suffering Learn to view pain as a way to strengthen your faith point others to the gospel and trust in the Lord Because His providence will never take you to a place where His grace will not sustain you The Sacrament of Happy Lisa Harper,2017-06-01 God is good God does good and oh how He wants you to be happy In her new book The Sacrament of Happy What a Smiling God Brings to a Wounded World Lisa Harper unveils that happiness is a gift from God that we can unashamedly enjoy Happiness tends to be cast as a fluffy emotion without substance rather than a biblical concept but this is not theologically accurate Wearing the twin hats of both seminarian and belly laughing adoptive mom Lisa Harper dismantles the old school idea that joy not happiness is the truly spiritual emotion and asserts that Christ followers are actually called to happiness We are called to happiness and this happiness is not impacted by personal or global tumult In fact happiness is a sacrament The general definition of sacrament is a visible sign of inward grace In communities of faith it most often refers to holy communion or the Eucharist In the broadest understanding however a sacrament is a gift bestowed by God and in that case happiness is absolutely a sacrament a visible sometimes even audible sign of inward grace Lisa shares heart wrenching difficult stories from her past as well as some side splitting hilarity along the way Throughout the book we see that happiness and sadness can coexist and ebb and flow like the tides Christine Caine Founder of A21 Propel Women had this to say about Lisa s new book The Sacrament of Happy like all of Lisa s messages and books enriches my understanding of God and His Word and His great love for us As always she unfolds biblical truth so clearly and calls me to action Every Single Time

*Be Real* Rick Bezet, 2014-04-01 We live in a world of fakers Rather than being real with each other we present a carefully crafted persona that hides our faults and magnifies our good qualities But inside we long to be loved warts and all We long to stop hiding from each other and especially from God With candor and clarity pastor Rick Bezet calls readers to a life built on authenticity showing that the way to true freedom lies through reclaiming our hearts reviving our souls and renewing our minds in light of what God has done for us through Jesus Christ Through biblical stories and often funny personal examples Bezet encourages readers to live with passion integrity and perseverance He releases readers

from the spiritual death that comes with pretending and leads them into a new life characterized by transparency rather than fear *Redefined* Arden Bevere,2021-01-19 Millennials might endure negative labels from older generations lazy broken entitled lost but the most damaging labels are the ones we use on ourselves Words are powerful Even when they aren t true they can begin to shape our perceptions of ourselves and the decisions we make Yet the only labels that really matter to this the largest and most diverse generation yet are the ones with which God originally designated us What does he call our generation Sons and daughters We are called to change the world and make a huge impact for the kingdom but we can t do that if we allow ourselves to believe the limiting labels we hear every day Instead Arden Bevere calls you to know what it means to be a son or daughter of God see how God uses the seemingly negative things in our lives for good take control of our thoughts and words and replace them with God s thoughts and words find freedom from addiction fear doubts regrets and more Your life is not an accident a disappointment or an inconvenience to God It s time to redefine embrace and walk in your true identity as his beloved child who will do great things in his name Let Arden Bevere a positive voice in this generation show you the way *Jesus Listens* Sarah Young,2021-10-05 When your days feel overwhelming and life has you anxious and stressed you can find peace and hope in Jesus In this new 365 day devotional prayer book from the author of *Jesus Calling* you ll find confidence to come to God in all circumstances with short heartfelt prayers based on Scripture God desires a relationship with you through continual conversation prayer *Jesus Listens* empowers you to pray daily whether it serves as your only prayer for the day or simply a jump starter to your own prayers This comforting book is ideal for those who are going through difficult times and are looking for rest and hope are busy from life s demands but want to grow their prayer life are not sure how to pray have been praying for years but want a closer relationship with God The biblical basis for each prayer is given at the end of each entry so you can continually return to God s promises in Scripture This devotional includes 365 days of Bible based prayers Scripture references for each devotion a ribbon marker Whether you gift *Jesus Listens* or pick it up yourself to establish a more consistent prayer practice Sarah s words and her constant return to the Word of God will greatly enrich your prayer life By praying Scripture through this daily devotional prayer book you ll experience how intentional prayer connects you to God changes your heart and can even move mountains Look for additional life changing life giving books from Sarah Young including *Jesus Calling* *Jesus Always* *Jesus Today* [Inky Fingers](#) Anthony Grafton,2020-06-09 An Open Letters Review Best Book of the Year Grafton presents largely unfamiliar material in a clear even breezy style Erudite Michael Dirda Washington Post In this celebration of bookmaking in all its messy and intricate detail Anthony Grafton captures both the physical and mental labors that went into the golden age of the book compiling notebooks copying and correcting proofs preparing copy and shows us how scribes and scholars shaped influential treatises and forgeries *Inky Fingers* ranges widely from the theological polemics of the early days of printing to the pathbreaking works of Jean Mabillon and Baruch Spinoza Grafton draws new connections between humanistic traditions and intellectual

innovations textual learning and the delicate arduous error riddled craft of making books Through it all he reminds us that the life of the mind depends on the work of the hands and the nitty gritty labor of printmakers has had a profound impact on the history of ideas Describes magnificent achievements storms of controversy and sometimes the pure devilment of scholars and printers Captivating and often amusing Wall Street Journal Ideas in this vivid telling emerge not just from minds but from hands not to mention the biceps that crank a press or heft a ream of paper New York Review of Books Grafton upends idealized understandings of early modern scholarship and blurs distinctions between the physical and mental labor that made the remarkable works of this period possible Christine Jacobson Book Post Scholarship is a kind of heroism in Grafton's account his nine protagonists aching backs and tired eyes evidence of their valiant dedication to the pursuit of knowledge London Review of Books

**Don't Miss the Moment** Sheryl Brady, 2020-03-17 Pastor and popular Bible teacher Sheryl Brady helps Christians prepare to recognize and cultivate the powerful yet easily overlooked moments when God shows up in their lives Everyone experiences God moments times when God pulls back the curtain and gives a glimpse of his active presence in their lives Most of us operate under the misapprehension that these moments are rare occurrences that reveal themselves in grand fashion We expect bells ringing lights flashing and neon signs that point to earthshaking revelations But God often speaks in whispers strategically and incrementally unveiling his plans preparations and purposes through the most unassuming circumstances The key is to learn how to prepare to recognize and be faithful in these moments In Don't Miss the Moment Pastor Sheryl Brady reminds Christians that God is real and unwaveringly present in our daily lives Through biblical teaching and personal stories of God showing up in times of need she shows how to pursue deeper relationship with the Faithful One so that we can learn to hear his voice and feel his leading discern when we are in a defining moment and redirect our hearts and lives toward his plans and purposes
