Women, Culture, and Politics in Latin America Emilie L. Bergmann, Seminar on Feminism and Culture in Latin America, 1990 This collection because of its exceptional theoretical coherence and sophistication is qualitatively superior to the most frequently consulted anthologies on Latin American women s history and literature and represents a new more theoretically rigorous stage in the feminist debate on Latin American women Elizabeth Garrels Massachusetts Institute of Technology

The Rag Doll Plagues Alejandro Morales, 1992-01-01 A mysterious plague is decimating the population of colonial Mexico One of His Majesty s highest physicians is dispatched from Spain to bring the latest advances in medical science to the backward peoples of the New World capital Here begins the cyclical tale of man battling the unknown of science confronting the eternally indifferent forces of nature Morales takes us on a trip through ancient and future civilizations through exotic but all too familiar cultures to a final confrontation with our own ethics and world views In later chapters the colonial physician finds his successors as they once again engage in life or death struggles attempting to balance their own hopes desires and loves with the good society and the state Book II of the novel takes place in modern day southern California and Book III in a futuristic technocratic confederation known as Lamex In the tradition of Latin American born novelist Alejandro Morales is one of the finest representatives of magic realism in the English language In The Rag Doll Plagues Morales creates a many layered fictional world taking us on an entertaining and thought provoking safari thorough lands times peoples and ideas never before encountered or presented in this manner But ultimately this valuable trip leads to a reacquaintance with our own society and its moral vision

Develar y detonar Itala Schmelz, 2015 Reveal and Detonate Contemporary Mexican Photography proposes a survey of current photographic production in Mexico from multiple viewpoints in which photographers of different ages and from different parts of the country converge and intersect to chart a complex contradictory and disquieting map of Mexico today A map that seeks to provoke questions to open up photography to reflections and dialogue that will stimulate new ideas to enrich the discipline To reveal new ways of seeing and producing images To detonate reflection on the way we think about the contemporary photographic image

Urban Humanities Dana Cuff, Anastasia Loukaitou-Sideris, Todd Presner, Maite Zubiaurre, Jonathan Jae-An Crisman, 2020-04-07 Original action oriented humanist practices for interpreting and intervening in the city a new methodology at the intersection of the humanities design and urban studies Urban humanities is an emerging field at the intersection of the humanities urban planning and design It offers a new approach not only for understanding cities in a global context but for intervening in them interpreting their histories engaging with them in the present and speculating about their futures This book introduces both the theory and practice of urban humanities tracing the evolution of the concept presenting methods and practices with a wide range of research applications describing changes in teaching and curricula and offering case studies of urban humanities practices in the field Urban humanities views the city through a lens of spatial justice and its inquiries are centered on the microsettings of everyday life The book's case studies report on real world projects in mega cities in the Pacific Rim Tokyo Shanghai Mexico City and Los Angeles with several projects described in detail including playful spaces for children in car oriented Mexico City a commons in a Tokyo neighborhood and a rolling story telling box to promote literary justice in Los Angeles

After Exile Amy K. Kaminsky, 1999 Can an exiled writer ever really go home again What of the writers of Argentina Uruguay and Chile whose status as exiles in the 1970s and 1980s largely defined their identities and subject matter After Exile takes a critical look at these writers at the effect of exile on their work and at the complexities of homecoming a fraught possibility when democracy was restored to each of these countries Both famous and lesser known writers people this story of dislocation and relocation among them Jose Donoso Ana Vasquez Luisa Valenzuela Cristina Peri Rossi and Mario Benedetti In their work and their predicament Amy

K Kaminsky considers the representation of both physical uprootedness and national identity or more precisely an individual's identity as a national subject Here national identity is not the double abstraction of identity and nation but a person's sense of being and belonging that derives from memories and experiences of a particular place Because language is crucial to this connection Kaminsky explores the linguistic isolation miscommunication and multilingualism that mark late exile and post exile writing She also examines how gender difference affects the themes and rhetoric of exile how for example traditional projections of femininity such as the idea of a mother country are used to allegorize exile Describing exile as a process sometimes of acculturation sometimes of alienation this work fosters a new understanding of how writers live and work in relation to space and place particularly the place called home *MCAT Biology Next Step* MCAT Team,2019-06

Probability and Statistics for Engineering and the Sciences Jay Devore,2007-01-26 This market leading text provides a comprehensive introduction to probability and statistics for engineering students in all specialties This proven accurate book and its excellent examples evidence Jay Devore's reputation as an outstanding author and leader in the academic community Devore emphasizes concepts models methodology and applications as opposed to rigorous mathematical development and derivations Through the use of lively and realistic examples students go beyond simply learning about statistics they actually put the methods to use Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Dance Dramaturgy** Pil Hansen,Darcey Callison,2015-08-18 Ten international dramaturg scholars advance proposals that reset notions of agency in contemporary dance creation Dramaturgy becomes driven by artistic inquiry distributed among collaborating artists embedded in improvisation tasks or weaved through audience engagement and the dramaturg becomes a facilitator of dramaturgical awareness **Ven Conmigo!: Level 1** Nancy A.
