God At Work Your Christian Vocation In All Of Life Focal Point Gene Edward Veith Jr

God at Work Gene Edward Veith Jr.,2011-08-02 When you understand it properly the doctrine of vocation doing everything for God s glory is not a platitude or an outdated notion This principle that we vaguely apply to our lives and our work is actually the key to Christian ethics to influencing our culture for Christ and to infusing our ordinary everyday lives with the presence of God For when we realize that the mundane activities that consume most of our time are God s hiding places our perspective changes Culture expert Gene Veith unpacks the biblical Reformation teaching about the doctrine of vocation emphasizing not what we should specifically do with our time or what careers we are called to but what God does in and through our callings even within the home In each task He has given us in our workplaces and families our churches and society God Himself is at work Veith guides you to discover God s purpose and calling in those seemingly ordinary areas by providing you with a spiritual framework for thinking about such issues and for acting upon them with a changed perspective

Family Vocation Gene Edward Veith Jr.,Mary J. Moerbe,2012-02-29 What does it mean to be called as a husband a wife a parent a child How does the grace of the gospel impact how we carry out our particular calling How does God s presence influence the struggles that families face Gene Veith joins forces with his daughter Mary Moerbe to explore these kinds of questions as well as the roles of calling and vocation in family life Though we have little control over who is in our family other than choosing a spouse and deciding to have children God has placed us with specific people for specific reasons Veith and Moerbe show how our roles are distinct and important to God s plan for our lives and that when we have a biblical understanding of those roles in our families we can move away from common dysfunctions and toward forgiveness and healing Writing with sensitivity and wisdom Veith and Moerbe address the common problems facing contemporary families the crosses the weaknesses and the uncertainties They articulate a compelling biblical paradigm for creating and sustaining loving and forgiving families who maintain hope in the face of cultural pressure This book is an important resource for all Christians including pastors counselors and those working in family ministry

Luther on Vocation Gustaf Wingren, 2004-02-19 Concern about the inherited doctrine of vocation and its relevance for modern life was generated out of the complexities and frustrations especially of industrial life and it has produced a voluminous literature of a popular and semi popular kind which has served to drive home the problem of daily work upon the conscience of contemporary Christians and also to provide certain resources for handling it In addition to this varied literature the last years have also seen a very general discussion of the question at every level of church life in ecumenical conferences in the curricular material of the major denominations and in conferences and study groups of all kinds About the urgency and importance of the problem of vocation there is now no doubt But now we find that the rather simple formulae in which we have been dealing with it do justice neither to the Biblical and Reformation inheritance nor to the profound dilemmas that appear not only in industry but in every area of professional and commercial life The problem now is not only to equip our lay people with fuller theological resources for the understanding of the meaning of discipleship but to utilize their practical experience of day to day dilemmas and day to day decisions Gustaf Wingren's conscientious analysis of Luther's teaching on the matter remains our prime resource for the understanding of the relation of faith and works Nothing could exceed the patience and thoroughness with which Wingren has combed through the Luther corpus It will serve to put the full range of Luther's insight at the disposal of those who care for theology as part of their care of all the Churches Alexander Miller Stanford University

Loving God with All Your Mind Gene Edward Veith Jr., 2003-10-07 Our world is alive with fascinating new ideas discoveries and technologies But for Christians this can also present problems especially when the values of postmodernism and secular university life conflict with basic Christian principles What should Christians do when their beliefs come under attack in the classroom or the public square *Loving God with All Your Mind* shows us that the answer is neither wholesale rejection of intellectual life and culture nor blind acceptance of it The answer lies in understanding that Jesus is Lord of all of life and that everything in life must be carefully viewed in the light of what Christ's lordship means Gene Edward Veith unfolds a dazzling critique of the postmodern intellectual world and culture He affirms the part that is good and true but he also shows crucial weaknesses that have such a hold over contemporary thought This book shows Christians how to survive and flourish in a postmodern world while affirming the truth of the Christian faith

The Gospel at Work Sebastian Traeger, Greg D. Gilbert, 2018-04-10 Reclaim God's vision for your life Many Christians fall victim to one of two main problems when it comes to work either they are idle in their work or they have made an idol of it Both of these mindsets are deadly misunderstandings of how God intends for us to think about our employment In *The Gospel at Work* Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do releasing us from the cultural pressures of both an all-consuming devotion and a punch-in/punch-out mentality in order to find the freedom of a work ethic rooted in serving Christ You'll find answers to some of the tough questions that Christians in the workplace often ask What factors should matter most in choosing a job What gospel principles should shape my thinking about how to treat my boss my co-workers and my employees Is full-time Christian work more valuable than my job Is it okay to be motivated by money How do you prioritize or balance work family and church responsibilities Solidly grounded in the gospel *The Gospel at Work* confronts both our idleness at work and our idolatry of work with a challenge of its own to remember that whom we work for is infinitely more important than what we do

Working for Our Neighbor Gene Edward Veith, 2016-03-20

Authentic Christianity Gene Edward Veith (Jr.), A. Trevor Sutton, 2017 Burnt-out believers and spiritual secularists have given up any hope that an engaging and meaningful spirituality can be found in a single Christian denomination So rather than attending worship at a local church they attend to their spiritual needs elsewhere Instead of being fed by a single denomination they feast upon a smorgasbord of spiritual beliefs And while these disaffected believers have not rejected the existence of God or the need for meaningful spirituality they have strongly rejected whatever it is they think the church today has to offer
