**Four Dichotomies in Spanish: Adjective Position, Adjectival Clauses, Ser/Estar, and Preterite/Imperfect** Luis H. González, 2020-11-29 Examining four dichotomies in Spanish this book shows how to reduce the six to ten rules common in textbooks for each contrast to a single binary distinction That distinction is a form of totality vs part easier to see in some of the dichotomies but present in all of them Every chapter is example driven and many of those examples come from writing by students Readers can test out for themselves the explanation at work in the examples provided Then those examples are explained step by step In addition to examples from writing by college students there are examples from RAE Real Academia Española from scholars from writers from Corpus XXI RAE from the Centro Virtual Cervantes and from the Internet Many of those examples are presented to the reader as exercises and answers are provided This book was written for teachers of Spanish as a second language L2 and for minors or majors of Spanish as an L2 It will also benefit teachers and learners of other L2s with some of these dichotomies

Experiencias Diane Ceo-DiFrancesco, Kathy P. Barton, Gregory L. Thompson, Alan Brown, 2019-10-15 Follow Daniel around the Spanish speaking world as he guides students through this innovative new language course Experiencias Beginning Spanish is a dynamic and innovative introductory Spanish course that builds students language competency and offers realistic language encounters so they can begin communicating in Spanish as early as possible In Experiencias Beginning Spanish students meet Daniel a native Spanish speaker who guides them through the learning process For each chapter there is a video episode of Daniel s how to show where he interviews his Spanish speaking friends about authentic topics of interest to today s students The Experiencias course focuses on connecting language with culture engaging students with content related to the perspectives of native speakers Each chapter focuses on a different country integrating grammar and vocabulary into real world units that will give students a sense of excitement and wonder Additional pedagogical features include an emphasis on metacognitive learning strategies a reduced grammatical syllabus that leaves room for extra work on challenging areas and content recycling throughout the text for enhanced language mastery Takes students on a journey through the Spanish speaking world featuring a different country in each chapter Offers innovative pedagogical techniques and activities drawn from the authors own classroom research Engages students with a focus on culture practical communication and video interviews with native Spanish speakers Develops oral and written communication skills through authentic tasks structured by the ACTFL Proficiency Guidelines With WileyPLUS for Experiencias Beginning Spanish students have access to an enhanced e text featuring videos audio recordings interactive vocabulary exercises educational animations links to additional resources and more This text is an excellent choice for today s beginning Spanish speakers whether in traditional or online classroom environments
