Jesus, the One and Only Jan 16 2023 In *Jesus, the One and Only*, best-selling author and Bible teacher Beth Moore invites you to know Christ personally. Watch and listen as He breaks up a funeral by raising the dead, confronts conniving religious leaders of His day, teaches on a Galilean hillside, or walks on the waves and calms the storm. Like a ragtag band of followers two thousand years ago, you will never be the same again after such an up close and personal encounter. "He is Jesus, the One and Only, transcendent over all else," writes Moore. "To know Him is to love Him. To love Him is to long for Him. To long for Him is to finally reach soul hands into the One true thing we need never get enough of . . . Jesus Christ. He's all you need." Available for the first time in eBook, this new edition also features an excerpt from Moore's *Jesus, the One and Only* Bible study.

Water Consciousness Apr 18 2023 "Water Consciousness: How We All Have to Change to Protect Our Most Critical Resource is a solution-focused guide to the global water crisis hitting home everywhere. In-depth essays from leading thinkers and stunning photographs illuminate what we can do as individuals and as nations to reverse this crisis. Authors cover a breadth of topics including conservation, privatization, technology, grassroots movements, and the need for new laws that treat water as a common trust, not a commodity. Water Consciousness will not only inspire you to change how you think about water but also to change how you live with and use water every day."--BOOK JACKET.

To Live Is Christ Jun 20 2023 Now featuring new cover artwork, Moore's popular book "To Live Is Christ" looks closely at the passionate and inspiring faith and life of the apostle Paul.

The Kidult Handbook Jul 22 2023 Adulting is hard! But "kidulting"—engaging in nostalgic childhood activities to relieve stress, like playing with your old favorite toys, participating in games and activities from your youth, and even snacking on the foods you enjoyed as a kid— isn't. Let this book be your guide to indulging your inner child. "Kidulting" is a thing, and it's growing! Especially popular among millennials, the term "kidulting" refers to engaging in activities from your childhood, sometimes with a grown-up twist. Psychology Today points out that playing like a kid helps you look at the world with fresh eyes—or "beginner's mind"—which allows you to slow down and focus. The Kidult Handbook is a fun and informative guide to healthy escapism through play. Much like adult coloring books, kidulting is a way of focusing your mind on something fun and creative to relieve stress. But this book goes way beyond just coloring—it includes 160 ideas for fun, from timeless classics like building blanket and pillow forts, to generation-specific ideas, from millennials to boomers. Interspersed throughout are fun facts and trivia about games through the ages. Most activities are unplugged and screen-free, and range from solitary pursuits to ones you can share with a friend or two. Feeling young again has never been so easy!

Mayo Clinic Book of Alternative Medicine Mar 18 2023 An overview of complementary and alternative medicine discusses various treatments, including herbs and energy therapies, and examines how alternative and conventional therapies can be combined to treat twenty common conditions.
