Your Money and Your Man Oct 13 2022 “Money may not be able to buy you love, but conflicts about it can certainly bankrupt your relationship.” —Michelle Singletary Here at last is the lowdown on how to manage your finances with the man in your life. Money is the #1 problem couples fight about, says beloved Washington Post financial columnist Michelle Singletary. Acknowledging that most fights about money are usually about something else—like feelings of fear or resentment—Singletary stresses the value of open dialogue. In her trademark no-holds-barred style, she shows us how to handle the entire range of financial issues couples face—from splitting the dinner bill when dating to planning for retirement together after years of marriage. Singletary speaks to the hearts of women as they try to successfully merge their money and future security with those of their man. Acknowledging the emotional weight of shared investments, she brings her own experience as a wife and mother to the table and doles out advice in a voice that, while encouraging and rational, is never less than frank on tough topics. From sizing up a potential mate's financial responsibility (or lack thereof) to figuring out how best to share bank accounts and expenses once you've made the leap, to determining how to teach your children about money, *Your Money and Your Man* focuses on the undeniable role that finance plays in every stage of a long-term relationship. Including typical questions from readers of her syndicated column and advice from one of the savviest financial experts she has ever known—her grandmother—Singletary shows women that they can live happily ever after with Prince Charming, even if he doesn't have a royal bank account!

A Brush with Love Jun 28 2021 Nine out of ten dentists agree, Mazey Eddings's rom-com *A Brush with Love* makes your smile brighter!* *not scientifically proven Harper is anxiously awaiting placement into a top oral surgery residency program when she crashes (literally) into Dan. Harper would rather endure a Novocaine-free root canal than face any distractions, even one this adorable. A first-year dental student with a family legacy to contend with, Dan doesn't have the same passion for pulling teeth that Harper does. Though he finds himself falling for her, he is willing to play by Harper's rules. So with the greatest of intentions and the poorest of follow-throughs, the two set out to be “just friends.” But as they get to know each other better, Harper fears that trading fillings for feelings may make her lose control and can't risk her carefully ordered life coming undone, no matter how drool-worthy Dan is. Blood, gore, and extra-long roots? No problem. The idea of falling in love? Torture.

Beneath His Wings Feb 22 2021 Who makes the rules for love? Adrissu isn't like other dragons. In fact, no one in his home of Polimnos knows he's a dragon at all; to them, he's the eccentric elven mage living in a tower overlooking the sea, and he's perfectly content to keep it that way. There he can study the many mysteries of magic in peace, and occasionally step in to help the little town flourish. He doesn't expect to tire of his life in Polimnos for a long time; but when he does, he can just gather up whatever remains of his hoard and fly away in the night to start a new life somewhere else. After all, dragons live forever. Base draconic instincts are beneath him. He has no need to plunder and steal to increase his wealth, no need to burn and pillage only for the sake of destruction. And he certainly doesn't believe in fated mates—no, the only being he needs is himself. Then, after almost thirty years of living in Polimnos, Adrissu meets the eyes of a handsome young warrior, and the world comes to a lurching stop around him. The pull of fate, something Adrissu thought was a myth amongst dragons, is unmistakable. But Ruan is everything he should shun—loud, bold, stubborn—and worst of all, utterly human with a tiny mortal lifespan. Much as it pains Adrissu to stay away, he knows getting involved with a human is only going to cause him greater suffering later on. Unless... Unless he's willing to break every rule of magic he knows. Unless he's willing to take on the scorn of every other mage, mortal or otherwise, to accomplish his goals. When Ruan accepts his plea to bind their souls together, even after death his soul will be reborn and they can always find each other, in this life and the next, and the next... and the next. *Beneath His Wings*, book one of the *Heart of Dragons* duology, is a dark fated mates MM fantasy romance. ? This 18+ novel contains explicit scenes, including graphic depictions of violence and detailed steam; brief, non-specific mentions of physical abuse; and some light omegaverse elements (mpreg is mentioned as an in-world possibility for elves, but does not occur.)

Romancing the Divine Mar 18 2023 Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine - passionately, romantically in love - and still find sweet and fulfilling human love as well, led him to seek and find intimacy with the ultimate Soul Mate. *Romancing the Divine* is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life: the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced (and continues to experience) transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

Romancing the Rake Aug 30 2021 Lady Sophronia Sorrow considers herself an unlikely heroine. Why, just her name alone proves this. No, despite her mawkish name, Sophie refuses to spend her life invisible and unwanted, relegated to the margin of the text. Despite her eccentric, bluestocking ways, there must be a place where she is wanted. If only she could uncover the identity of her natural father, perhaps she would belong there? But one thing Sophie knows for sure—unlike that foolhardy miss in a novel, she will not succumb to a rake. No matter how thoroughly the rakish Lord Rafe Gilbert may tempt her. Lord Rafe Gilbert longs for freedom—freedom from his controlling father, freedom to live his life as he chooses. He knows playing the rake keeps his autocratic father in check, but Rafe longs to determine his own destiny. Case in point, he fell in love with Lady Sophie years ago, but his father's threats and his mother's health prevent him from pursuing Lady Sophie in earnest. So when Fate thrusts Sophie into his path, Rafe knows he must turn her away and distance himself. But doing the right thing has never been so impossibly difficult. Sophie and Rafe soon find themselves on a journey together from London to a castle in the Scottish Highlands.
