the publication (i.e., the "diffusion of knowledge") is one of the two prime functions of the Smithsonian Institution, another complete list is especially appropriate this year (1946) when the one-hundredth anniversary of the Institution's found is being observed. Publications of the National Museum have appeared in five series as follows: Annual Reports, Bulletins, Proceedings, Special Bulletins, and Circulars. 11th printing Bibliography: p. 443-446.
