In Silence Erica Spindler, 2009-12-01 Journalist Avery Chauvin is devastated when she receives word of her father's suicide. How could her father, a dedicated physician, have taken his own life? That he set himself on fire is unfathomable. Returning to her hometown of Cypress Springs, Louisiana, Avery desperately searches for answers. Instead, she hears whispered rumors of strange happenings of neighbors who go missing in the night. She discovers a box of old newspaper articles in her father's house, all covering the horrific murder of a local woman. Why had her father kept them? Then the past and present collide. A woman is found brutally slain. An outsider passing through town vanishes. And Avery begins to wonder: could her father have been the victim of foul play? As each step closer to the truth exposes yet another layer of deceit, Avery must face the fact that in this peaceful Southern town, a terrible evil resides, protected until now by the power of silence.

Watch Me Die Erica Spindler, 2011-06-21 In Spindler's thrilling new psychological drama, one woman's journey to recovery becomes her worst nightmare. Before Hurricane Katrina struck, New Orleans stained glass restoration artist Mira Gallier had it all: a thriving business, doing work she loved, and an idyllic marriage to the perfect man. But the devastating storm stole her beloved husband, his body swept away by floodwaters, never to be found. Now, after years of pain and turmoil, it looks as if Mira is finally on the verge of peace and emotional stability. But her life, like the magnificent windows blown to bits by Hurricane Katrina, is about to be shattered once again. And this time, it's not a killer storm she faces, but a psychopath who will stop at nothing until he possesses her body and soul. First, church windows that she restored are vandalized, and the priest who looked over them brutally murdered. Spray-painted across the glass are the words "He Will Come to Judge the Living and the Dead." Then, New Orleans is rocked by a terrifying chain of murders that all seem to be linked to Mira. The police, led by homicide detective Spencer Malone, are following a string of clues left by the killer on each victim and beginning to wonder if the murderer isn't Mira Gallier herself. As Mira begins to unravel under pressure from all sides and fear for her life, it's unclear whom she can trust. And when a man from her past appears out of nowhere, sparking something long forgotten in her heart, he quickly becomes the police's new prime suspect. One by one, the people in Mira's life are targeted until it's clear that the killer has been saving her for last and that there's nowhere left to run. **Justice for Sara** Erica Spindler, 2013-08-06
