Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series

**Fighting for American Manhood** Kristin L. Hoganson,1998-01-01 This groundbreaking book blends international relations and gender history to provide a new understanding of the Spanish American and Philippine American wars Kristin L Hoganson shows how gendered ideas about citizenship and political leadership influenced jingoist political leaders desire to wage these conflicts and she traces how they manipulated ideas about gender to embroil the nation in war She argues that racial beliefs were only part of the cultural framework that undergirded U S martial policies at the turn of the century Gender beliefs also affected the rise and fall of the nation s imperialist impulse Drawing on an extensive range of sources including congressional debates campaign speeches political tracts newspapers magazines political cartoons and the papers of politicians soldiers suffragists and other political activists Hoganson discusses how concerns about manhood affected debates over war and empire She demonstrates that jingoist political leaders distressed by the passing of the Civil War generation and by women s incursions into electoral politics embraced war as an opportunity to promote a political vision in which soldiers were venerated as model citizens and women remained on the fringes of political life These gender concerns not only played an important role in the Spanish American and Philippine American wars they have echoes in later time periods says the author and recognizing their significance has powerful ramifications for the way we view international relations Yale Historical Publications

**Still Fighting the Civil War** David Goldfield,2013-04-15 In the updated edition of his sweeping narrative on southern history David Goldfield brings this extensive study into the present with a timely assessment of the unresolved issues surrounding the Civil War s sesquicentennial commemoration Traversing a hundred and fifty years of memory Goldfield confronts the remnants of the American Civil War that survive in the hearts of many of the South s residents and in the national news headlines of battle flags racial injustice and religious conflicts Goldfield candidly discusses how and why white southern men fashioned the myths of the Lost Cause and Redemption out of the Civil War and Reconstruction and how they shaped a religion to canonize the heroes and deify the events of those fateful years He also recounts how groups of blacks and white women eventually crafted a different more inclusive version of southern history and how that new vision competed with more traditional perspectives The battle for southern history and for the South continues in museums public spaces books state legislatures and the minds of southerners Given the region s growing economic power and political influence understanding this war takes on national significance Through an analysis of ideas of history and memory religion race and gender Still Fighting the Civil War provides us with a better understanding of the South and one another

**Why America Fights** Susan A. Brewer,2011-03-17 Why America Fights explores how the U S government has sold war aims designed to rally public support throughout the 20th century

**America Goes to War** Charles Patrick Neimeyer,1996 We have all known from before grade school that The American Revolution was won by a classless citizen army made up of farmers and artisans burning with patriotism and determination Neimeyer Naval War College reminds us that being absolutely certain of something does not make it true He finds that the upper classes generally neglected to sign up and that the army was primarily composed of African Americans Irish Germans Native Americans laborers for hire and white men without fixed addresses they rarely cared anything about the high ideals being spouted in the drawing rooms and conference halls They adamantly refused to enlist for the duration of an open ended war mutinied deserted and resisted officers and government They were he demonstrated real soldiers Annotation copyright by Book News Inc Portland OR

**America Ascendant** Sean Dennis Cashman,1998-09 Comprises a narrative history with an emphasis on politics and culture of the United States from the Progressive movement at the turn of the 20th century to the end of WWII in 1945 Includes fine bandw photographs and illustrations throughout Annotation copyrighted by Book News Inc Portland OR

**A War of Frontier and Empire** David J. Silbey,2008-03-04 First rate military history A War of Frontier and Empire retells an often forgotten chapter in America s past infusing it with commanding contemporary relevance It has been termed an insurgency a revolution a guerrilla war and a conventional war As David J Silbey demonstrates in this taut compelling history the 1899 Philippine American War was in fact all of these Played out over three distinct conflicts one fought between the Spanish and the allied United States and Filipino forces one fought between the United States and the Philippine Army of Liberation and one fought between occupying American troops and an insurgent alliance of often divided Filipinos the war marked America s first steps as a global power and produced a wealth of lessons learned and forgotten

**Loon** Jack McLean,2010-05-25 Kids like me didn t go to Vietnam writes Jack McLean in his compulsively readable memoir Raised in suburban New Jersey he attended the Phillips Academy in Andover MA but decided to put college on hold After graduation in the spring of 1966 faced with the mandatory military draft he enlisted in the United States Marine Corps for a two year stint Vietnam at the time was a country and not yet a war he writes It didn t remain that way for long A year later after boot camp at Parris Island South Carolina and stateside duty in Barstow California the Vietnam War was reaching its peak McLean like most available Marines was retrained at Camp Pendleton California and sent to Vietnam as a grunt to serve in an infantry company in the northernmost reaches of South Vietnam McLean s story climaxes with the horrific three day Battle for Landing Zone Loon in June 1968 Fought on a remote hill in the northwestern corner of South Vietnam McLean bore witness to the horror of war and was forever changed He returned home six weeks later to a country largely ambivalent to his service Written with honesty and insight Loon is a powerful coming of age portrait of a boy who bears witness to some of the most tumultuous events in our history both in Vietnam and back home

**The Encyclopedia of the Spanish-American and Philippine-American Wars [3 volumes]** Spencer C. Tucker,2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America s coming of age with The Encyclopedia of the Spanish American and Philippine American Wars A Political Social and Military History Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world s foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America s transition from the Gilded Age to the Progressive Era

**Manifest Design** Thomas R. Hietala,1985

**Fast Tanks and Heavy Bombers** David E. Johnson,2013-01-14 The U S Army entered World War II unprepared In addition lacking Germany s blitzkrieg approach of coordinated armor and air power the army was organized to fight two wars one on the ground and one in the air Previous commentators have blamed Congressional funding and public apathy for the army s unprepared state David E Johnson believes instead that the principal causes were internal army culture and bureaucracy and their combined impact on the development of weapons and doctrine Johnson examines the U S Army s innovations for both armor and aviation between the world wars arguing that the tank became a captive of the conservative infantry and cavalry branches while the airplane s development was channeled by air power insurgents bent on creating an independent air force He maintains that as a consequence the tank s potential was hindered by the traditional arms while air power advocates focused mainly on proving the decisiveness of strategic bombing neglecting the mission of tactical support for ground troops Minimal interaction between ground and air officers resulted in insufficient cooperation between armored forces and air forces *Fast Tanks and Heavy Bombers* makes a major contribution to a new understanding of both the creation of the modern U S Army and the Army s performance in World War II The book also provides important insights for future military innovation

[Encyclopedia of the Spanish-American and Philippine-American Wars](#) Jerry Keenan,2001-12-05 An A Z encyclopedia covering the principal battles and campaigns key military and political figures and the political maneuvering during the Spanish American and Philippine American Wars America s adventure into colonialism began with the destruction of the U S battleship *Maine* in 1898 presumably by a Spanish mine The four month war against Spain that followed the shortest declared war in U S history resulted in the U S acquisition of the Philippines Puerto Rico and Guam The young giant of the Western Hemisphere was transformed into a colonial power and the balance of power in the world was changed forever In this chronicle of an era that has escaped the attention it deserves military historian Jerry Keenan explores America s war with Spain and the violence that followed He shows how the United States muddled the administration of the sprawling Philippine archipelago guided by a policy that President McKinley called benevolent assimilation Within a year the United States was fighting a war against Philippine nationalists a three year conflict that would give American soldiers their first bitter taste of counterinsurgency warfare in an Asian jungle

**The Cross of War** Matthew McCullough,2014-08-20 Recovers a forgotten history of how U S Christian leaders in the era of Spanish American War began using Christian ideas to promote an American responsibility for extending freedom around the world by force if necessary

**Fertile Matters** Elena R. Gutiérrez,2009-06-03 While the stereotype of the persistently pregnant Mexican origin woman is longstanding in the past fifteen years her reproduction has been targeted as a major social problem for the United States Due to fear fueled news reports and public perceptions about the changing composition of the nation s racial and ethnic makeup the so called Latinization of America the reproduction of Mexican immigrant women has become a central theme in contemporary U S politics since the early 1990s In this exploration Elena R Guti rrez considers these public stereotypes of Mexican American and Mexican immigrant women as hyper fertile baby machines who breed like rabbits She draws on social constructionist perspectives to examine the historical and sociopolitical evolution of these racial ideologies and the related beliefs that Mexican origin families are unduly large and that Mexican American and Mexican immigrant women do not use birth control Using the coercive sterilization of Mexican origin women in Los Angeles as a case study Guti rrez opens a dialogue on the racial politics of reproduction and how they have developed for women of Mexican origin in the United States She illustrates how the ways we talk and think about reproduction are part of a system of racial domination that shapes social policy and affects individual women s lives

**Carrying the War to the Enemy** Michael R. Matheny, 2012-10-09 Military commanders turn tactics into strategic victory by means of operational art the knowledge and creative imagination commanders and staff employ in designing synchronizing and conducting battles and major operations to achieve strategic goals Until now historians of military theory have generally agreed that modern operational art developed between the first and second world wars not in the United States but in Germany and the Soviet Union whose armies were supposedly the innovators and greatest practitioners of operational art Some have even claimed that U S forces struggled in World War II because their commanders had no systematic understanding of operational art Michael R Matheny believes previous studies have not appreciated the evolution of U S military thinking at the operational level Although they may rightly point to the U S Army s failure to modernize or develop a sophisticated combined arms doctrine during the interwar years they focus too much on technology or tactical doctrine In his revealing account Matheny shows that it was at the operational level particularly in mounting joint and combined operations that senior American commanders excelled and laid a foundation for their country s victory in World War II Matheny draws on archival materials from military educational institutions planning documents and operational records of World War II campaigns Examining in detail the development of American operational art as land sea and air power matured in the twentieth century he shows that contrary to conventional wisdom U S war colleges educated and trained commanders during the interwar years specifically for the operational art they employed in World War II After 1945 in the face of nuclear warfare the American military largely abandoned operational art But since the Vietnam War U S commanders have found operational art increasingly important as they pursue modern global and expeditionary warfare requiring coordination among multiple service branches and the forces of allied countries

*The Cost is Sworn to by Women* Dawn Anne Ottevaere, 2010 During the Philippine American War the U S Army innovated gendered tactics to suppress native resistance making control of female populations essential to military operations I argue in this dissertation that Progressive Era American ideas of masculinity and femininity influenced counterinsurgency development from 1898 to 1902 shaping resistance and violence in the Philippines while setting the future course of U S military doctrine An analysis of civilian resistance and U S counterinsurgency reveals key tactical drivers including native female mobility kinship networks wage work reproductive labor portable wealth and access to legal systems Despite female support for local Filipino guerrillas American soldiers attention to these drivers often stabilized villages enhanced intelligence collection platforms targeted high value individuals and provided access to civilian infrastructure However this approach also placed the minds bodies and labor of women at the center of a violent struggle providing additional challenges for security operations U S strategic leaders acknowledged clear indicators of indigenous female participation in the war but could not reconcile gender issues into an overarching military policy Ultimately the ad hoc U S counterinsurgency was unsuccessful in establishing long term stability in the Philippines

The Heartland Kristin L. Hoganson, 2020-04-21 A history of a quintessentially American place the rural and small town heartland that uncovers deep yet hidden currents of connection with the world When Kristin L Hoganson arrived in Champaign Illinois after teaching at Harvard studying at Yale and living in the D C metro area with various stints overseas she expected to find her new home well isolated Even provincial After all she had landed in the American heartland a place where the nation s identity exists in its pristine form Or so we have been taught to believe Struck by the gap between reputation and reality she determined to get to the bottom of history and myth The deeper she dug into the making of the modern heartland the wider her story became as she realized that she d uncovered an unheralded crossroads of people commerce and ideas But the really interesting thing Hoganson found was that over the course of American history even as the region s connections with the rest of the planet became increasingly dense and intricate the idea of the rural Midwest as a steadfast heartland became a stronger and more stubbornly immovable myth In enshrining a symbolic heart the American people have repressed the kinds of stories that Hoganson tells of sweeping breadth and depth and soul In *The Heartland* Kristin L Hoganson drills deep into the center of the country only to find a global story in the resulting core sample Deftly navigating the disconnect between history and myth she tracks both the backstory of this region and the evolution of the idea of an unalloyed heart at the center of the land A provocative and highly original work of historical scholarship *The Heartland* speaks volumes about pressing preoccupations among them identity and community immigration and trade and security and global power And food To read it is to be inoculated against using the word heartland unironically ever again

**An Encyclopedia of American Women at War [2 volumes]** Lisa . Tendrich Frank, 2013-01-17 A sweeping review of the role of women within the American military from the colonial period to the present day In America the achievements defeats and glory of war are traditionally ascribed to men Women however have been an integral part of our country s military history from the very beginning This unprecedented encyclopedia explores the accomplishments and actions of the fairer sex in the various conflicts in which the United States has fought *An Encyclopedia of American Women at War From the Home Front to the Battlefields* contains entries on all of the major themes organizations wars and biographies related to the history of women and the American military The book traces the evolution of their roles as leaders spies soldiers and nurses and illustrates women s participation in actions on the ground as well as in making the key decisions of developing conflicts From the colonial conflicts with European powers to the current War on Terror coverage is comprehensive with material organized in an easy to use A Z ready reference format

Political Violence in America [2 volumes] [2 volumes] Lori Cox Han, Tomislav Han, 2022-03-29 This multivolume encyclopedia surveys America s long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation s very inception which saw a campaign of violent rebellion against British rule Since then America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country s political discourse that would reduce such outbreaks of bloodshed This authoritative multivolume encyclopedia provides answers to all these questions and more

Lost Battalions Richard Slotkin,2013-12-24 A work of stunning density and penetrating analysis Lost Battalions deploys a narrative symmetry of gratifying complexity David Levering Lewis The Nation During the bloodiest days of World War I no soldiers served more valiantly than the African American troops of the 369th Infantry the fabled Harlem Hellfighters and the legendary 77th lost battalion composed of New York City immigrants Though these men had lived up to their side of the bargain as loyal American soldiers the country to which they returned solidified laws and patterns of social behavior that had stigmatized them as second class citizens Richard Slotkin takes the pulse of a nation struggling with social inequality during a decisive historical moment juxtaposing social commentary with battle scenes that display the bravery and solidarity of these men Enduring grueling maneuvers and the loss of so many of their brethren the soldiers in the lost battalions were forever bound by their wartime experience Both a riveting combat narrative and a brilliant social history Lost Battalions delivers a richly detailed account of the fierce fight for equality in the shadow of a foreign war

**The Third Century** Mark T. Gilderhus,David C. LaFevor,Michael J. LaRosa,2017-01-05 This text focuses on U S relations with Latin America from the advent of the New Diplomacy late in the nineteenth century to the present Providing a balanced perspective it presents both the United States view that the Western Hemisphere needed to unite under a common democratic capitalistic society and the Latin American countries response to U S attempts to impose these goals on its southern neighbors The authors examine the reciprocal interactions between the two regions each with distinctive purposes outlooks interests and cultures They also place U S Latin American relations within the larger global political and economic context

## **Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

## **Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series**

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility

**Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series**  
empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series Books**

1. Where can I buy Fighting For American Manhood How Gender Politics Provoked The Spanish American And Philippine American Wars Yale Historical Publications Series books?
