The Great Gamble Soviet War In Afghanistan Gregory Feifer

Gregory Feifer

The Great Gamble Soviet War In Afghanistan Gregory Feifer

The Great Gamble Gregory Feifer, 2009-01-06 Fascinating A highly readable history of the conflict New York Times Book Review In *The Great Gamble* a groundbreaking account of the Soviet invasion of Afghanistan former NPR Moscow correspondent Gregory Feifer vividly depicts the war that contributed greatly to the demise of the USSR and that offers striking lessons for the 21st century as well Told from the perspective of the Russians who fought it *The Great Gamble* offers valuable insight into the history of Afghanistan's troubled government and the rise of the Mujahideen and Al Qaeda In the words of the Minneapolis Star Tribune Feifer has done truly extraordinary research For all its heft *The Great Gamble* is an effortless read an unusual and gratifying combination

The Great Gamble Gregory Feifer, 2010-01-05 The Soviet war in Afghanistan was a grueling debacle that has striking lessons for the twenty first century In *The Great Gamble* Gregory Feifer examines the conflict from the perspective of the soldiers on the ground In gripping detail he vividly depicts the invasion of a volatile country that no power has ever successfully conquered A riveting account as seen through the eyes of the men who fought in the war *The Great Gamble* tells an unforgettable story full of drama action and political intrigue whose relevance in our own time is greater than ever

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries and continue to do so today *Russians* explores the seeming paradoxes of life in Russia by unraveling the nature of its people what is it in their history their desires and their conception of themselves that makes them baffling to the West Using the insights of his decade as a journalist in Russia Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super rich and the great majority of poor Traversing the world's largest country from the violent North Caucasus to Arctic Siberia Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much needed light on the purposely hidden functioning of its society before during and after communism Woven throughout is an intimate first person account of his family history from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka fueled run ins with the KGB What emerges is a rare portrait of a unique land of extremes whose forbidding geography merciless climate and crushing corruption has nevertheless produced some of the world's

greatest art and some of its most remarkable scientific advances Russians is an expertly observed gripping profile of a people who will continue challenging the West for the foreseeable future *Afgantsy* Rodric Braithwaite,2011-09-06 First published in Great Britain in 2011 by Profile Books T p verso **Spy Handler** Victor Cherkashin,Gregory Feifer,2008-08-05 Victor Cherkashin s incredible career in the KGB spanned thirty eight years from Stalin s death in 1953 to the fall of the Soviet Union in 1991 In this riveting memoir Cherkashin provides a remarkable insider s view of the KGB s prolonged conflict with the United States from his recruitment through his rising career in counterintelligence to his prime spot as the KGB s number two man at the Soviet Embassy in Washington Victor Cherkashin s story will shed stark new light on the KGB s inner workings over four decades and reveal new details about its major cases Cherkashin s story is rich in episode and drama He took part in some of the highest profile Cold War cases including tracking down U S and British spies around the world He was posted to stations in the U S Australia India and Lebanon and traveled the globe for operations in England Europe and the Middle East But it was in 1985 known as the Year of the Spy that Cherkashin scored two of the biggest coups of the Cold War In April of that year he recruited disgruntled CIA officer Aldrich Ames becoming his principal handler Refuting and clarifying other published versions Cherkashin will offer the most complete account on how and why Ames turned against his country Cherkashin will also reveal new details about Robert Hanssen s recruitment and later exposure as only he can And he will address whether there is an undiscovered KGB spy another Hanssen or Ames still at large *Spy Handler* will be a major addition to Cold War history told by one of its key participants *Afgantsy* Rodric Braithwaite,2013-09-11 The story of the Soviet occupation of Afghanistan is well known the expansionist Communists overwhelmed a poor country as a means of reaching a warm water port on the Persian Gulf Afghan mujahideen upset their plans holding on with little more than natural fighting skills until CIA agents came to the rescue with American arms Humiliated in battle the Soviets hastily retreated It s a great story writes Rodric Braithwaite But it never happened The Russian conscripts suffered badly from mismanagement and strategic errors but they were never defeated on the battlefield and withdrew in good order In this brilliant myth busting account Braithwaite the former British ambassador to Moscow challenges much of what we know about the Soviets in Afghanistan He provides an inside look at this little understood episode using first hand accounts and piercing analysis to show the war as it was fought and experienced by the Russians The invasion he writes was a defensive response to a chaotic situation in the Soviets immediate neighbor They intended to establish a stable friendly government secure the major towns and train the police and armed forces before making a rapid exit But the mission escalated as did casualties In fact the Soviet leadership decided to pull out a year before the first Stinger missile was used in combat Braithwaite does not of course paint the occupation as a Russian triumph To the contrary he illustrates the searing effect of the brutal conflict on soldiers their families and the broader public as returning veterans the Afgansty of the title struggled to regain their footing back home A fine writer as well as an expert Braithwaite carries readers through these complex and momentous events capturing those

violent and tragic days as no one has done before **The Other Side of the Mountain: Mujahideen Tactics in the Soviet-Afghan War** Ali Ahmad Jalali, 2022-05-29 *The Other Side of the Mountain* Mujahideen Tactics in the Soviet Afghan War is a 1998 non fiction book written by former Afghan Army Colonel Ali Ahmad Jalali and American military scholar Lester W Grau The book was commissioned by the United States Marine Corps Studies and Analysis Division to complement Grau s previous book *The Bear Went Over the Mountain* Jalali and Grau had planned travel into Afghanistan to interview Mujahideen fighters in late 1996 but were forced to remain in Pakistan when a Taliban offensive campaign started to seize major portions of Afghanistan eventually capturing Kabul on September 27 Jalali interviewed approximately 40 Mujahideen during the month which the authors spent in Pakistan and an associate Major Nasrullah Safi conducted interviews inside Afghanistan for two months to collect additional data

The Six Day War Guy Laron, 2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors *Financial Times* One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria s often overlooked centrality to events leading up to the hostilities *The Six Day War* effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron s fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading *Moment A* penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value *Kirkus Reviews*

The Hidden War Artem Borovik, 2001 A Soviet journalist documents the experiences of Soviet soldiers in Afghanistan detailing the soldiers morale the prevalence of drug problems and the Russian withdrawal and the aftermath *The Soviet-Afghan War* Russia (Federation). General'nyĭ shtab, 2002 Offers a candid view of a war that played a significant role in the ultimate demise of the Soviet Union Presents analysis absolutely vital to Western policymakers as well as to political diplomatic and military historians and anyone interested in Russian and Soviet history Provides insights regarding current and future Russian struggles in ethnic conflicts both at and within their borders struggles that could potentially destroy the Russian Federation

The Rise and Fall of Osama Bin Laden Peter L. Bergen, 2022-08-02 The world s leading expert on Osama bin Laden delivers for the first time the riveting *The New York Times* definitive biography of a man who set the course of American foreign policy for the 21st century and whose ideological heirs we continue to battle today In *The Rise and Fall of Osama bin Laden* Peter Bergen provides the first reevaluation of the

man responsible for precipitating America's long war with al Qaeda and its decedents capturing bin Laden in all the dimensions of his life as a family man as a zealot as a battlefield commander as a terrorist leader and as a fugitive The book sheds light on his many contradictions he was the son of a billionaire yet insisted his family live like paupers He adored his wives and children depending on his two wives both of whom had PhDs to make critical strategic decisions Yet he also brought ruin to his family He was fanatically religious but willing to kill thousands of civilians in the name of Islam He inspired deep loyalty yet in the end his bodyguards turned against him And while he inflicted the most lethal act of mass murder in United States history he failed to achieve any of his strategic goals In his final years the lasting image we have of bin Laden is of an aging man with a graying beard watching old footage of himself just as another dad flipping through the channels with his remote In the end bin Laden died in a squalid suburban compound far from the front lines of his holy war And yet despite that unheroic denouement his ideology lives on Thanks to exclusive interviews with family members and associates and documents unearthed only recently Bergen's comprehensive authoritative and compelling H R McMaster author of *Dereliction of Duty* and *Battlegrounds: The Fight to Defend the Free World* portrait of Osama bin Laden reveals for the first time who he really was and why he continues to inspire a new generation of jihadists

Invisible Nation Quil Lawrence, 2009-05-26 The American invasion of Iraq has been a success for the Kurds Kurdistan is an invisible nation and the Kurds the largest ethnic group on Earth without a homeland comprising some 25 million moderate Sunni Muslims living in the area around the borders of Turkey Iran Iraq and Syria Through a history dating back to biblical times they have endured persecution and betrayal surviving only through stubborn compromise with greater powers They have always desired their own state and now accidentally the United States may have helped them take a huge step toward that goal As Quil Lawrence relates in his fascinating and timely study of the Iraqi Kurds while their ambition and determination grow apace their future will be largely dependent on whether America values a budding democracy in the region or decides to yet again sacrifice the Kurds in the name of political expediency Either way the Kurdish north may well prove to be the defining battleground in Iraq as the country struggles to hold itself together At this extraordinary moment in the saga of Kurdistan informed by his deep knowledge of the people and region Lawrence's intimate and unflinching portrait of the Kurds and their heretofore quixotic quest offers a vital and original lens through which to contemplate the future of Iraq and the surrounding Middle East

One Soldier's War Arkady Babchenko, 2009-02-17 A visceral and unflinching memoir of a young Russian soldier's experience in the Chechen wars In 1995 Arkady Babchenko was an eighteen year old law student in Moscow when he was drafted into the Russian army and sent to Chechnya It was the beginning of a torturous journey from naive conscript to hardened soldier that took Babchenko from the front lines of the first Chechen War in 1995 to the second in 1999 He fought in major cities and tiny hamlets from the bombed out streets of Grozny to anonymous mountain villages Babchenko takes the raw and mundane realities of war the constant cold hunger exhaustion filth and terror and twists it into compelling haunting

and eerily elegant prose Acclaimed by reviewers around the world this is a devastating first person account of war that brilliantly captures the fear drudgery chaos and brutality of modern combat An excerpt of One Soldier s War was hailed by Tibor Fisher in The Guardian as right up there with Joseph Heller s Catch 22 and Michael Herr s Dispatches Mark Bowden bestselling author of Black Hawk Down hailed it as hypnotic and terrifying and the book won Russia s inaugural Debut Prize which recognizes authors who write despite not because of their life circumstances If you haven t yet learned that war is hell this memoir by a young Russian recruit in his country s battle with the breakaway republic of Chechnya should easily convince you Publishers Weekly

My Life with the Taliban Abdul Salam Zaef,2010-01-01 This is the autobiography of Abdul Salam Zaef a senior former member of the Taliban His memoirs translated from Pashto are more than just a personal account of his extraordinary life My Life with the Taliban offers a counter narrative to the standard accounts of Afghanistan since 1979 Zaef describes growing up in rural poverty in Kandahar province Both of his parents died at an early age and the Russian invasion of 1979 forced him to flee to Pakistan He started fighting the jihad in 1983 during which time he was associated with many major figures in the anti Soviet resistance including the current Taliban head Mullah Mohammad Omar After the war Zaef returned to a quiet life in a small village in Kandahar but chaos soon overwhelmed Afghanistan as factional fighting erupted after the Russians pulled out Disgusted by the lawlessness that ensued Zaef was one among the former mujahidin who were closely involved in the discussions that led to the emergence of the Taliban in 1994 Zaef then details his Taliban career as civil servant and minister who negotiated with foreign oil companies as well as with Afghanistan s own resistance leader Ahmed Shah Massoud Zaef was ambassador to Pakistan at the time of the 9 11 attacks and his account discusses the strange phoney war period before the US led intervention toppled the Taliban In early 2002 Zaef was handed over to American forces in Pakistan notwithstanding his diplomatic status and spent four and a half years in prison including several years in Guantanamo before being released without having been tried or charged with any offence My Life with the Taliban offers a personal and privileged insight into the rural Pashtun village communities that are the Taliban s bedrock It helps to explain what drives men like Zaef to take up arms against the foreigners who are foolish enough to invade his homeland

The Yugo Jason Vuic,2011-03-01 Six months after its American introduction in 1985 the Yugo was a punch line within a year it was a staple of late night comedy By 2000 NPR s Car Talk declared it the worst car of the millennium And for most Americans that s where the story begins and ends Hardly The short unhappy life of the car the men who built it the men who imported it and the decade that embraced and discarded it is rollicking and astounding and one of the greatest untold business cum morality tales of the 1980s Mix one rabid entrepreneur several thousand good communists a willing U S State Department the shortsighted Detroit auto industry and improvident bankers shake vigorously and you ve got The Yugo The Rise and Fall of the Worst Car in History Brilliantly re creating the amazing confluence of events that produced the Yugo Yugoslav expert Jason Vuic uproariously tells the story of the car that became an international joke The

American CEO who happens upon a Yugo right when his company needs to find a new import or go under A State Department eager to aid Yugoslavia's nonaligned communist government Zastava Automobiles which overhauls its factory to produce an American ready Yugo in six months And a hole left by Detroit in the cheap subcompact market that creates a race to the bottom that leaves the Yugo at the bottom

A Small Corner of Hell Anna Politkovskaya, 2008-11-15 Chechnya a 6 000 square mile corner of the northern Caucasus has struggled under Russian domination for centuries The region declared its independence in 1991 leading to a brutal war Russian withdrawal and subsequent governance by bandits and warlords A series of apartment building attacks in Moscow in 1999 allegedly orchestrated by a rebel faction reignited the war which continues to rage today Russia has gone to great lengths to keep journalists from reporting on the conflict consequently few people outside the region understand its scale and the atrocities described by eyewitnesses as comparable to those discovered in Bosnia committed there Anna Politkovskaya a correspondent for the liberal Moscow newspaper Novaya gazeta was the only journalist to have constant access to the region Her international stature and reputation for honesty among the Chechens allowed her to continue to report to the world the brutal tactics of Russia's leaders used to quell the uprisings A Small Corner of Hell Dispatches from Chechnya is her second book on this bloody and prolonged war More than a collection of articles and columns A Small Corner of Hell offers a rare insider's view of life in Chechnya over the past years Centered on stories of those caught literally in the crossfire of the conflict her book recounts the horrors of living in the midst of the war examines how the war has affected Russian society and takes a hard look at how people on both sides are profiting from it from the guards who accept bribes from Chechens out after curfew to the United Nations Politkovskaya's unflinching honesty and her courage in speaking truth to power combine here to produce a powerful account of what is acknowledged as one of the most dangerous and least understood conflicts on the planet Anna Politkovskaya was assassinated in Moscow on October 7 2006 The murder of the journalist Anna Politkovskaya leaves a terrible silence in Russia and an information void about a dark realm that we need to know more about No one else reported as she did on the Russian north Caucasus and the abuse of human rights there Her reports made for difficult reading and Politkovskaya only got where she did by being one of life's difficult people Thomas de Waal Guardian

The Oxford Handbook of the History of Communism S. A. Smith, 2014-01-09 The impact of Communism on the twentieth century was massive equal to that of the two world wars Until the fall of the Soviet Union in 1991 historians knew relatively little about the secretive world of communist states and parties Since then the opening of state party and diplomatic archives of the former Eastern Bloc has released a flood of new documentation The thirty five essays in this Handbook written by an international team of scholars draw on this new material to offer a global history of communism in the twentieth century In contrast to many histories that concentrate on the Soviet Union The Oxford Handbook of the History of Communism is genuinely global in its coverage paying particular attention to the Chinese Revolution It is global too in the sense that the essays seek to integrate history from above and from below to trace the

complex mediations between state and society and to explore the social and cultural as well as the political and economic realities that shaped the lives of citizens fated to live under communist rule The essays reflect on the similarities and differences between communist states in order to situate them in their socio political and cultural contexts and to capture their changing nature over time Where appropriate they also reflect on how the fortunes of international communism were shaped by the wider economic political and cultural forces of the capitalist world The Handbook provides an informative introduction for those new to the field and a comprehensive overview of the current state of scholarship for those seeking to deepen their understanding

A Brief History of Afghanistan Shaista Wahab, Barry Youngerman, 2007 Located along the busy trade routes between Asia and Europe Afghanistan was for centuries a place where a diverse set of cultures met and exchanged goods and ideas

Inferno in Chechnya Brian Glyn Williams, 2015-09-22 In 2013 the United States suffered its worst terrorist bombing since 9 11 at the annual running of the Boston Marathon When the culprits turned out to be U S residents of Chechen descent Americans were shocked and confused Why would members of an obscure Russian minority group consider America their enemy Inferno in Chechnya is the first book to answer this riddle by tracing the roots of the Boston attack to the Caucasus Mountains of southern Russia Brian Glyn Williams describes the tragic history of the bombers war devastated homeland including tsarist conquest and two bloody wars with post Soviet Russia that would lead to the rise of Vladimir Putin showing how the conflict there influenced the rise of Europe s deadliest homegrown terrorist network He provides a historical account of the Chechens terror campaign in Russia documents their growing links to Al Qaeda and radical Islam and describes the plight of the Chechen diaspora that ultimately sent two Chechens to Boston Inferno in Chechnya delivers a fascinating and deeply tragic story that has much to say about the historical and ethnic roots of modern terrorism

Japan's Last Bid for Victory Robert Lyman, 2011-12-13 This is an excellent account of a series of very hard fought battles that helped prepare the way for the British re conquest of Burma History of War Robert Lyman s deep knowledge and understanding of the war in Burma and the great battles at Kohima and Imphal in 1944 are well known In this book he uses original documents published works and personal accounts to weave together an enthralling narrative of some of the bitterest fighting of WWII Not only does he use British sources for his research but he has also included material from the Naga tribes of north east India on whose land these battles were fought and from Japanese accounts including interviews with Japanese veterans of the fighting Thus he has been able to produce what is arguably the most balanced history of the battles that were pivotal in ending the Japanese empire Fergal Keane journalist and author of Road to Bones The Siege of Kohima 1944 wrote to the author saying What a triumph I finished it last night You have done a wonderful job I only wish I d read it before writing my own book He goes on to say Robert Lyman is one of the great writers about men and war and in this book he has succeeded in conveying the courage genius and folly of an epic struggle I cannot think of a writer engaged in the subject of the Second World War who can match Lyman for his integrity or the soundness of his judgments

The Great Gamble Soviet War In Afghanistan Gregory Feifer Introduction

In today's digital age, the availability of The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Great Gamble Soviet War In Afghanistan Gregory Feifer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range

of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Great Gamble Soviet War In Afghanistan Gregory Feifer books and manuals for download and embark on your journey of knowledge?

FAQs About The Great Gamble Soviet War In Afghanistan Gregory Feifer Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
