## C4 Gold Paper

*Brooklyn Daily Eagle Almanac*, 1898      **Exploring the Math and Art Connection** Daniel Jarvis, Irene Naested, 2012  
Daniel Jarvis and Irene Naested highlight the natural association between math and art in a series of practical ideas for the classroom because when students understand the math art connection their understanding and confidence increase in both subjects Through innovative teaching strategies and more than 100 rich learning experiences Jarvis and Naested give teachers a wealth of engaging tools to explore the math art connection with their own students This connection is established through examinations of natural and human designed objects from how pine cone scales spiral out in a Fibonacci sequence to how geometric shapes combine in architecture to form some of the most beautiful structures on the planet      Sir Robert Peel's Currency Plan. When Luminous River former sect leader of Silver Guard survives a near fatal blow dealt by her detrimental fate and lover Demir Losett She has to decide if she wants to let the past rest where it is or handle things the only way she knows how With her razor wire whip While she tries to regain her strength and forget about the man who put her in the situation to begin with The fates decide to deal yet another blow to the venerated former sect leader Shang Wylan is next to the worst possible man Luminous has ever encountered Not because of his looks or the way he wears an all black warrior outfit But due to the menacing way he looks at her and the secrets he refuses to share Will the two of them form a bond unlike any other Or will Luminous be forced to have the same distrust towards Shang as she does for her former lover Demir Losett Demir Losett now the honorable Judge Losett is wracked with guilt for his role in Luminous s untimely and halfway planned passing He will question his ability to kill the only woman he s ever loved and try to hold onto hope for what he s lost When he receives word and proof of Lumi being very much alive Demir is forced to play both sides of the court in order to save her from a ground of mad scientists and a hellbent judge on the same bench he sits on In order to make amends for the wrongs he had committed against Lumi Demir will be faced with a new revelation that will turn all of his plans on over and back Between Lumi s new found will to live and Demir s expertise in the art of holding secrets and making plans The two of them will have to come together long enough to take down the people who created them But what happens when Lumi becomes the target of the most powerful judge on the bench Will she face what is coming to her without the help of her lover who seemingly switched sides Or will Demir yet again orchestrate a way to get out of the hell he had helped create Love is out the window trust is broken Life never stops for a breather but no matter what the two will face an infinite amount of hell just to be together again      **Accounts and Papers of the House of Commons** Great Britain.
