are affected by the blue gold trade Sylvie's family had to flee the Democratic Republic of the Congo after her father was killed by a rogue militia gang in the conflict for control of coltan. The refugee camp where she now lives is deplorable and Sylvie yearns for a way out to save not only herself but her remaining family. Laiping labors in a Chinese factory soldering components for cell phones. She had left her small village to make her fortune but the factory conditions are crushing and the constant pressure to send money home adds to her misery. Yet when Laiping tries to improve her situation she sees what happens to those who dare question the electronics company's policies. Fiona is a North American girl who in one thoughtless moment takes a picture on her cell phone she comes to regret. In the aftermath she learns not only about trust and being true to oneself but the importance of fighting for what is right. All three teens are unexpectedly linked by these events. Elizabeth Stewart conducted extensive research to authentically capture the experiences of all three girls. The result is an intense and powerful story about their struggles to create better lives for themselves in the face of the world's increasing appetite for coltan.

Perfected Kate Jarvik Birch, 2014-07-01 Compelling, imaginative and unique. I couldn't turn the pages fast enough. Mary Lindsey, author of *Haven*. Perfection comes at a price. As soon as the government passed legislation allowing humans to be genetically engineered and sold as pets, the rich and powerful rushed to own beautiful girls like Ella. Trained from birth to be graceful, demure, and above all perfect, these family companions enter their masters' homes prepared to live a life of idle luxury. Ella is happy with her new role as playmate for a congressman's bubbly young daughter but she doesn't expect Penn, the congressman's handsome and rebellious son. He's the only person who sees beyond the perfect exterior to the girl within. Falling for him goes against every rule she knows and the freedom she finds with him is intoxicating. But when Ella is kidnapped and thrust into the dark underworld lurking beneath her pampered life, she's faced with an unthinkable choice. Because the only thing more dangerous than staying with Penn's family is leaving, and if she's unsuccessful, she'll face a fate far worse than death. For fans of Keira Cass's *Selection* series and Lauren DeStefano's *Chemical Garden* series, *Perfected* by Kate Jarvik Birch is a chilling look at what it means to be human and a stunning celebration of the power of love to set us free. Wrapped in a glamorous and dangerous bow, the *Perfected* series is best enjoyed in order: Reading Order, Book 1, *Perfected*, Book 2, *Tarnished*, Book 3, *Unraveled*.

His is a story of a boy who was a slave who became a warlord and who helped topple an empire.
