"Albaum, Duerr and Strandkov offer a unique focus on export management. The comprehensive coverage provides a wealth of examples and cases with a good spread of academic and non-academic sources. The balance between theory and practice is just right. I highly recommend this text." Geraldine Cohen, Lecturer, School of Business and Marketing, Brunel University Looking to learn about marketing decisions and management processes needed to develop export operations either in a small to medium size business or in a global corporation? With changing opportunities and challenges in the global environment, International Marketing and Export Management 5th edition provides the most comprehensive and up-to-date coverage on the topic. "In my opinion Albaum, Duerr and Strandkov have written an excellent text book on the subject of International Marketing and students will find it both readable and extremely informative." David Demick, Senior Lecturer, School of Marketing, Entrepreneurship and Strategy, University of Ulster Geared to both undergraduate and postgraduate courses on International Marketing or Export Marketing/International Trade, this book can also be used as a supplementary text on International Business courses and as a useful source of reference to even the most experienced of practitioners. New to this edition! In response to recent global developments, the authors have increased emphasis on the following: the impact of the Internet, World Wide Web, and e-commerce the increasing use of specialized software to assist in managing marketing functions, increasing efficiency in logistics, and coordinating and controlling enterprises the impact of technological advances on international marketing the changes resulting from China's rapid, export-led growth and from its entry into the World Trade Organization the growing concerns with respect to social responsibility, and the costs of failure to meet societal expectations. Visit www.booksites.net/albaum to access valuable teaching tools, including an Instructor's Manual and Power Point Slides. Gerald Albaum is Research Professor at the Robert O. Anderson Schools of Management, University of New Mexico and Professor Emeritus of Marketing at the University of Oregon, USA. He is also Senior Research Fellow at the IC2 Institute, University of Texas, Austin, USA. He has been a visiting professor and scholar at universities in Canada, Denmark, New Zealand, Australia, Turkey, France, Finland and Hong Kong. Edwin Duerr is a Professor Emeritus of International Business at San Francisco State University, USA. He has been a visiting professor at universities in Japan, Brazil, Germany, Denmark, Sweden and the Netherlands and has extensive consulting business around the globe. Duerr is also Senior Editor of The Journal of International Business and Economy. Jesper Strandkov is a Professor of International Business at Aarhus School of Business, Denmark. He has been visiting professor at universities in the USA and Australia. He also acts as an international business consultant to several business companies and public institutions. Strategic Marketing Management (5th edition) offers a comprehensive framework for strategic planning and outlines a structured approach to identifying, understanding, and solving marketing problems. For business students, the theory advanced in this book is an essential tool for understanding the logic and the key aspects

of the marketing process. For managers and consultants, this book presents a conceptual framework that will help develop an overarching strategy for day-to-day decisions involving product and service design, branding, pricing, promotions, and distribution. For senior executives, the book provides a big-picture approach for developing new marketing campaigns and evaluating the success of ongoing marketing programs. The modern marketer needs to learn how to employ strategic thinking alongside the use of digital media to deliver measurable and accountable business success. Digital Marketing Strategy covers the essential elements of achieving exactly this by guiding you through every step of creating your perfect digital marketing strategy. This book analyzes the essential techniques and platforms of digital marketing including social media, content marketing, SEO, user experience, personalization, display advertising and CRM, as well as the broader aspects of implementation including planning, integration with overall company aims and presenting to decision makers. Simon Kingsnorth brings digital marketing strategy to life through best practice case studies, illustrations, checklists and summaries, to give you insightful and practical guidance. Rather than presenting a restrictive 'one size fits all' model, this book gives you the tools to tailor-make your own strategy according to your unique business needs and demonstrates how an integrated and holistic approach to marketing leads to greater success. Digital Marketing Strategy is also supported by a wealth of online resources, including budget and strategy templates, lecture slides and a bonus chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Marketing Strategy, 8e is a focused, succinct text which can be used on its own or packaged with a case book. It covers the concepts and theories of creating and implementing a marketing strategy and offers a focus on the strategic planning process and marketing's cross/inter-functional relationships. This text distinguishes itself from competitors by maintaining a strong approach to strategic decision making. The eighth edition helps students integrate what they have learned about analytical tools and the 4P's of marketing within a broader framework of competitive strategy. Four key and relevant trends that are sweeping the world of marketing theory and practice are integrated throughout this new edition. "In Marketing 8e, student will learn how marketing has evolved into its present-day, integral business function of creating value how firms maintain value and rely on value for establishing lasting relationships with their customers. Throughout this edition, we provide numerous examples of how students engage in marketing activities every day of their lives, either as consumers or sellers of a product or service. In addition to providing the traditional study and reinforcement tools of most principles of marketing products, we also offer ways to help students think critically about and apply core concepts"-- Grewal and Levy's Marketing is the first text published since the AMA introduced its new value-based definition of the word Marketing, making it the most modern and forward thinking of all principles of marketing offerings. It seeks to apply the marketing concept. Marketing and its supplementary package was built from scratch by focusing on what the market wants. The motto, Marketing Creates Value permeates this text and is stressed through the main themes of entrepreneurship, service global marketing, and ethics. The 7th Edition of Global Marketing Management prepares students to become effective managers overseeing global marketing activities in an increasingly competitive environment. The text's guiding principle, as laid out concisely and methodically by authors Kotabe and Helsen, is that the realities of international marketing are more "multilateral." Suitable for all business majors, the text encourages students to learn how marketing managers work across business functions for effective corporate performance on a global basis and achievement of overall corporate goals. Global Marketing Management brings timely coverage in various economic and financial as well as marketing issues that arise from the acutely recessionary market environment. When you think of marketing you may think of the adverts that pop up at the side of your screen or the billboards you see when you're out - all those moments in the day when somebody is trying to grab your attention and sell you something! Marketing is about advertising and communications in part, but it's also about many other

things which all aim to create value for customers, from product research and innovation to after-care service and maintaining relationships. It's a rich and fascinating area of management waiting to be explored - so welcome to Marketing! Jim Blythe's Principles and Practice of Marketing will ease you into the complexities of Marketing to help you achieve success in your studies and get the best grade. It provides plenty of engaging real-life examples, including brands you know such as Netflix and PayPal - marketing is not just about products, but services too. Marketing changes as the world changes, and this textbook is here to help, keeping you up to speed on key topics such as digital technologies, globalization and being green. The ultimate resource for marketing professionals Today's marketers are challenged to create vibrant, interactive communities of consumers who make products and brands a part of their daily lives in a dynamic world. Marketing, in its 9th Australian edition, continues to be the authoritative principles of marketing resource, delivering holistic, relevant, cutting edge content in new and exciting ways. Kotler delivers the theory that will form the cornerstone of your marketing studies, and shows you how to apply the concepts and practices of modern marketing science. Comprehensive and complete, written by industry-respected authors, this will serve as a perennial reference throughout your career. Perfect for Students of all backgrounds and interest levels, the sixth edition of Dibb, Simpinkin, Pride and Ferrell's Marketing Concepts and Strategies combines a thorough overview of essential marketing principles, concepts and strategies with a visually-engaging, reader-friendly presentation. The text takes students beyond the marketing mix, to recognize that in addition to producing and executing marketing programs, the marketing philosophy can add much strategic direction and market insight to an organization's strategizing. The sixth edition includes the most current coverage of marketing strategies and concepts with extensive real-world examples, and coverage of key new developments in the field. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course. The New Global Marketing: Local Adaptation for Sustainability and Profit discusses the ways that marketing managers can assess the potential for global expansion and help their firms capitalize on opportunities. The book explores which companies and products should expand internationally, what countries offer the best opportunities, and which marketing plan will lead each product or company to success. The material adapts well-established frameworks to demonstrate how the global marketer can assess company strengths and weaknesses and analyze opportunities and risks in foreign markets. It discusses the proper balance between standardization and localization, and addresses the importance of the "triple" bottom line - environmental sustainability, social fairness, and financial performance. Students also learn about bottom-of-the-pyramid markets, the role of digital global marketing, and the importance of adapting to international political, social, and environmental pressures. Featuring more than twenty original case studies, The New Global Marketing is an excellent introduction to what it really takes to succeed as a global marketer. Written for students with some marketing education and exposure to international business, the book is ideally suited to upper-level business courses and M.B.A. programs. End-of-chapter cases and mini cases help readers synthesize chapter concepts by focusing on

real marketing research problems and real companies. New examples based on products like MP3s, cell phones and blackberries are incorporated in an effort to further engage marketing professionals and make the material even more relevant. New York Times bestselling author Hilary Mantel, two-time winner of the Man Booker Prize, is one of the world's most accomplished and acclaimed fiction writers. Giving Up the Ghost, is her dazzling memoir of a career blighted by physical pain in which her singular imagination supplied compensation for the life her body was denied. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years "The story of my own childhood is a complicated sentence that I am always trying to finish, to finish and put behind me." In postwar rural England, Hilary Mantel grew up convinced that the most extraordinary feats were within her grasp. But at nineteen, she became ill. Through years of misdiagnosis, she suffered patronizing psychiatric treatment and destructive surgery that left her without hope of children. Beset by pain and sadness, she decided to "write herself into being"—one novel after another. This wry and visceral memoir will certainly bring new converts to Mantel's dark genius. "Mesmerizing."—The New York Times Grewal/Levy was designed for today's changing student population. It has a strong emphasis on experiential learning and focuses on the value that marketers create for the firm.
