, and Barb Goffman has tracked down an Edgar Award nominee by Judith Green. Plus we have a solve-it-yourself mystery from Hal Charles (the writing team of Charlie Sweet and Hal Blythe), and novels by Lange Lewis and Nicholas Carter. On the fantastic side, Cynthia Ward has selected "Cabbages and Kale" by David Marusek for this issue. Plus we have modern and classic tales by Larry Tritten, Lester de la Rey, Fletcher Pratt, and Richard Wilson. Good stuff! Here's the complete lineup: Mysteries / Suspense / Adventure: "Here on Seventeen," by Joseph S. Walker [short story] "A Present from the Past," by Hal Charles [Solve-It-Yourself Mystery] "A Good, Safe Place," by Judith Green [Barb Goffman Presents short story] Meat for Murder, by Lange Lewis [novel] The Pressing Peril, by Nicholas Carter [novel] Science Fiction & Fantasy: "Cabbages and Kale," by David

Marusek [Cynthia Ward Presents short story] "Play It Again, Sam," by Larry Tritten [short story] "Done Without Eagles," by Lester del Rey [short story] "Danger," by Irvin Lester and Fletcher Pratt [short story] "Course of Empire," by Richard Wilson [short story]

Hollow Fiber Membranes Sep 02 2022 Hollow Fiber Membranes: Fabrication and Applications focuses on the fabrication and applications of hollow fiber membranes. The book amply discusses the fundamental theories and practical applications of hollow fiber membranes, covering membrane formation mechanisms, hollow fiber spinning techniques, and spinneret design and module fabrication. In addition, novel membrane processes and applications of hollow fiber membranes are introduced. Elaborates membrane formation mechanisms Illustrates novel hollow fiber fabrication techniques and processes Specifies practical spinneret design and module fabrication Reviews hollow fiber membranes spun from specialty polymers Discusses state-of-the-art hollow fiber membrane applications

Many Ways of Being Useful Illustrated in a Series of Stories Feb 12 2021

25+ *The World's Greatest Short Stories. Vol 2. Illustrated* Oct 15 2023 The short story is to-day our most common literary product. It is read by everyone. Not every boy or girl will read novels after leaving school, but every boy or girl is certain to read short stories. It is important in the high school to guide taste and appreciation in short story reading, so that the reading of days when school life is over will be healthful and upbuilding. Here is a collection that is entirely modern. The authors represented are among the leading authors of the day, the stories are principally stories of present-day life, the themes are themes of present-day thought. The students who read this book will be more awake to the present, and will be better citizens of to-day. The great number of stories presented has given opportunity to illustrate different types of short story writing: Washington Irving: Rip Van Winkle Edgar Allan Poe: The Murders In The Rue Morgue Fyodor Dostoevsky: Notes From The Underground Franz Kafka: The Metamorphosis Charles Dickens: The Chimes Ivan Turgenev: Mumu Francis Scott Fitzgerald: The Curious Case Of Benjamin Button Joseph Conrad: Heart Of Darkness Ambrose Bierce: Chickamauga Arthur Conan Doyle: A Study In Scarlet H. P. Lovecraft: At the Mountains of Madness Nathaniel Hawthorne: Roger Malvin's Burial Guy de Maupassant: Necklace Leo Tolstoy: God Sees The Truth, But Waits Anton Chekhov: The Lottery Ticket Virginia Woolf: The Mark On The Wall Katherine Mansfield: The Garden Party H.G. Wells: The Star Stendhal: Vanina Vanini Honoré De Balzac: The Unknown Masterpiece Mark Twain: The Celebrated Jumping Frog of Calaveras County Aldous Huxley: Crome Yellow Ernest Hemingway: Up In Michigan Nikolay Gogol: A May Night O. Henry: The Ransom Of Red Chief Jack London: To Build a Fire

Through the Back Gate Sep 21 2021 "This collection presents an assortment of lyric essays and rural-themed fiction in which the author explores the timeless and enduring relationship of people to place. This volume celebrates nature and the mystic thread that holds residents to their rural Kentucky roots."--Page 4 of cover

The Complete Novels of John Buchan: 25+ Spy Classics, Thrillers & Adventure Novels in One Premium Edition (Unabridged) Apr 21 2024 This carefully crafted ebook: "The Complete Novels of John Buchan: 25+ Spy Classics, Thrillers & Adventure Novels in One Premium Edition (Unabridged)" is formatted for your eReader with a functional and detailed table of contents: Richard Hannay Series The Thirty-Nine Steps Greenmantle Mr Standfast The Three Hostages The Island of Sheep, or The Man from the Norlands Dickson McCunn and the 'Gorbals Die-hards' Series Huntingtower Castle Gay The House of the Four Winds Sir Edward Leithen Series The Power-House John Macnab The Dancing Floor, or The Goddess from the Shades The Gap in the Curtain Sick Heart River, or Mountain Meadow Other Novels Sir Quixote of the Moors John Burnet of Barns A Lost Lady of Old Years The Half-Hearted A Lodge in the Wilderness Prester John Salute to Adventurers The Path of the King Midwinter Witch Wood The Blanket of the Dark A Prince of the Captivity The Free Fishers The Magic Walking Stick The Courts of the Morning Autobiography & Biography of John Buchan Memory Hold-the-door (Autobiography) Unforgettable, Unforgotten by Anna M. Buchan John Buchan (1875-1940) was a Scottish novelist and historian and also served as Canada's Governor General. His 100 works include nearly thirty novels, seven collections of short stories and biographies. But, the most famous of his books were the adventure and spy thrillers, most notably The Thirty-Nine Steps, and it is for these that he is now best remembered.

Hollow Fibers and Nanofibers in Membrane Science Nov 23 2021 Since the development of the first modules, hollow fibers have totally revolutionized the world of membranes—thanks to the new technological breakthroughs and innovative materials discovered. The importance of a book putting hollow fibers in the spotlight owes to this type of configuration being more and more appreciated, particularly in large-scale applications. Moreover, the advent of nanofibers has injected new vitality in biomedical research, air and water separation and filtration processes, and emerging areas of nanotechnology. This book singles out and highlights the unique properties that hollow fibers and nanofibers display in the fields where they already represent the dominant configuration and where their full exploitation is still hindered by economic and technological constraints.

The Hollow Years Aug 01 2022 Competitive intellectual preening grew more vapid, competitive political aspersions more scurrilous. The general public grumbled, tightened belts, struck, rioted, and, when all else failed, rounded on immigrants: "unwanted strangers, intruders, parasites, speaking in strange accents and cooking with strange smells."

Temperatures and Stresses on Hollow Blades for Gas Turbines Feb 24 2022 The present treatise reports on theoretical investigations and test-stand measurements which were carried out in the BMW Flugmotoren GmbH in developing the hollow blade for exhaust gas turbines. As an introduction the temperature variation and the stress on a turbine blade for a gas temperature of 900 degrees and circumferential velocities of 600 meters per second are discussed. The assumptions on the heat transfer coefficients at the blade profile are supported by tests on an electrically heated blade model. The temperature distribution in the cross section of a blade is thoroughly investigated and the temperature field determined for a special case. A method for calculation of the thermal stresses in turbine blades for a given temperature distribution is indicated. The effect of the heat radiation on the blade temperature also is dealt with. Test-stand experiments on turbine blades are evaluated, particularly with respect to temperature distribution in the cross section; maximum and minimum temperature in the cross section are ascertained. Finally, the application of the hollow blade for a stationary gas turbine is investigated. Starting from a setup for 550 C gas temperature the improvement of the thermal efficiency and the fuel consumption are considered as well as the increase of the useful power by use of high temperatures. The power required for blade cooling is taken into account.

Phillips Oppenheim, the Prince of Storytellers (1866-1946) was an internationally renowned author of mystery and espionage thrillers. His novels and short stories have all the elements of blood-racing adventure and intrigue and are precursors of modern-day spy fictions.

The Hollow Inside Jul 12 2023 Sadie meets The Glass Castle in a smart, gripping, and twisty YA debut about a girl seeking to reveal the truth about her mother-and herself. Seventeen-year-old Phoenix has spent much of her life drifting from town to town with her mom Nina, using their charms to

swindle and steal to get by. Now they've made it to their ultimate destination, Mom's hometown of Jasper Hollow. The plan: bring down Ellis Bowman, the man who ruined Nina's life. When Phoenix gets caught spying on Ellis, she spins a convincing story that inadvertently gives her full access to the Bowman family. As she digs deeper into their secrets (and begins to fall for daughter Melody), she finds herself entrenched in the tale of a death and a disappearance that doesn't entirely line up with what Mom has told her. But there's even more to this story Phoenix doesn't know. Who, if anyone, is telling the whole truth about what happened? Debut author Brooke Lauren Davis explores the murkiness of right and wrong, of choices and consequences, of heroes and villains, in an eerily compelling and thought-provoking small-town saga.

Human Rights and the Hollow State Jun 23 2024 The book investigates the beliefs about governance that determine that state structures are the most appropriate venue for international human rights actors and activists to operate. Helen Delfeld argues that those beliefs rely on a normative perception of a nation-state, not necessarily applicable to most of the post-colonial world. While most post-colonial states may appear to demonstrate the trappings of modern nation-statehood, these projects are mostly spurred by and benefit an elite class. At the same time, there may be little identification with their government among the grassroots polity. Delfeld focuses on the Philippines as an example of a post-colonial state, using nested case studies to show how people think differently about the state at different scales. Following a two-pronged approach, she investigates key moments of state action or inaction, and then asks people at the grassroots about their perspectives on governance, their engagement with the state, and their views of human rights. Her findings indicate that people at the grassroots rely on alternative forms of governance, often in the form of NGOs, INGOs, local cooperatives, informal networks, or structures that pre-date both colonization and independence. Her research also indicates the possibility that some of the most effective human rights actors do not rely on the state, as demonstrated by comparing locally-generated campaigns aimed at promoting environmental rights with state campaigns that address violence against women. The Hollow State and Human Rights shows that rights initiatives misdirected through a "hollow state" might strengthen the mechanisms of the state, but might not actually create a more attentive nation-state. Human rights activists and actors may be far more effective by accessing local structures directly, the practical implications of which go beyond the Philippines to other post-colonial states.

The Hollow Nov 16 2023 #1 New York Times bestselling author Nora Roberts continues the thrilling trilogy of a town plagued by evil—and the three men and three women brought together by fate to fight it. For Fox, Caleb, Gage and the other residents of Hawkins Hollow, the number seven portends doom—ever since, as boys, they freed a demon trapped for centuries when their blood spilled upon The Pagan Stone... Now, as the dreaded seventh month looms before them, the men can feel the storm brewing. Already they are plagued by visions of death and destruction. But this year, they are better prepared, joined in their battle by three women who have come to The Hollow. Layla, Quinn, and Cybil are somehow connected to the demon, just as the men are connected to the force that trapped it. Since that day at The Pagan Stone, town lawyer Fox has been able to see into others' minds, a talent he shares with Layla. He must earn her trust, because their link will help fight the darkness that threatens to engulf the town. But Layla is having trouble coming to terms with her newfound ability—and this intimate connection to Fox. She knows that once she opens her mind, she'll have no defenses against the desire that threatens to consume them both... Don't miss the other books in the Sign of Seven Trilogy Blood Brothers The Pagan Stone

The Hollow Man Jun 30 2022 The most famous of all locked-room mysteries - a classic in the crime genre. 'The first deadly walking of the hollow man took place when the side streets of London were quiet with snow and the three coffins of the prophecy were filled at last...' The murderer of Dr Grimauld walked through a locked door, shot his victim and vanished. He killed his second victim in the middle of an empty street, with watchers at each end, yet nobody saw him, and he left no footprints in the snow. And so it is up to the irrepressible, larger-than-life Dr Gideon Fell to solve this most famous and taxing of locked-room mysteries.
