God of the Oppressed James H. Cone, 1997-01-01 In his reflections on God Jesus suffering and liberation James H Cone relates the gospel message to the experience of the black community But a wider theme of the book is the role that social and historical context plays in framing the questions we address to God as well as the mode of the answers provided **Black Theology and Black Power** Cone, James, H., 2018-12 The introduction to this edition by Cornel West was originally published in Dwight N Hopkins ed Black Faith and Public Talk Critical Essays on James H Cone s Black Theology reprinted 2007 by Baylor University Press *God of the Oppressed* James H. Cone James H. Cone, 1975 **My Soul Looks Back** James H. Cone, 1986 What is the relationship James Cone asks between my training as a theologian and the black struggle for freedom For what reason has God allowed a poor black boy from Bearden to become a professional systematic theologian As I struggled with these questions I could not escape the overwhelming conviction that God s spirit was calling me to do what I could for the enhancement of justice in the world especially on behalf of my people My Soul Looks Back chronicles the author s grappling with these questions as well as his formulation of an answer an answer that would lead to the development of a black theology of liberation Firmly rooted in the black church tradition James Cone relates the formative features of his faith journey from his childhood experience in Bearden Arkansas and his father s steadfast resistance to racism through racial discrimination in graduate school to his controversial articulation of a faith that seeks to break the shackles of racial oppression In describing his more recent encounters with feminist Marxist and Third World thinkers James Cone provides a compelling description of liberation theology and a vivid portrayal of what it means to profess a faith that does justice Back cover **Said I Wasn't Gonna Tell Nobody** James H. Cone, 2018 This autobiographical work is truly the capstone to the career of the man widely regarded as the Father of Black Theology Dr Cone a distinguished professor at Union Theological Seminary died April 27 2018 During the 1960s and 070s he argued for racial justice and an interpretation of the Christian Gospel that elevated the voices of the oppressed **The Cross and the Lynching Tree** James H. Cone, 2011 A landmark in the conversation about race and religion in America They put him to death by hanging him on a tree Acts 10 39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community In this powerful new work theologian James H Cone explores these symbols and their interconnection in the history and souls of black folk Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning While the lynching tree symbolized white power and black death the cross symbolizes divine power and black life God overcoming the power of sin and death For African Americans the image of Jesus hung on a tree to die powerfully grounded their faith that God was with them even in the suffering of the lynching era In a work that spans social history theology and cultural studies Cone explores the message of

the spirituals and the power of the blues the passion and of Emmet Till and the engaged vision of Martin Luther King Jr he invokes the spirits of Billie Holliday and Langston Hughes Fannie Lou Hamer and Ida B Well and the witness of black artists writers preachers and fighters for justice And he remembers the victims especially the 5 000 who perished during the lynching period Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice

**The Spirituals and the Blues** Cone, James H.,2022-11-03 How two forms of song helped sustain slaves and their children in the midst of tribulation With a new introduction by Cheryl Townsend Gilkes

**Risks of Faith** James Cone,2000-11-17 Risks of Faith offers for the first time the best of noted theologian James H Cone s essays including several new pieces Representing the breadth of his life s work this collection opens with the birth of black theology explores its relationship to issues of violence the developing world and the theological touchstone embodied in African American spirituals Also included here is Cone s seminal work on the theology of Martin Luther King Jr and the philosophy of Malcolm X and a compelling examination of their contribution to the roots of black theology Far reaching and provocative Risks of Faith is a must read for anyone interesting in religion and its political and social impact on our time

**Martin & Malcolm & America** James H. Cone,1992 Reexamines the ideology of the two most prominent leaders of the civil rights movement of the 1960s

**For My People** Cone, James, H.,2024-10-23

**A Black Theology of Liberation** James H. Cone,2010 With the publication of his two early works Black Theology Black Power 1969 and A Black Theology of Liberation 1970 James Cone emerged as one of the most creative and provocative theological voices in North America These books which offered a searing indictment of white theology and society introduced a radical reappraisal of the Christian message for our time Combining the visions of Malcolm X and Martin Luther King Jr Cone radically reappraised Christianity from the perspective of the oppressed black community in North America Forty years later his work retains its original power enhanced now by reflections on the evolution of his own thinking and of black theology and on the needs of the present moment

**Black Theology and Ideology** Harry H. Singleton,2002 In this work Harry H Singleton III uniquely combines the theological methods of Juan Luis Segundo and James H Cone Segundo s method of deideologization is appropriated to argue that relevant theological reflection must depart from the exposing of religio political ideologies that justify human oppression in the name of God and their need to be effectively countered by the creation of new theological presuppositions rooted in liberation Singleton then contextualizes Segundo s method by offering Cone s theological perspective as the best example of such an approach in America insofar as it is able to discern the link between religio political ideologies and black oppression

The Genesis of Liberation Emerson B. Powery,Rodney S. Sadler Jr.,2016-04-04 Considering that the Bible was used to justify and perpetuate African American enslavement why would it be given such authority In this fascinating volume Powery and Sadler explore how the Bible

became a source of liberation for enslaved African Americans by analyzing its function in pre Civil War freedom narratives They explain the various ways in which enslaved African Americans interpreted the Bible and used it as a source for hope empowerment and literacy The authors show that through their own engagement with the biblical text enslaved African Americans found a liberating word The Genesis of Liberation recovers the early history of black biblical interpretation and will help to expand understandings of African American hermeneutics

**Philosophy of Religion and the African American Experience** John H. McClendon III, 2017-07-03 Most white philosophers of religion generally presume that philosophy of religion is based on what is a false universality whereby the white Western experience is paradigmatic of humanity at large The fact remains that Howard Thurman James H Cone and William R Jones among others have produced a substantial amount of theological work quite worthy of consideration by philosophers of religion Yet this corpus of thought is not reflected in the scholarly literature that constitutes the main body of philosophy of religion Neglect and ignorance of African American Studies is widespread in the academy By including chapters on Thurman Cone and Jones the present book functions as a corrective to this scholarly lacuna

**Speaking the Truth** James H. Cone, 1999

**Introducing Black Theology of Liberation** Hopkins, Dwight N., 2014-04-10 A book that reviews the principles of modern Black Theology its roots and contributions to the Christian world It also discusses what challenges Black theologians face in their minister and their religious communities

*Introducing James H. Cone* Anthony G Reddie, 2022-07-31 It is rarely the case that an intellectual movement can point to an individual figure as its founder Yet James Cone has been heralded as the acknowledged genius and the creator of black theology In nearly 50 years of published work James Cone redefined the intent of academic theology and defined a whole new movement in intellectual thought In *Introducing James H Cone* Anthony Reddie offers us an accessible and engaging assessment of Cone s legacy from his first book *Black Theology and Black Power* in 1969 through to his final intellectual autobiography *I Said I wasn t Gonna Tell Nobody* in 2018 It is an indispensable field guide to perhaps the greatest black theologian of recent times
