Just Once More Escape To New Zealand 7 Rosalind James

Just This Once Rosalind James,2012 An American businesswoman decides to have a New Zealand getaway and once there she has a fling with a rugby player

Just Once More Rosalind James,2015-03-02 What does true love look like once the honeymoon is over Eight smoking hot rugby players Eight partners Seventeen kids Beaches and barbecues and beer salt and sand and sea Family and good mates and no worries December in New Zealand One very pregnant very tired Hannah Montgomery Callahan playing hostess to it all doing her best and wondering if her best is good enough And one legendary All Black captain willing to do whatever it takes to show her that when he promised to be there for her forever he meant it Note This book like New Zealand aw heck Three steamy scenes as usual And they're good ones

Just This Once Rosalind James,2014-11-21 Everyone needs to be rescued sometimes Everyone but Hannah Montgomery that is She just needs a vacation Three weeks Down Under a vacation in New Zealand to sort out her life figure out what she wants seems just right Oh and to relax She should definitely put that on the agenda She certainly isn't looking for a sexy fling with a professional rugby player no matter how attractive he is Hannah doesn't do casual But maybe just this once As much as he's shared with Hannah Drew Callahan has kept one very big secret He's the captain of New Zealand's All Blacks rugby team and the most famous rugby player on earth And learning the truth now that she's back home again has made Hannah warier than ever Drew knows that she's right for him But how can he convince her to let down her guard enough to explore what they could have together Go Down Under in this steamy New Zealand sports romance Fans of Jill Shalvis Catherine Bybee and Kristin Higgins will enjoy this book

Just for You Rosalind James,2014 No shirt no shoes no problems Hemi Ranapia isn't looking for love Fun yes Love not so much But a summer fishing holiday to laid back Russell could turn out to be more adventure than this good time boy ever bargained for Reka Harata hasn't forgotten the disastrously hot rugby star she met a year ago no matter how much she wishes she could Too bad Hemi keeps refusing to be left in her past Sometimes especially in New Zealand's Maori Northland it really does take a village And sometimes it just takes a little faith

Just Say (Hell) No Rosalind James,2018-02-07 Even a hard man needs a soft side Marko Sendoa isn't a beach man He's not an Auckland man He's a hard man Born Basque tough raised in the heart of New Zealand's Southern Alps and bred on hard work discipline and getting the job done It's not easy for a rugby flanker who's played 13 bruising seasons to make it to age 32 at the top of his game but he's done it Next year is the Rugby World Cup and he'll do whatever it takes to be on the field in the black jersey when the anthems are sung He doesn't need a kitten He doesn't need a pregnant cousin He definitely doesn't need a too short distractingly curvy totally unimpressed Maori barista and part time pet portraitist who fills his house and his life with too much color too much chaos and too many secrets He's getting them anyway

Fierce Rosalind James,2015-07-30 never asked Hemi Te Mana to rescue me It was true that I had a lousy job Not to mention a lousy apartment and too much

responsibility although it was a responsibility I wouldn't have given up for the world That still didn't mean I needed rescuing if that was what you'd call the situation I ended up in And anyway I knew that a multimillionaire Maori CEO with too many muscles a tribal tattoo and a take no prisoners attitude was way way out of my league So no I didn't ask him to but he rescued me anyway Because Hemi was fierce But you know what I found out So was I *Just Once More* Rosalind James,2014 What does true love look like once the honeymoon's over Eight smoking hot rugby players Eight partners Seventeen kids Beaches and barbecues and beer salt and sand and sea Family and good mates and no worries December in New Zealand One very pregnant very tired Hannah Montgomery Callahan playing hostess to it all doing her best and wondering if her best is good enough And one legendary All Black captain willing to do whatever it takes to show her that when he promised to be there for her forever he meant it **Carry Me Home** Rosalind James,2015 Paradise Idaho may not be the largest town but for newly minted professor Zoe Santangelo it's the first step on the path to her big break After teaching in a small Idaho school her next stop is the Ivy League and no one is going to stand in her way She'll do what it takes to move up to protect her students from a creepy campus stalker and to protect her heart from Cal Jackson the hot hunky cowboy who keeps coming to her rescue After a career ending injury Cal has left professional football behind and come home to work the family farm He's determined not to get mixed up with any more city girls who don't want to settle down with a country boy But after he rescues sassy geologist Zoe from a snowy ditch he can't stop thinking about her Can Cal keep Zoe safe from whoever is targeting her and can he show her that having ambition doesn't mean she has to sacrifice love **Black Jacks** W. Jeffrey Bolster,2009-06-30 Few Americans black or white recognize the degree to which early African American history is a maritime history W Jeffrey Bolster shatters the myth that black seafaring in the age of sail was limited to the Middle Passage Seafaring was one of the most significant occupations among both enslaved and free black men between 1740 and 1865 Tens of thousands of black seamen sailed on lofty clippers and modest coasters They sailed in whalers warships and privateers Some were slaves forced to work at sea but by 1800 most were free men seeking liberty and economic opportunity aboard ship Bolster brings an intimate understanding of the sea to this extraordinary chapter in the formation of black America Because of their unusual mobility sailors were the eyes and ears to worlds beyond the limited horizon of black communities ashore Sometimes helping to smuggle slaves to freedom they were more often a unique conduit for news and information of concern to blacks But for all its opportunities life at sea was difficult Blacks actively contributed to the Atlantic maritime culture shared by all seamen but were often outsiders within it Capturing that tension **Black Jacks** examines not only how common experiences drew black and white sailors together even as deeply internalized prejudices drove them apart but also how the meaning of race aboard ship changed with time Bolster traces the story to the end of the Civil War when emancipated blacks began to be systematically excluded from maritime work Rescuing African American seamen from obscurity this stirring account reveals the critical role sailors played in helping forge new identities for black

people in America An epic tale of the rise and fall of black seafaring Black Jacks is African Americans freedom story presented from a fresh perspective **Just Come Over** Rosalind James,2019-01-04 Rhys Fletcher is not in love with his sister in law That would be a very very bad idea and he doesn't entertain bad ideas He also doesn't lie to himself Both of those things can't be true so he'll do what he's done since the long ago night when his brother Dylan turned up in an Auckland bar after a brutal rugby match between their two teams and introduced his new girlfriend a dark eyed impossibly short much too young girl named Zora He'll lie Now his brother's gone and Rhys is back in New Zealand and settling into his new job as the head coach of the Auckland Blues Surely being there for Dylan's widow and their son is the right thing to do He can control himself He's had forty years of practice Until he gets a call from his lawyer and flies to the States to find that handsome charming endlessly irresponsible Dylan has left yet another loose end for his big brother to sort out This one is six years old And her birth certificate says she belongs to Rhys *Just Stop Me* Rosalind James,2016-01-15 Sometimes you have to run away to find yourself Lots of young women dream of being a princess Nina Jones isn't one of them After escaping from her palace prison by burying herself under sacks of fertilizer she ends up in a beach cottage on New Zealand's South Island She's meant to be looking after a cantankerous widower Too bad she doesn't know how to boil an egg Iain McCormick may be an All Black a member of New Zealand's elite rugby team and a bona fide celebrity During the offseason though he's meant to be a regular Kiwi bloke A good son a good neighbor and a good citizen But civility comes harder when you've been dumped at the altar He doesn't need anybody he has to look out for He definitely doesn't need to fall in love Yeah right

The Other Side of Us Sarah Mayberry,2013-01-02 The best thing between Oliver Barrett and Mackenzie Williams is a fence Ever since Oliver's new neighbor gestures were met with unfriendly responses he's decided to keep his distance After all he's in this seaside town to get his life on track again That doesn't include working hard to get on Mackenzie's good side no matter how intriguing she may be His intentions are put to the test however when his dog becomes infatuated with hers The two crafty canines do their best to break down the barriers between the properties And where the dogs go well the humans must follow It doesn't take long for a powerful attraction to build between Oliver and Mackenzie They soon discover that the worst of first impressions can lead to the best possible outcomes P 4 of cover *Just Say Yes* Rosalind James,2017-02-08 Some fires warm you up And some burn you down Kevin McNicholl may be a brutal force on the rugby field but off the field the star New Zealand All Black is a famously nice guy His new tenant though arouses more than his protective side She sets him on fire Pity he's evicting her Every woman deserves her dreams Chloe Donaldson can't afford dreams though so she's given them up Marriage her ballet career and now her beautiful tower apartment with its view of the sea Her new landlord is kicking her out along with her three year old son Zavy She should hate him But when a man looks at you like that it's so easy to lose your focus When the King Took Flight Timothy Tackett,2004-10-18 On a June night in 1791 King Louis XVI and Marie Antoinette fled Paris in disguise hoping to escape the mounting turmoil of the French

Revolution They were arrested by a small group of citizens a few miles from the Belgian border and forced to return to Paris Two years later they would both die at the guillotine It is this extraordinary story and the events leading up to and away from it that Tackett recounts in gripping novelistic style The king s flight opens a window to the whole of French society during the Revolution Each dramatic chapter spotlights a different segment of the population from the king and queen as they plotted and executed their flight to the people of Varennes who apprehended the royal family to the radicals of Paris who urged an end to monarchy to the leaders of the National Assembly struggling to control a spiraling crisis to the ordinary citizens stunned by their king s desertion Tackett shows how Louis s flight reshaped popular attitudes toward kingship intensified fears of invasion and conspiracy and helped pave the way for the Reign of Terror Tackett brings to life an array of unique characters as they struggle to confront the monumental transformations set in motion in 1789 In so doing he offers an important new interpretation of the Revolution By emphasizing the unpredictable and contingent character of this story he underscores the power of a single event to change irrevocably the course of the French Revolution and consequently the history of the world

Out of My Skull James Danckert,John D. Eastwood,2020-06-09 No one likes to be bored Two leading psychologists explain what causes boredom and how to listen to what it is telling you so you can live a more engaged life We avoid boredom at all costs It makes us feel restless and agitated Desperate for something to do we play games on our phones retie our shoes or even count ceiling tiles And if we escape it this time eventually it will strike again But what if we listened to boredom instead of banishing it Psychologists James Danckert and John Eastwood contend that boredom isn t bad for us It s just that we do a bad job of heeding its guidance When we re bored our minds are telling us that whatever we are doing isn t working we re failing to satisfy our basic psychological need to be engaged and effective Too many of us respond poorly We become prone to accidents risky activities loneliness and ennui and we waste ever more time on technological

distractions But Danckert and Eastwood argue we can let boredom have the opposite effect motivating the change we need The latest research suggests that an adaptive approach to boredom will help us avoid its troubling effects and through its reminder to become aware and involved might lead us to live fuller lives Out of My Skull combines scientific findings with everyday observations to explain an experience we'd like to ignore but from which we have a lot to learn Boredom evolved to help us It's time we gave it a chance
