Damn Shame Aug 25 2023 A funny, daring, bawdy and incredibly honest memoir from the anti-ageist, anti-body shaming, pro-sex advocate and erotic provocateur. Over the course of his 40-year career in show business, David Pevsner has done it all. He's acted on Broadway, off-Broadway, in independent films and on numerous TV network shows including Grey's Anatomy, Modern Family and Criminal Minds. As he continues his career in entertainment, Pevsner has also dedicated himself to exploring his deepest sexual fantasies. In his late 30s he became a mature male escort and over the last several years has attracted a large international fan base through his blog of erotic photographs celebrating nudity and sexuality. Damn Shame is David Pevsner's incredible story and is a passionate and poignant look at one man's journey from a thin, shy boy ashamed of his body and sexuality to a defiant, fearless everyman exploring his erotic desires, everything from leather and S&M to nude/erotic/hardcore modelling. Along the way, he fights back against society's demonization of gay sex, body shaming and ageism while pursuing his own very personal definition of success and seeking love, validation and self-esteem. Damn Shame gives a loud and powerful voice to a generation of mature men who have been conditioned to believe from society (and especially younger members of the gay community) that they are sexually irrelevant, old and undesirable. Pevsner's life story goes in directions that many couldn't imagine, but the lessons learned through his experiences will resonate with readers of every age.

Chica Lit Oct 15 2022 Winner, 2016 ALA-Choice Outstanding Academic Title In Chica Lit: Popular Latina Fiction and Americanization in the Twenty-First Century, Tace Hedrick illuminates how discourses of Americanization, ethnicity, gender, class, and commodification shape the genre of "chica lit," popular fiction written by Latina authors with Latina characters. She argues that chica lit is produced and marketed in the same ways as contemporary romance and chick lit fiction, and aimed at an audience of twenty- to thirty-something upwardly mobile Latina readers. Its stories about young women's ethnic class mobility and gendered romantic success tend to celebrate twenty-first century neoliberal narratives about Americanization, hard work, and individual success. However, Hedrick emphasizes, its focus on Latina characters necessarily inflects this celebratory mode: the elusiveness of meaning in its use of the very term "Latina" empties out the differences among and between Latina/o and Chicano/a groups in the United States. Of necessity, chica lit also struggles with questions about the actual social and economic "place" of Latinas and Chicanas in this same neoliberal landscape; these questions unsettle its reliance on the tried-and-true formulas of chick lit and romance writing. Looking at chica lit's market-driven representations of difference, poverty, and Americanization, Hedrick shows how this writing functions within the larger arena of struggles over popular representation of Latinas and Chicanas.

A Portrait of Walt Disney World Jun 30 2021 This expansive, must-have coffee table book paints a robust portrait of the Walt Disney World Resort, across half a century, through diverse and vibrant voices and mostly unseen Disney theme park concept art and photographs. Walt Disney's vision for the Florida Project begins with Disneyland and the 1964-1965 New York World's Fair. After an imaginative and expansive design, a unique land acquisition process, and an innovative construction period, the Walt Disney World Resort celebrated its Grand Opening in October 1971. It featured a theme park dubbed the Magic Kingdom and three recreational resorts: Disney's Contemporary Resort, Disney's Polynesian Village, and Disney's Fort Wilderness Resort & Campground. As Walt Disney World consistently grew and further evolved through the five decades that followed, certain themes reverberated: an appreciation for nostalgia, a joy for fantasy, a hunger for discovery, and an unending hope

for a better tomorrow. Inspirational and memorable theme parks, water parks, sports arenas, recreational water sports, world-class golf courses, vast shopping villages, and a transportation network unlike any other in the world resulted in fun, festive, and familiar characters, traditions, spectacles, merchandise, and so much more. The resort has come to represent the pulse of American leisure and has served as a backdrop for life's milestones both big and small, public and private. *Walt Disney World: A Portrait of the First Half Century* serves as a treasure trove for vacationers, students of hospitality, artists, and all Disney collectors. This Is Not Chick Lit Mar 27 2021 Chick lit: A genre of fiction that often recycles the following plot: Girl in big city desperately searches for Mr. Right in between dieting and shopping for shoes. Girl gets dumped (sometimes repeatedly). Girl finds Prince Charming. *This Is Not Chick Lit* is a celebration of America's most dynamic literary voices, as well as a much needed reminder that, for every stock protagonist with a designer handbag and three boyfriends, there is a woman writer pushing the envelope of literary fiction with imagination, humor, and depth. The original short stories in this collection touch on some of the same themes as chick lit—the search for love and identity—but they do so with extraordinary power, creativity, and range; they are also political, provocative, and, at turns, utterly surprising. Featuring marquee names as well as burgeoning talents, *This Is Not Chick Lit* will nourish your heart, and your mind. Including these original stories: “The Thing Around Your Neck” by Chimamanda Ngozi Adichie “Two Days” by Aimee Bender “An Open Letter to Doctor X” by Francine Prose “Gabe” by Holiday Reinhorn “Documents of Passion Love” by Carolyn Ferrell “Volunteers Are Shining Stars” by Curtis Sittenfeld “Selling the General” by Jennifer Egan “The Seventy-two-Ounce Steak Challenge” by Dika Lam “Love Machine” by Samantha Hunt “Ava Bean” by Jennifer S. Davis “Embrace” by Roxana Robinson “The Epiphany Branch” by Mary Gordon “Joan, Jeanne, La Pucelle, Maid of Orléans” by Judy Budnitz “Gabriella, My Heart” by Cristina Henríquez “The Red Coat” by Caitlin Macy “The Matthew Effect” by Binnie Kirshenbaum “The Recipe” by Lynne Tillman “Meaning of Ends” by Martha Witt Praise for *This Is Not Chick Lit* “This Is Not Chick Lit is important not only for its content, but for its title. I’ll know we’re getting somewhere when equally talented male writers feel they have to separate themselves from the endless stream of fiction glorifying war, hunting and sports by naming an anthology *This Is Not a Guy Thing*.”—Gloria Steinem “These voices, diverse and almost eerily resonant, offer us a refreshing breath of womanhood-untamed, ungroomed, and un glossed.”—Elle

Dude Lit Nov 27 2023 How did men become the stars of the Mexican intellectual scene? *Dude Lit* examines the tricks of the trade and reveals that sometimes literary genius rests on privileges that men extend one another and that women permit. The makings of the “best” writers have to do with superficial aspects, like conformist wardrobes and unsmiling expressions, and more complex techniques, such as friendship networks, prizewinners who become judges, dropouts who become teachers, and the key tactic of being allowed to shift roles from rule maker (the *civilizado*) to rule breaker (the *bárbaro*). Certain writing habits also predict success, with the “high and hard” category reserved for men’s writing and even film directing. In both film and literature, critically respected artwork by men tends to rely on obscenity interpreted as originality, negative topics viewed as serious, and coolly inarticulate narratives about bullying understood as maximum literary achievement. To build the case regarding “rebellion as conformity,” *Dude Lit* contemplates a wide set of examples while always returning to three figures, each born some two decades apart from the immediate predecessor: Juan Rulfo (with *Pedro Páramo*), José Emilio Pacheco (with *Las batallas en el desierto*), and Guillermo Fadanelli (with *Mis mujeres muertas*, as well as the range of his publications). Why do we believe Mexican men are competent performers of the role of intellectual? *Dude Lit* answers this question through a creative intersection of sources. Drawing on interviews, archival materials, and critical readings, this provocative book changes the conversation on literature and gendered performance.

All Day Is A Long Time Dec 05 2021 One of The Millions' "Most Anticipated Books of 2022" One of PureWow's "10 Books We Can't Wait to Read in January" One of

BookShop.org's "Notable New Releases" One of The New York Times Book Review's "16 New Books Coming in January" One of Poets & Writers' "New and Noteworthy Books" "David Sanchez's first novel—brilliant, lyrical, hilarious, heartbreaking—is the definitive handbook to hell and back . . . A stunning debut."—Cristina García, author of *Dreaming in Cuban* For fans of Denis Johnson and Ocean Vuong: A captivating, searing, and ultimately redemptive debut novel about coming of age on Florida's drug-riddled Gulf Coast and the enigmatic connection between memory and self. David has a mind that never stops running. He reads Dante and Moby Dick, he sinks into Hemingway and battles with Milton. But on Florida's Gulf Coast, one can slip into deep water unconsciously; at the age of fourteen, David runs away from home to pursue a girl and, on his journey, tries crack cocaine for the first time. He's hooked instantly. Over the course of the next decade, he fights his way out of jail and rehab, trying to make sense of the world around him—a sunken world where faith in anything is a privilege. He makes his way to a tenuous sobriety, but it isn't until he takes a literature class at a community college that something within him ignites. *All Day is a Long Time* is a spectacular, raw account of growing up and managing, against every expectation, to carve out a place for hope. We see what it means, and what it takes, to come back from a place of little control—to map ourselves on the world around, and beyond, us. David Sanchez's debut resounds with real force and demonstrates the redemptive power of the written word.

Lit from Within Nov 03 2021 Build an integrated, deeply personal practice to cultivate transformation, self-trust, and awakening with insights and techniques from beloved teacher Sarah Powers. More than just physical poses on a mat, yoga can be a profound path of self-realization. *Lit from Within* encourages readers to pursue yoga in its fullness, examining conscious and unconscious habits, connecting to our inner landscapes, and freeing us to relate to ourselves and our world with a sacred outlook. Sarah Powers helps readers relate to five levels of our human experience—physical, energetic, emotional, mental, and interpersonal. Each section offers an opportunity for self-inquiry and practices to fuel our growth, including yin yoga, meditation, emotional intelligence exercises like creating connection with an inner critic, and interpersonal dynamics drawn from the Internal Family Systems approach. Learning to recognize, reflect on, and at times re-direct these different levels of experience adds a vital dimension to the practice. The book draws on Sarah's many years of practice and teaching, influenced by the rich tapestries of yin yoga, Buddhism, Taoism, and psychology. In these challenging times, *Lit from Within* offers a path to health, wholeness, and connection—from the inside out.

Lymphocyte Immunization Therapy (LIT) in Reproductive Failures May 10 2022 Recurrent Miscarriages (RM) & Implantation Failure (IF) have remained an enigma to clinicians and researchers. Even after ruling out all possible causative factors, 50-60% cases still remain "Unexplained". A majority of these so called "Unexplained" cases are now found to have immunological basis. This book is going into the Immunological aspects of these clinical dilemmas, demystifying the role of Immunology and Immunotherapy in RM and IF. The authors have been working in the field of Reproductive Immunology and Immunotherapy for the last 25 years and they have come out with this book combining the international studies with their own experience. The purpose of writing this book is to provide a comprehensive treatise about Immunotherapy, so that it can become an acceptable modality of treatment in cases where it is needed and is effective. The book discusses the basics in Reproductive Immunology. The immunological changes occurring during pregnancy, the role of Cell mediated Immunity (T cells), Humoral Immunity including cytokines is explained. The normal immunological mechanisms protecting the embryo are highlighted and how these mechanisms are disturbed leading to RM and IF, is also explained. The first and the most discussed method of Immunotherapy is Lymphocyte Immunization Therapy (LIT). The book has given a complete overview of LIT, describing how it created euphoria when it was first introduced, how it gradually went into disrepute and how it is now making a comeback. As the authors have personal experience of LIT, the book gives a detailed and complete information about this active form of immunotherapy. The book has a special section on case studies where the authors have given some clinical case reports (including some of their own), who were treated for immunological factor in RM/IF and were treated with Immunotherapy. These cases can be a useful guide to the readers. The book will be useful not only for undergraduate and postgraduate students but also for clinicians in their practice and for researchers for review of developments in the field.

Lit Up Jul 24 2023 An inspiring firsthand investigation into the crucial challenge of turning teenagers into lifelong readers It's hardly a secret that millions of American kids, caught up in social media, television, movies, and games, don't read seriously--that is, they associate serious reading with duty or work, not with pleasure. This indifference has become a grievous loss to our standing as a great nation--and a personal loss, too, for millions of teenagers who may turn into adults with limited understanding of themselves and others. Can this be changed? Can teenagers be turned on to literature? What kind of teachers can do it, and what books? To find out, Denby sat in on a tenth-grade English class in a New York public school for an entire academic year, and made frequent visits to an inner-city public school in New Haven and to a respected public school in Westchester county. He read all the stories, poems, plays, and novels that the kids were reading, and here combines a chronicle of what he observed with fresh and inspiring encounters with the books themselves, including *The Scarlet Letter*, *Brave New World*, 1984, *The Alchemist*, *Slaughterhouse Five*, *The Kite Runner*, *Long Way Gone* and many more. Denby's book is a dramatic narrative that traces awkward and baffled beginnings but also exciting breakthroughs and the emergence of pleasure in reading. In a sea of bad news about education and the fate of the book, David Denby reaffirms the power of great teachers and the importance and inspiration of great literature.

Cosmopolitan Culture and Consumerism in Chick Lit Sep 01 2021 *Cosmopolitan Culture and Consumerism in Chick Lit* focuses on the literary phenomenon popularly known as chick lit, and the way in which this genre interfaces with magazines, self-help books, romantic comedies, and domestic-advice publications. This recent trend in women's popular fiction, which began in 1996 with the publication of British author Helen Fielding's novel *Bridget Jones's Diary*, uses first person narration to chronicle the romantic tribulations of its young, single, white, heterosexual, urban heroines. Critics of the genre have failed to fully appreciate chick lit's complicated representations of women as both readers and consumers. In this study, Smith argues that chick lit questions the "consume and achieve promise" offered by advice manuals marketed toward women, subverting the consumer industry to which it is so closely linked and challenging cultural expectations of women as consumers, readers, and writers, and of popular fiction itself.

A World Lit Only by Fire May 22 2023 A "lively and engaging" history of the Middle Ages (Dallas Morning News) from the acclaimed historian William Manchester, author of *The Last Lion*. From tales of chivalrous knights to the barbarity of trial by ordeal, no era has been a greater source of awe, horror, and wonder than the Middle Ages. In handsomely crafted prose, and with the grace and authority of his extraordinary gift for narrative history, William Manchester leads us from a civilization tottering on the brink of collapse to the grandeur of its rebirth: the dense explosion of energy that spawned some of history's greatest poets, philosophers, painters, adventurers, and reformers, as well as some of its most spectacular villains. "Manchester provides easy access to a fascinating age when our modern mentality was just being born." -- Chicago Tribune

Chick Lit and Postfeminism Apr 08 2022 Originally a euphemism for Princeton University's Female Literary Tradition course in the 1980s, "chick lit" mutated from a movement in American women's avant-garde fiction in the 1990s to become, by the turn of the century, a humorous subset of women's literature, journalism, and advice manuals. Stephanie Harzewski examines such best sellers as Bridget Jones's *Diary* *The Devil Wears Prada*, and *Sex and the City* as urban appropriations of and departures from the narrative traditions of the novel of manners, the popular romance, and the bildungsroman. Further, Harzewski uses chick lit as a lens through which to view gender relations in U.S. and British society in the 1990s. *Chick Lit and Postfeminism* is the first sustained historicization of this major pop-cultural phenomenon, and Harzewski successfully demonstrates how chick lit and the critical study of it yield social observations on upheavals in Anglo-American marriage and education patterns, heterosexual rituals, feminism, and postmodern values.
