Mercedes Ladies Aug 04 2021 Based on a true story, this gripping account of hip hop's early years follows Sherri Sher, who, growing up in the South Bronx during the 1970s and caring for her eleven siblings, forms an all-girl rap group and discovers that it is hard to earn respect in a male-dominated world. Original.

Blowin' Up May 13 2022 Dr. Dre. Snoop Dogg. Ice Cube. Some of the biggest stars in hip hop made their careers in Los Angeles. And today there is a new generation of young, mostly black, men busting out rhymes and hoping to one day find themselves “blowin’ up”—getting signed to a record label and becoming famous. Many of these aspiring rappers get their start in Leimart Park, home to the legendary hip hop open-mic workshop Project Blowed. In *Blowin’ Up*, Jooyoung Lee takes us deep inside Project Blowed and the surrounding music industry, offering an unparalleled look at hip hop in the making. While most books on rap are written from the perspective of listeners and the market, *Blowin’ Up* looks specifically at the creative side of rappers. As Lee shows, learning

how to rap involves a great deal of discipline, and it takes practice to acquire the necessary skills to put on a good show. Along with Lee—who is himself a pop-locker—we watch as the rappers at Project Blowed learn the basics, from how to hold a microphone to how to control their breath amid all those words. And we meet rappers like E. Crimsin, Nocando, VerBS, and Flawliss as they freestyle and battle with each other. For the men at Project Blowed, hip hop offers a creative alternative to the gang lifestyle, substituting verbal competition for physical violence, and provides an outlet for setting goals and working toward them.

Engagingly descriptive and chock-full of entertaining personalities and real-life vignettes, *Blowin’ Up* not only delivers a behind-the-scenes view of the underground world of hip hop, but also makes a strong case for supporting the creative aspirations of young, urban, black men, who are often growing up in the shadow of gang violence and dead-end jobs.

Learn to Rap Mar 30 2021 Unleash your inner rapper with this engaging guide to writing raps that flow like a pro! Perfect for aspiring rappers of any age, this book is both an instructional manual and songwriting journal, compiled by an experienced Performing Arts teacher. Measuring 8" by 10" with a glossy cover, this book is the perfect size to carry with you and work on your raps wherever you go. Whether you're a beginner or just looking to hone your skills, this guide is the ultimate tool for finding your unique style and mastering the art of rap.

Flow May 01 2021 From its dynamic start at dance parties in the South Bronx in the late 1970s, hip hop and rap music have exploded into a dominant style of popular music in the United States and a force for activism and expression all over the world. So, too, has scholarship on hip hop and rap music grown. Yet much of this scholarship, employing methods drawn from sociology and literature, leaves unaddressed the expressive musical choices made by hip hop artists. Fundamental among these choices is the rhythm of the rapping voice, termed "flow." *Flow* presents unique theoretical and analytical challenges. It is rhythmic in the same way other music is rhythmic, but also in the way speech and poetry are rhythmic. For the first time, Mitchell Ohriner's *Flow: The Rhythmic Voice in Rap Music* reconciles approaches to key concepts of rhythm, such as meter, periodicity, patterning, and accent, treated independently across other branches of scholarship. Ohriner theorizes flow by weaving between the methods of computational music analysis and humanistic close reading. Through the analysis of large collections of verses and individual tracks, the book addresses theories of rhythm, meter, and groove in the unique ecology of rap music. In a series of case studies in the second half, the work of Eminem clarifies how flow can relate to text, the work of Black Thought of The Roots clarifies how flow can relate to other instrumental streams, and the work of Talib Kweli clarifies how flow can relate to rap's persistent meter. While Ohriner focuses on rap music throughout the book, the methods he introduces will be useful for other musical genres that feature the voice freely interacting with a more rigid metric framework.

Listen to Rap! Jun 25 2023 *Listen to Rap! Exploring a Musical Genre* provides an overview of this kinetic and poetic musical genre for scholars of rap and curious novices alike. *Listen to Rap! Exploring a Musical Genre* discusses the 50 most influential, commercially successful, and important rappers, rap crews (bands), rap albums, and rap singles. Rap began as an American phenomenon, so the book's emphasis is on Americans, although it also includes information on Canadian, British, Indian, and African rappers and crews. Its organization makes information easily accessible for readers, and the emphasis on the sound

of the music gives readers a new angle from which to appreciate the music. Unlike other titles in the series, this volume concentrates solely on rap music. Included in the book are rappers who range from the earliest practitioners of the genre to rappers who are redefining the genre today. A background section introduces the genre, while a legacy section shows how rap has cemented its place in the world. Additionally, another section shows the tremendous impact rap has had on popular culture.

Rap Music and Culture Nov 06 2021 Contains over twenty essays that offer varying perspectives on controversial issues related to rap music, such as if it is a significant American cultural music and if it harms women.

The Story of Rap Nov 30 2023 From Grandmaster Flash to Jay-Z rap has shaped generations and transformed the charts. Bop along with the greats in this adorable baby book that introduces little ones to the rappers that started it all.

Bring the Noise Jan 09 2022 Introduction to the history of rap and a guide to the best recordings available.

Fox in Socks Dec 08 2021 Kids will love learning how wacky words can be with this classic picture book of tongue twisters from Dr. Seuss! "This is a book you READ ALOUD to find out just how smart your tongue is. The first time you read it, don't go fast! This Fox is a tricky fox. He'll try to get your tongue in trouble." When a fox in socks meets Knox in a box, you know that hilarity will ensue! Add chicks with bricks (and blocks and clocks) and you're sure to get your words twisted and lips locked. With his unmistakable gift for rhyme, Dr. Seuss creates a fun way for beginning readers to dive into the joy of reading. Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of *The Cat in the Hat*, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of

kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3-7.

Does God Listen to Rap? Jul 03 2021 A lot of people think that if there is one style of music in the world that God hates, it has got to be rap. Some have even gone so far as to call rap, "An unclean thing before the Lord." They don't believe something originally associated with so much evil can ever be redeemed for God's glory. Lots of other people love and accept rap as their preferred form of musical expression. Many of these who are Christians can't imagine why God would have any issues with rap - at least, not with songs by believers that encourage and edify them in the faith. Who's right? And maybe more importantly, who cares? You should. And here's why. In the past 30 years, rap music has become a vital artistic and cultural force globally, and it's showing no signs of slowing down. Like it or not, you are probably exposed to rap in one form or another on a fairly regular basis. If you're interested in this book you may be a believer in Jesus who likes rap a lot, and as Christians, when we love something that is (if you hadn't noticed) closely associated with sin and rebellion, our justification for being involved with it really does need to go beyond, "Dude, this is good stuff." But maybe you're in a different category. Maybe you're a Christian parent, concerned that rap music may have a negative impact on your child. Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback. Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap. To put it simply, if you've made it this far, this book is probably for you. Does God Listen to Rap? covers two areas. First, it presents a sociological history of the emergence and development of rap. If you enjoy rap and hip hop culture, you'll love this part of the book. Then the book explores the Scriptures to bring some biblical (not just personal or anecdotal) resolution to the question of God and rap. Ultimately, this involves a set of larger questions involving God and the arts. This is more than just an apologetic for rap music, this is a biblical way to think about how Christians can be in the world yet not of the world, and how they can express themselves to the glory of God. So, does God listen to rap? Come find out.

Houston Rap Feb 19 2023 The Houston, Texas, neighborhoods of Fifth Ward, Third Ward and South Park have grown to be hallowed ground for modern rap culture, populated with celebrities, entrepreneurs, support networks and a micro-economy of their own. Photographer Peter Beste (photographer of True Norwegian Black Metal) and writer Lance Scott Walker spent nine years documenting the most influential style in twenty-first-century hip hop and the vibrant inner city culture from which it stems. *Houston Rap*, edited by Johan Kugelberg, profiles noted artists such as Bun B of UGK, Z-Ro, Big Mike, K-Rino, Willie D of the Geto Boys, Lil' Troy and Paul Wall, alongside reflections on the lives of departed legends such as DJ Screw, Pimp C and Big Hawk. The book also features community leaders, rappers, producers, businessmen and family members, all providing an astonishing and important insight into a great American cultural narrative. In addition to featuring Beste's previously unseen images of the contemporary Houston rap scene, *Houston Rap* includes a detailed timeline charting the growth of rap music in Houston from its origins to the present.

And much more

How to Rap Mar 11 2022 Personal How to on how to rap and the basic fundamentals of hip hop

Rap on Trial Oct 18 2022 A groundbreaking exposé about the alarming use of rap lyrics as criminal evidence to convict and incarcerate young men of color Should Johnny Cash have been charged with murder after he sang, "I shot a man in Reno just to watch him die"? Few would seriously subscribe to this notion of justice. Yet in 2001, a rapper named Mac whose music had gained national recognition was convicted of manslaughter after the prosecutor quoted liberally from his album *Shell Shocked*. Mac was sentenced to thirty years in prison, where he remains. And his case is just one of many nationwide. Over the last three decades, as rap became increasingly popular, prosecutors saw an opportunity: they could present the sometimes violent, crime-laden lyrics of amateur rappers as confessions to crimes, threats of violence, evidence of gang affiliation, or revelations of criminal motive—and judges and juries would go along with it. Detectives have reopened cold cases on account of rap lyrics and videos alone, and prosecutors have secured convictions by presenting such lyrics and videos of rappers as autobiography. Now, an

alarming number of aspiring rappers are imprisoned. No other form of creative expression is treated this way in the courts. *Rap on Trial* places this disturbing practice in the context of hip hop history and exposes what's at stake. It's a gripping, timely exploration at the crossroads of contemporary hip hop and mass incarceration.

Too Shy to Rap ! May 25 2023 *Too Shy To Rap ! - Lyrics Book* Save your music ideas in one place. Houston Rap Tapes Sep 04 2021 The neighborhoods of Fifth Ward, Fourth Ward, Third Ward, and the Southside of Houston, Texas, gave birth to Houston rap, a vibrant music scene that has produced globally recognized artists such as Geto Boys, DJ Screw, Pimp C and Bun B of UGK, Fat Pat, Big Moe, Z-Ro, Lil' Troy, and Paul Wall. Lance Scott Walker and photographer Peter Beste spent a decade documenting Houston's scene, interviewing and photographing the people—rappers, DJs, producers, promoters, record label owners—and places that give rap music from the Bayou City its distinctive character. Their collaboration produced the books *Houston Rap* and *Houston Rap Tapes*. This second edition of *Houston Rap Tapes* amplifies the city's hip-hop history through new interviews with Scarface, Slim Thug, Lez Moné, B L A C K I E, Lil' Keke, and Sire Jukebox of the original Ghetto Boys. Walker groups the interviews into sections that track the different eras and movements in Houston rap, with new photographs and album art that reveal the evolution of the scene from the 1970s to today's hip-hop generation. The interviews range from the specifics of making music to the passions, regrets, memories, and hopes that give it life. While offering a view from some of Houston's most marginalized areas, these intimate conversations lay out universal struggles and feelings. As Willie D of Geto Boys writes in the foreword, "Houston Rap Tapes flows more like a bunch of fellows

who haven't seen each other for ages, hanging out on the block reminiscing, rather than a calculated literary guide to Houston's history." [Rap Capital](#) Jun 13 2022 "From mansions to trap houses, office buildings to strip clubs, Atlanta is defined by its rap music. But this flashy and fast-paced world is rarely seen below surface-level as a collection not of superheroes and villains, cartoons and caricatures, but of flawed and inspired individuals all trying to get a piece of what everyone else seems to have. In artistic, commercial, and human terms, Atlanta rap represents the most consequential musical ecosystem of this century so far. Rap Capital tells the dramatic stories of the people who make it tick, and the city that made them that way."--

The Hip Hop Movement Sep 16 2022 The Hip Hop Movement offers a critical theory and alternative history of rap music and hip hop culture by examining their roots in the popular musics and popular cultures of the Civil Rights Movement and Black Power Movement. Connecting classic rhythm & blues and rock & roll to the Civil Rights Movement, and classic soul and funk to the Black Power Movement, The Hip Hop Movement explores what each of these musics and movements contributed to rap, neo-soul, hip hop culture, and the broader Hip Hop Movement. Ultimately, this book's remixes (as opposed to chapters) reveal that black popular music and black popular culture have always been more than merely "popular music" and "popular culture" in the conventional sense and reflect a broader social, political, and cultural movement. With this in mind, sociologist and musicologist Reiland Rabaka critically reinterprets rap and neo-soul as popular expressions of the politics, social visions, and cultural values of a contemporary multi-issue movement: the Hip Hop Movement. Rabaka argues that rap music, hip hop culture, and the Hip Hop Movement are as deserving of critical scholarly inquiry as previous black popular musics, such as the spirituals, blues, ragtime, jazz, rhythm & blues, rock & roll, soul, and funk, and previous black popular movements, such as the Black Women's Club Movement, New Negro Movement, Harlem Renaissance, Civil Rights Movement, Black Power Movement, Black Arts Movement, and Black Women's Liberation Movement. This volume, equal parts alternative

history of hip hop and critical theory of hip hop, challenges those scholars, critics, and fans of hip hop who lopsidedly over-focus on commercial rap, pop rap, and gangsta rap while failing to acknowledge that there are more than three dozen genres of rap music and many other socially and politically progressive forms of hip hop culture beyond DJing, MCing, rapping, beat-making, break-dancing, and graffiti-writing. [Rap Dictionary](#) Feb 02 2024 The Official & Essential Hip-Hop Dictionary. eBook version. Rap Dictionary: An A-Z guide to Rap/Hip-Hop (eBook) slang and terms. This is the first edition of Rap Dictionary, a book which includes slang, terms, numbers, phrases, ad-libs, idioms, expressions, currencies & symbols, weed measurements AND more. Featuring the most used slangs in Hip-Hop & Rap music, the physical copy of Rap Dictionary makes a wonderful gift for a hip-hop head.

What's Good? Oct 06 2021 A love letter to the verbal artistry of hip-hop, What's Good is a work of passionate lyrical analysis.

Becoming an Emsee Apr 23 2023 As the world celebrates Hip Hop with the Pulitzer Prize and title of “first billionaire rapper,” what is lost in the noise of recognition is the craft, artistry, and techniques of Hip-Hop music or rapping. Hailed as a “genius” by Dr. Cornel West and acknowledged as one of the most innovative musicians by Hip-Hop legends and icons of rap, O’hene Savant redefines the rapper as an “emsee”—an artist with vision and not simply rote technique. In *Becoming an Emsee*, the multi-instrumentalist, producer, and Hip-Hop artist Savant offers the rapper and anyone who wants to learn the art of emseeing a first-of-its-kind guide, organized into seven principles and packed with original insights for every artist from a master musician. It is one thing to rap, but it is quite another to know how to rap and then teach it. *Becoming an Emsee* introduces readers to philosophies that lay at the foundation of rap as well as disc jockeys, jazz musicians, and other Hip-Hop pioneers. Lyrics from Savant and a range of rappers are analyzed to show technique, evolution and the musical structures underlying rhymes, while immersing us in the art of composition, wit, word manipulation, voicing, flow, and live performance. Through *Becoming an Emsee*, Savant reclaims the craft, artistry and musicianship of Hip-Hop music.

Tags: The Rap Year Book, How to rap, black privilege, gucci mane book, Gucci Mane The Rap Year Book, How to rap, book of rhymes, The Complete Rhyming Dictionary, Shea Serrano

How to Rap Jun 06 2024 "A complete guide to the art and craft of the MC, anyone who's serious about becoming a rapper should read this first." --Hip Hop Connection magazine "A clever breakdown of the art form of hip-hop rhymes ... It's about time someone actually recognized this powerful music for its artistic integrity." -Speech, Arrested Development Examining the dynamics of hip-hop from every region and in every form-mainstream and underground, current and classic-this compelling how-to discusses everything from content and flow to rhythm and delivery. Compiled from the most extensive research on rapping to date, this first-of-its-kind guide delivers countless candid and exclusive insights from more than 100 of the most critically acclaimed artists in hip-hop-including Clipse, Cypress Hill, Nelly, Public Enemy, Remy Ma, Schoolly D, A Tribe Called Quest, and will.i.am-revealing the stories behind their art and preserving the genre's history through the words of the legends themselves. Beginners and pros alike will benefit from the wealth of rapping lore and insight in this remarkable collection." --*The Roots of Rap* Jan 21 2023 Explore the roots of rap in this stunning, rhyming, triple-timing picture book! "Carole Boston Weatherford, once again, delivers a resounding testament and reminder, that hip-hop is a flavorful slice of larger cultural cake. And to be hip-hop-to truly be it-we must remember that we are also funk, jazz, soul, folktale, and poetry. We must remember that . . . we are who we are!" —Jason Reynolds, *New*

York Times best-selling author "Starting with its attention-getting cover, this picture book does an excellent job of capturing the essence of rap . . . This tribute to hip hop culture will appeal to a wide audience, and practically demands multiple readings." —Booklist, STARRED REVIEW "No way around it, this book is supa-dupa fly, with lush illustrations anchored in signature hip-hop iconography for the future of the global hip-hop nation." —Kirkus Reviews, STARRED REVIEW "With short, rhyming lines and dramatic portraits of performers, the creative team behind *How Sweet the Sound: The Story of Amazing Grace* offers a dynamic introduction to hip-hop. . . . This artful introduction to one of the most influential cultural movements of the 20th century pulses with the energy and rhythm of its subject." —Publishers Weekly, STARRED REVIEW A generation voicing stories, hopes, and fears finds a hip-hop nation. Say holler if you hear. The roots of rap and the history of hip-hop have origins that precede DJ Kool Herc and Grandmaster Flash. Kids will learn about how it evolved from folktales, spirituals, and poetry, to the showmanship of James Brown, to the culture of graffiti art and break dancing that formed around the art form and gave birth to the musical artists we know today. Written in lyrical rhythm by award-winning author and poet Carole Boston Weatherford and complete with flowing, vibrant illustrations by Frank Morrison, this book beautifully illustrates how hip-hop is a language spoken the whole world 'round, and it features a foreword by Swizz Beatz, a Grammy Award-winning American hip-hop rapper, DJ, and record producer.

Droppin' Science Feb 27 2021 Rap and hip hop, the music and culture rooted in African American urban life, bloomed in the late 1970s on the streets and in the playgrounds of New York City. This critical collection serves as a historical guide to rap and hip hop from its beginnings to the evolution of its many forms and frequent controversies, including violence and misogyny. These wide-ranging essays discuss white crossover, women in rap, gangsta rap, message rap, raunch rap, Latino rap, black nationalism, and other elements of rap and hip hop culture like dance and fashion. An extensive bibliography and pictorial profiles by Ernie Pannicolli enhance this collection that brings together the

foremost experts on the pop culture explosion of rap and hip hop. Author note: William Eric Perkins is a Faculty Fellow at the W.E.B. DuBois House at the University of Pennsylvania, and an Adjunct Professor of Communications at Hunter College, City University of New York. [The Educated Person's Guide to Rap Music](#) Mar 23 2023 Rap presently stands as one of the most popular musical genres. It is also one of the most recent, only ascending to sustained popularity in the 1980s. Unlike most music, rap is replete with colloquial slang and wordplay. Newcomers, particularly those of a generation or social background unfamiliar with the streetwise language favored by rappers, are at a disadvantage when listening. This is music whose words are often not only cryptic, but stated so rapidly as to be incomprehensible to the untrained ear. *The Educated Person's Guide to Rap Music* seeks to address this situation. The author, aiming at an educated yet understandable tone, deciphers the lyrics of more than 40 individual rap songs. Whether you are a newcomer or a longtime aficionado, *The Educated Person's Guide to Rap Music* seeks to confer clarity, enlightenment and appreciation to a genre of music many still find inscrutable.

Can't Stop Won't Stop Apr 11 2022 *Can't Stop Won't Stop* is a powerful cultural and social history of the end of the American century, and a provocative look into the new world that the hip-hop generation created. Forged in the fires of the Bronx and Kingston, Jamaica, hip-hop became the Esperanto of youth rebellion and a generation-defining movement. In a post-civil rights era defined by deindustrialization and globalization, hip-hop crystallized a multiracial, polycultural generation's worldview, and transformed American politics and culture. But that epic story has never been told with this kind of breadth, insight, and style. Based on original interviews with DJs, b-boys, rappers, graffiti writers, activists, and gang members, with unforgettable portraits of many of hip-hop's forebears, founders, and mavericks, including DJ Kool Herc, Afrika Bambaataa, Chuck D, and Ice Cube, *Can't Stop Won't Stop* chronicles the events, the ideas, the music, and the art that marked the hip-hop generation's rise from the ashes of the 60's into the new millennium.

The Anthology of Rap Aug 28 2023 From the school yards of the South Bronx to the tops of the "Billboard" charts, rap has emerged as one of the most influential cultural forces of our time. This pioneering anthology brings together more than 300 lyrics written over 30 years, from the "old school" to the present day.

Listen to Rap! Oct 30 2023 Listen to Rap! Exploring a Musical Genre provides an overview of this kinetic and poetic musical genre for scholars of rap and curious novices alike. Listen to Rap! Exploring a Musical Genre discusses the 50 most influential, commercially successful, and important rappers, rap crews (bands), rap albums, and rap singles. Rap began as an American phenomenon, so the book's emphasis is on Americans, although it also includes information on Canadian, British, Indian, and African rappers and crews. Its organization makes information easily accessible for readers, and the emphasis on the sound of the music gives readers a new angle from which to appreciate the music. Unlike other titles in the series, this volume concentrates solely on rap music. Included in the book are rappers who range from the earliest practitioners of the genre to rappers who are redefining the genre today. A background section introduces the genre, while a legacy section shows how rap has cemented its place in the world. Additionally, another section shows the tremendous impact rap has had on popular culture.

How to Rap 2 May 05 2024 This sequel to *How to Rap* breaks down and examines techniques that have not previously been explained—such as triplets, flams, lazy tails, and breaking rhyme patterns. Based on interviews with hip-hop's most innovative artists and groups, including Tech N9ne, Crooked I, Pharcyde, Das EFX, Del the Funky Homosapien, and Big Daddy Kane, this book takes you through the intricacies of rhythm, rhyme, and vocal delivery, delving into the art form in unprecedented detail. It is a must-read for MCs looking to take their craft to the next level, as well as anyone fascinated by rapping and its complexity.

Listening to Rap Apr 04 2024 Over the past four decades, rap and hip hop culture have taken a central place in popular music both in the

United States and around the world. *Listening to Rap: An Introduction* enables students to understand the historical context, cultural impact, and unique musical characteristics of this essential genre. Each chapter explores a key topic in the study of rap music from the 1970s to today, covering themes such as race, gender, commercialization, politics, and authenticity. Synthesizing the approaches of scholars from a variety of disciplines—including music, cultural studies, African-American studies, gender studies, literary criticism, and philosophy—*Listening to Rap* tracks the evolution of rap and hip hop while illustrating its vast cultural significance. The text features more than 60 detailed listening guides that analyze the musical elements of songs by a wide array of artists, from Afrika Bambaataa and Grandmaster Flash to Nicki Minaj, Jay-Z, Kanye West, and more. A companion website showcases playlists of the music discussed in each chapter. Rooted in the understanding that cultural context, music, and lyrics combine to shape rap's meaning, the text assumes no prior knowledge. For students of all backgrounds, *Listening to Rap* offers a clear and accessible introduction to this vital and influential music.

The Rap Year Book Jul 27 2023 A New York Times–bestselling, in-depth exploration of the most pivotal moments in rap music from 1979 to 2014. Here's what *The Rap Year Book* does: It takes readers from 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present, with Shea Serrano hilariously discussing, debating, and deconstructing the most important rap song year by year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists' backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, *The Rap Year Book* is an in-depth look at the most influential genre of music to come out of the last generation. Picked by *Billboard* as One of the 100 Greatest Music Books of All-Time Pitchfork Book Club's first selection

Understand Rap Sep 28 2023 Tongue-in-cheek translations of rap lyrics

for the clueless! Rap songs are famous for their double entendres, clever turns of phrase, and general ingenuity, but that doesn't mean things always make sense the first time around. Enter Understand Rap, a funny pop-cultural reference based on the website of the same name, which dryly and precisely explains the confusing lyrics and terms used in rap songs—in language that even the most unhip person can understand! “Where has this book been all our lives?” —Geek Alerts

The Official How To Rap Manual Mar 03 2024 The Official How To Rap Manual is a how to manual for rap artist who want to perfect thier craft. They learn the importance of poetry, grammer, and lyric writing to name a few of the things they will learn.
