Africa and France Dominic Thomas,2013-03-20 An excellent and incisive look at identity immigration and culture in postcolonial France Journal of West African History This stimulating and insightful book reveals how increased control over immigration has changed cultural and social production in theater literature and even museum construction Dominic Thomas s analysis unravels the complex cultural and political realities of long standing mobility between Africa and Europe Thomas questions the attempt to place strict limits on what it means to be French or European and offers a sense of what must happen to bring about a renewed sense of integration and global Frenchness Essential reading for anyone investigating the debates surrounding contemporary French identity and the ever changing relationship between France and her former colonial possessions African Studies Bulletin

Black France Dominic Thomas,2007 Without a doubt one of the most important studies so far completed on literature in French grounded in the experiences of migrants of sub Saharan African origin Alec Hargreaves Florida State University France has always hosted a rich and vibrant black presence within its borders But recent violent events have raised questions about France s treatment of ethnic minorities Challenging the identity politics that have set immigrants against the mainstream Black France explores how black expressive culture has been reformulated as global culture in the multicultural and multinational spaces of France Thomas brings forward questions such as Why is France a privileged site of civilization Who is French Who is an immigrant Who controls the networks of production Black France poses an urgently needed reassessment of the French colonial legacy

Post-Colonial Cultures in France Alec Hargreaves,Mark McKinney,2013-10-18 Ethnic minorities principally from Africa Asia the Caribbean and the surviving remnants of France s overseas empire are increasingly visible in contemporary France Post Colonial Cultures in France edited by Alec Hargreaves and Mark McKinney is the first wide ranging survey in English of the vibrant cultural practices now being forged by France s post colonial minorities The contributions in Post Colonial Cultures in France cover both the ethnic diversity of minority groups and a variety of cultural forms ranging from literature and music to film and television Using a diversity of critical and theoretical approaches from the disciplines of cultural studies literary studies migration studies anthropology and history Post Colonial Cultures in France explores the globalization of cultures and international migration

Afro-European Cartographies Dominic Thomas,2014-10-21 Literary production is increasingly shaped by globalization and the complex nature of cultural political and social interaction As such longstanding colonial and postcolonial relations between Africa and Europe have yielded a range of challenging questions and new generations of writers with roots in Africa have invariably found themselves navigating new geographic terrains and negotiating racialized identities while simultaneously exploring the potential of literature in addressing the

Post-Migratory Cultures in Postcolonial France Kathryn A. Kleppinger,Laura Reeck,2018-08-08 Post Migratory Cultures in Postcolonial France offers a critical assessment of the ways in which French writers filmmakers musicians and other artists descended from immigrants from former colonial territories bring their specificity to bear on the bounds and applicability of French republicanism Frenchness and national identity and contemporary cultural production in France

Immigration and National Identity Rabah Aissaoui, 2009-03-30 Immigration is at the heart of social cultural and political debate in France a country still struggling to come to terms with its postcolonial legacy Here Assaoui provides a radical re examination of the assumptions about immigrants and ethnic and national identity through a study of the Maghrebis especially their political mobilisation from the colonial to the postcolonial period Combining insights from the archive and interviews with political activists he examines the diaspora s voice and their struggle against racism and oppression Through a study of key political movements he shows how they constructed a powerful and consistent political tradition and charts the development in France of the Algerian anti colonial and nationalist movement as well as new forms of political activism during the 1970s Immigration and National Identity foregrounds the migrants perspective and the necessary historical background to the fraught contemporary context of immigrant communities in France It will be valuable for all those concerned with immigration colonialism and postcolonialism cultural studies sociology and the study of contemporary France

Africa and France Dominic Richard David Thomas, 2013 This stimulating and insightful book reveals how increased control over immigration has changed cultural and social production in theatre literature and even museum construction Dominic Thomas s analysis unravels the complex cultural and political realities of long standing mobility between Africa and Europe Thomas questions the attempt to place strict limits on what it means to be French or European and offers a sense of what must happen to bring about a renewed sense of integration and global Frenchness

Africans and the Exiled Life Sabella Ogbobode Abidde, Brenda Ingrid Gill, 2018-01-12 Since their early beginning in Africa as foragers hunters and gatherers humans have been on the move In modern times their movements have been compelled by geographical economic political cultural social and personal reasons However beginning in the second half of the twentieth century and into the twenty first century their reasons for and pattern of migration have been largely influenced by globalization Globalization by its very nature cuts across virtually every aspect of the human life and human society And especially in the United States African immigrants are subject to the undercurrents of globalization particularly in the areas of culture religion interpersonal relationships and the assimilation and acculturation process Relying on the vast theoretical and practical experience of academics and public intellectuals across three continents this book succinctly interrogates some of the pull push factors of migration the challenges of globalizing forces and the daily reality of relocation The everyday reality and experiences of blacks in the diaspora Latin America Caribbean and Europe are also part of the discourse and the subject matters are approached from different perspectives and paradigms Africans and the Exiled Life therefore is a compelling and rich addition to the ongoing global debate and understanding of migration and exile

African Immigrant Families in Another France L. Bass, 2014-09-25 Immigrant incorporation is a critical challenge for France and other European societies today Black Africans migrants are racialized and endowed with an immigrant status which carries low status and is durable into the second generation This book elucidates the conflict and issues pertinent to social integration

Redefining the African Diaspora Toyin Falola, Danielle Porter Sanchez, 2016-01-28 Tradition and modernity as they relate to African and diasporic cultures do not exist within a vacuum They reflect the constantly changing relations and factors that define daily life in Africa and beyond For example one cannot consider Congolese fabric in the mid twentieth century without thinking about the immense impact of the Second World War on ideas about French colonialism and trade relations within the French empire African cultures are immensely significant in the larger histories and microhistories of Africa and the African diaspora because they often reflect the important nuances of race class and gender and how these factors intersect with politics and society on local regional national and global levels This book thus examines the important connections between African cultures and social and political movements in the African diaspora from Brazil to the United States

Transcultural Modernities Elisabeth Bekers, Sissy Helff, Daniela Merolla, 2009 The swelling flows of migration from Africa towards Europe have aroused interest not only in the socio political consequences of the migrants insistent appeals to fortress Europe but also in the artistic integration of African migrants into the cultural world of Europe While in recent years the creative output of Africans living in Europe has received attention from the media and in academia little critical consideration has been given to African migrants modes of narration and the manner in which these modes give expression to or are an expression of their creators transcultural realities Transcultural Modernities Narrating Africa in Europe responds to this need for reflection by examining the manner in which migrants compose and negotiate their Euro African affiliations in their narratives The book brings together scholars in the fields of literary and art criticism cultural studies and anthropology for an extensive interdisciplinary exchange on the specific modes of narration displayed in Euro African literatures the visual arts and cinema as well as offering ethnographic case studies The result is a wide range of reflections on how African artists writers and ordinary people living in Europe experience and explore their transcultural and or postcolonial environments and how their experiences and explorations in turn contribute to the construction of modern Euro African life worlds

Decolonizing the Republic Félix F. Germain, 2016-07-01 Decolonizing the Republic is a conscientious discussion of the African diaspora in Paris in the post World War II period This book is the first to examine the intersection of black activism and the migration of Caribbeans and Africans to Paris during this era and as Patrick Manning notes in the foreword successfully shows how black Parisians in their daily labors weekend celebrations and periodic protests opened the way to decolonizing the Republic advancing the respect for their rights as citizens Contrasted to earlier works focusing on the black intellectual elite Decolonizing the Republic maps the formation of a working class black France Readers will better comprehend how those peoples of African descent who settled in France and fought to improve their socioeconomic conditions changed the French perception of Caribbean and African identity laying the foundation for contemporary black activists to deploy a new politics of social inclusion across the demographics of race class gender and nationality This book complicates conventional understandings of decolonization and in doing so opens a new and much needed chapter in the history of the black Atlantic

Postcolonial Violence, Culture and Identity in Francophone Africa and the Antilles Lorna Milne, 2007 This collection of essays derives from a conference on Violence Culture and Identity held in St Andrews in June 2003 It examines postcolonial cultures and identities by investigating the way in which violence is represented by Francophone creative artists
