Vanessa Kimbell,2018-04-05 Master the art of sourdough with Vanessa and you will learn how to look after your own gut microbes and health Tim Spector author of The Diet Myth At her renowned Sourdough School Vanessa has taught countless students the secrets of this healthy more easily digestible bread and now she has compiled her teachings for the home baker From creating your own starter from scratch you ll then move on to basic breadmaking techniques before progressing to using sprouted grains and experimenting with flavours to produce Fig and Earl Grey and Cherry Plum loaves With step by step photography detailed instructions specialist advice and Vanessa s indispensable encouragement The Sourdough School celebrates the timeless craft of artisan baking **The Sorcerer's Apprentices** Lisa Abend,2012-02-07 Kitchen Confidential meets Heat in the first behind the scenes portrait of the world s best restaurant and the aspiring chefs who toil to make it so exceptional Elected best restaurant in the world by Restaurant magazine an unprecedented five times El Bulli is the laboratory of Ferran Adria the maverick creator of molecular gastronomy Behind each of the thirty or more courses that make up a meal at El Bulli is a small army of young cooks who do the work of executing Adria s vision in exchange for nothing more than the chance to learn at his hands Granted unprecedented access to this guild system Lisa Abend follows the thirty five stagiaires of the 2009 season as they struggle to master the grueling hours cutting edge techniques and interpersonal tensions that come with working at the most revered restaurant on earth [Luxury Arts of the Renaissance](#)

Marina Belozerskaya,2005-10-01 Today we associate the Renaissance with painting sculpture and architecture the major arts Yet contemporaries often held the minor arts gem studded goldwork richly embellished armor splendid tapestries and embroideries music and ephemeral multi media spectacles in much higher esteem Isabella d Este Marchesa of Mantua was typical of the Italian nobility she bequeathed to her children precious stone vases mounted in gold engraved gems ivories and antique bronzes and marbles her favorite ladies in waiting by contrast received mere paintings Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their

components paintings and sculptures in modest materials although discussed by some literati were of lesser consequence This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as decorative or minor arts extravagant trinkets of the rich unworthy of the status of Art Then by re examining the objects themselves and their uses in their day she shows how sumptuous creations constructed the world and taste of Renaissance women and men

**The European Guilds** Sheilagh Ogilvie, 2021-06-15 Guilds ruled many crafts and trades from the Middle Ages to the Industrial Revolution and have always attracted debate and controversy They were sometimes viewed as efficient institutions that guaranteed quality and skills But they also excluded competitors manipulated markets and blocked innovations Did the benefits of guilds outweigh their costs Analyzing thousands of guilds that dominated European economies from 1000 to 1880 The European Guilds uses vivid examples and clear economic reasoning to answer that question Sheilagh Ogilvie s book features the voices of honorable guild masters underpaid journeymen exploited apprentices shady officials and outraged customers and follows the stories of the vile encroachers Women migrants Jews gypsies bastards and many others desperate to work but hunted down by the guilds as illicit competitors She investigates the benefits of guilds but also shines a light on their dark side Guilds sometimes provided important services but they also manipulated markets to profit their members They regulated quality but prevented poor consumers from buying goods cheaply They fostered work skills but denied apprenticeships to outsiders They transmitted useful techniques but blocked innovations that posed a threat Guilds existed widely not because they corrected market failures or served the common good but because they benefited two powerful groups guild members and political elites
