Wishing On A Dream Michele Notaro,2019-11-21 I can t really complain about my life I have a job I love and a best friend that fills the void of my nonexistent family but sometimes I m lonelier than I like to admit Especially with the holiday season approaching I can t help but wish I had someone special to share it with My friend gives me a snow globe with a man and a snowy owl inside and for some bizarre reason this man starts showing up every night when I close my eyes It s not real but I can t seem to get the guy out of my head It probably shouldn t surprise me that my brain conjures up the perfect man in my dreams well almost perfect if he d stop claiming to be a warlock But the crazy thing is that all of it that he feels so real When I start falling for the man the warlock I can t help but wish that what we have in my dreams could be a reality I know it can t but at least when I m asleep I can be with him with Alaric Although this book is part of A Snow Globe Christmas series it is a complete stand alone and it isn t a requirement that you read the previous books to follow along We wish everyone a happy holiday season
