Evans,2019 From New York Times bestselling author Katy Evans comes a hot romance about two strangers and their race to fall in love If someone had bet Nell a million dollars that she would be saying I do to a complete stranger on national television she d have called them crazy but with her crushing student loan payments sending her deep into the red she s out of options This should be nothing more than a business transaction until she sets eyes on her groom and everything changes The game is on the instant Luke spots Penelope Nell Carpenter He s out for the money yes but getting a little dirty with Nell

doesn't sound too bad either. Everyone knows he's not the marrying kind, so it's a good thing it's just for show. God knows he's the worst guy his pretty wife should pick for real. They have nothing in common, but if they want the grand prize, they'll have to beat out eight other couples. Proving that total opposites attract should be easy enough as long as they don't fall in love in the process.

Womanizer Katy Evans, 2016-11-15. A sexy new contemporary standalone romance by New York Times and USA Today Bestselling Author Katy Evans. You've seen the headlines: Womanizing billionaire player. Watch out. Stay away. We were just two strangers. Facing a forbidden attraction, a chemical connection. Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to this one, my brother's best friend and CEO of the company where I interned. Even knowing I should stay away, I proved to be too human after all. The chemistry was amazing. The laughs were incredible. I opened up to him in more ways than I'd opened up to anyone before. But sex was as far as I'd go. Just sex because he was too irresistible. Just sex because I wouldn't be falling for him. Just sex because I'd leave in three months and I'd like for my brother not to kill me and for nobody to find out he was my wicked little secret. He wasn't the One. He was just a womanizer. But for a time, he would be mine.

Mogul Katy Evans, 2018-05-31. A brand new contemporary romance from New York Times Wall Street Journal and USA Today bestselling author Katy Evans. He's my most delicious secret. The hot Suit. I had a one-night stand with one evening. I didn't know anything about him, not even his name. Only that we shared a taxi and he was staying at the hotel where I worked. We met in room 1103. Where he commanded not only my body but my soul. The next day he was gone, and I only had a memory of him. I could still taste his kisses, feel his demanding touch. I searched for him for months. Daydreaming about him. Wondering if I'd ever find him. Until the day I find myself staring face to face with his jeweled black eyes again. He says, let's keep it casual, and my heart knows that falling for this workaholic in a three-thousand-dollar suit is off the table. Because he has a secret. One that's a deal breaker for me. My Suit has a name: Ian Ford. And this is our story. Mogul contains characters from Tycoon but is written to be read as a standalone.
