**Escape the Coming Night** Jun 05 2024 No one can deny that the world is in trouble. Tragedy stalks our streets. Violence and bloodshed fill the news. How do we explain so much chaos? Is there any hope for peace in our time? Dr. David Jeremiah's dramatic narrative on the Book of Revelation answers these and many more challenging questions, by unraveling the imagery and explaining the significance of the events described in the last book of the Bible. Within its pages are the hope and encouragement we need to lift us from the gloom of present events to the promise of a brilliant future.

**Radical** Oct 05 2021 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

**3:16 Bible Study Guide plus Streaming Video, Updated Edition** Nov 29 2023 \*Entirely rewritten and re-filmed for a more focused and deeply personal study of the most-loved verse in the Bible—John 3:16. In this updated classic Bible study (video streaming included), bestselling author and pastor Max Lucado pulls back the curtain on his favorite Bible passage to move you to a profound awareness of God's limitless love, His incalculable sacrifice, and the certainty of His offer of eternal life. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." This passage is a twenty-six-word parade of hope. A verse brief enough to write on a napkin or memorize in a moment...and solid enough to weather 2,000 years of storms and questions. With deeply personal accounts of the way this verse shaped Max's own faith journey, this study will reveal the gospel story surrounding the promise and unpack God's plan of restoration from the human problems of sin and death. If you know nothing about the Bible, the promise of John 3:16 is where to start. It's time to live as if you've been "born again", as if you've already been redeemed. It's time to live into the promise, to trust it—so much that this message of God's unending love overflows from you to the world. This video study guide has everything you need for a full Bible study experience, including: The study guide itself—with discussion and reflection questions, video notes, and a leader's guide. *Is This the End?* May 24 2023 Also, check out Dr. David Jeremiah's new book *A Life Beyond Amazing*, available now. The world seems more fractured each day. People are asking, "Is this the End?" Never have the headlines been this jarring, the cultural changes this rapid, or the moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this book directs us on a clear path forward. The book is split into two sections, each covering items surrounding two important questions. Is This the End of America? and Is This the End of the World? Includes detailed chapters on: Terrorism ISIS and Radicalized Islam The New Russia The Bleeding of America's Borders The "Anything Goes" Society Polarization and Divisiveness The Coming of Christ and many more

Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?
