The Price of the Ticket Jun 02 2024 The works of James Baldwin constitute one of the major contributions to American literature in the twentieth century, and nowhere is this more evident than in *The Price of the Ticket*, a compendium of nearly fifty years of Baldwin's powerful nonfiction writing. With truth and insight, these personal, prophetic works speak to the heart of the experience of race and identity in the United States. Here are the full texts of *Notes of a Native Son*, *Nobody Knows My Name*, *The Fire Next Time*, *No Name in the Street*, and *The Devil Finds Work*, along with dozens of other pieces, ranging from a 1948 review of *Raintree Country* to a magnificent introduction to this book that, as so many of Mr. Baldwin's works do, combines his intensely private experience with the deepest examination of social interaction between the races. In a way, *The Price of the Ticket* is an intellectual history of the twentieth-century American experience; in another, it is autobiography of the highest order.

Ticket to the Opera Oct 14 2022 In *Ticket to the Opera*, Phil G.

Goulding finally makes the magic and mystique of opera accessible to all. Here he offers a complete operatic education, including history, definitions of key musical terms, opera lore and gossip, portraits of famous singers and the roles they immortalized, as well as pithy introductions to the greatest operas of Europe and America and their composers. The book's centerpiece is what Goulding terms "the collection"--85 classics, among them *Aida*, *The Marriage of Figaro*, *Carmen*, and *Madama Butterfly*, that have been packing the world's

opera houses for years. This entertaining, meticulously researched book also includes a fascinating chapter on American opera from George Gershwin's *Porgy and Bess* to Philip Glass's *Einstein on the Beach* and a discussion of the gems of twentieth-century opera featuring works like Leos Janáček's *The Cunning Little Vixen*, Alban Berg's *Lulu*, and Serge Prokofiev's *The Love for Three Oranges*. Whether you're a curious neophyte, a music lover interested in branching out, or an aficionado eager to compare notes with a brilliant fellow opera buff, you'll prize *Ticket to the Opera* as an essential volume in your music library.

New York Literary Lights Feb 03 2022 An armchair travel guide to the literary capital of the world. Poet William Corbett takes an expansive prose look at the ghosts, the landmarks, and the current denizens who make New York so popular with the literary crowd. His entertaining romp provides plenty of street addresses for the determined tourist, and plenty of gossip for the armchair traveler.

Ticket Masters Feb 15 2023 “A clear, comprehensive look at a murky business.” —The Wall Street Journal Your favorite band has just announced their nationwide tour. Should you pay to join their fan club and get in on the pre-sale? No, you decide to wait. But the on-sale date arrives, and the site is jammed. You can't get on—and the concert is sold out in six minutes. What happened? What now? Music journalists Dean Budnick and Josh Baron chronicle the behind-the-scenes history of the modern concert industry. Filled with entertaining rock-and-roll anecdotes about The Rolling Stones, The Grateful Dead, Pearl Jam, and more—and charting the emergence of players like Ticketmaster, StubHub, Live Nation, and Outbox—Ticket Masters will transfix every concertgoer who wonders just where the price of admission really goes. This edition has an updated epilogue that covers recent industry developments.

The Price of the Ticket Apr 07 2022 In *The Price of the Ticket*, Fred

Harris contends that Obama's success has, in reality, exacted a negative price. His victory has not only utterly transformed the forms of black politics that emerged in the 1960s and which laid the foundation for his eventual ascendance, Harris claims-it has profoundly weakened them.

The Lottery Ticket. And Lawter's Clerk; A Farce. In One Act Feb 23

2021 'The Lottery Ticket and Lawter's Clerk' is a hilarious farce in one act that follows the misadventures of two clerks who win the lottery and try to cash in on their good fortune. With witty dialogue and slapstick

comedy, it is a delightful romp through the world of 19th-century theater. Black Tickets Jan 17 2023 From one of our most accomplished writers: the reputation-making debut short story collection that paved the way for a new generation of writers. • “Brilliant ... Phillips is a virtuoso.” —The Chicago Tribune Jayne Anne Phillips's reputation-making debut collection paved the way for a new generation of writers. Raved about by reviewers and embraced by the likes of Raymond Carver, Frank Conroy, Annie Dillard, and Nadine Gordimer, *Black Tickets* now stands as a classic. With an uncanny ability to depict the lives of men and women who rarely register in our literature, Phillips writes stories that lay bare their suffering and joy. Here are the abused and the abandoned, the violent and the passive, the impoverished and the disenfranchised who populate the small towns and rural byways of the country. A patron of the arts reserves his fondest feeling for the one man who wants it least. A stripper, the daughter of a witch, escapes from poverty into another kind of violence. A young girl during the Depression is caught between the love of her crazy father and the no less powerful love of her sorrowful mother. These are great American stories that have earned a privileged place in our literature.

The Evidence of Things Not Seen Nov 26 2023 Over twenty-two months in 1979 and 1981 nearly two dozen children were unspeakably murdered in Atlanta despite national attention and outcry; they were all Black. James Baldwin investigated these murders, the Black administration in Atlanta, and Wayne Williams, the Black man tried for the crimes. Because there was only evidence to convict Williams for the murders of two men, the children's cases were closed, offering no justice to the families or the country. Baldwin's incisive analysis implicates the failures of integration as the guilt party, arguing, "There could be no more devastating proof of this assault than the slaughter of the children." As Stacey Abrams writes in her foreword, "The humanity of black children, of black men and women, of black lives, has ever been a conundrum for America. Forty years on, Baldwin's writing reminds us that we have never resolved the core query: Do black lives matter? Unequivocally, the moral answer is yes, but James Baldwin refuses such rhetorical comfort." In this, his last book, by excavating American race relations Baldwin exposes the hard-to-face ingrained issues and demands that we all reckon with them.

The Price of the Ticket Jul 03 2024 An essential compendium of James Baldwin's most powerful nonfiction work, calling on us "to end the racial nightmare, and achieve our country." Personal and prophetic, these essays uncover what it means to live in a racist American society with insights that feel as fresh today as they did over the 4 decades in which he composed them. Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of famous essays from such books as: • Notes of a Native Son • Nobody Knows My Name • The Fire Next Time • No Name in the Street • The Devil Finds Work This collection provides the perfect entrée into Baldwin's prescient commentary on race, sexuality, and identity in an unjust American society.
