Superstitions, House Magic, Herbal Magic, Book of Shadows, and Goddess Magic. "An unexpected read: exciting, dangerous, adventurous—everything we want from a good book." —Teen Librarian Toolbox Emma Guthrie expects this summer to be like any other in the South Carolina Lowcountry—hot and steamy with plenty of beach time alongside her best friend and secret crush, Cooper Beaumont, and Emma's ever-present twin brother, Jack. But then a mysterious eighteenth-century message in a bottle surfaces, revealing a hidden pirate bounty. Lured by the adventure, the trio discovers the treasure and unwittingly unleashes an ancient Gullah curse that attacks Jack with the wicked flesh-eating Creep and promises to steal Cooper's soul on his approaching sixteenth birthday. But when a strange girl bent on revenge appears, demon dogs become a threat, and Jack turns into a walking skeleton; Emma has no choice but to learn hoodoo magic to undo the hex, all before the last days of summer—and her friends—are lost forever. The Hoodoo Apprentice series is best enjoyed in order. Reading Order: Book #1 Conjure Book #2 Allure Book #3 Illusion Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patters) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which—even at its most abstract—echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez. Explore the traditional spells and charms of Britain's folk-magic tradition, including those for good fortune, love, healing, and curses and their removal. Book of Spells is the perfect beginner's guide to following the Path, practicing the Craft, and incorporating magick into your daily life. Advance praise for *The Book of Spells* “This book opens the door to a life of magic and inspiration. The most wonderful thing about it is that Jamie actually lives by the book. She’s the real deal! *The Book of Spells* is personal, engaging, and empowering. Her information about the Craft is heartfelt, user-friendly, and a treasure trove of witchy wisdom. You’ll love this book whether you are a novice or an expert. Enjoy!”—Victoria Bearden, nationally renowned astrologer and psychic “What a sweet book this is. Spells and a lot more for people new to the Craft written by an experienced Witch who practices what she preaches.”—Barbara Ardinger, author of *Goddess Meditations* and *Finding New Goddesses* “Creative, ethical, and respectful of tradition but modern in focus, these spells are focused on self-healing, rather than forcing your will on others.”—Anna Korn, Adocentyn Research Library “Young and old alike find a rainbow of solutions in Jamie Della’s self-empowering *Book of Spells*. Simultaneously bold and inviting, Della’s unswerving devotion to self-love, self-awareness, and growth shines through on every page of this gem of a soul’s companion guidebook.”—Tania Pryputniewicz, author of *November Butterfly* I tried to be a love and light witch, everything was "Blessed Be" and "Live Laugh Love" for a long time. I found a magical community that welcomed me with open arms, as long as I was a good witch. I wasn't going to be "bad" and let it destroy me, like I had been warned that it would. I came very close to losing the core of who I really am until tragedy struck. I then learned that there's nothing wrong with being a good witch. However, there comes a time in a person's life where it's no longer acceptable to be a door mat. It's during those times that people are due payback for how they've treated you. This book goes well beyond fairy dust and affirmations. It delves into a magical practice taught to me by generations of women from within my own family and those I have met along my journey. Inside this book you will find all sorts of mayhem inducing magic, meant specifically for teaching you how to defend yourself, your family, your home, and your place of business. "But where's the revenge?" you may ask. That is exactly what we're going to delve into in this book. You will learn how to create a new arsenal of tools to protect yourself, your family, and your home from ever being burdened by those sorts of unsavory people again. Do you want to cast a spell on a suitor, banish a ghost, cure a toothache, or harvest protective herbs? If so, this is the book for you. *The Complete Book of Spells, Curses, and Magical Recipes* explains how men and women throughout history have invoked the supernatural for specific uses and provides information about the history of witchcraft, magical recipes, and occult practices from ancient to modern times. Here is a comprehensive and enlightening guide to the rites, rituals, and magic of cultures throughout time. The year is 1915 when sixteen-year-old Eliza Williams arrives at the Billings School for Girls in Easton, Connecticut. Her parents expect her

to learn the qualities of a graceful, dutiful wife. But Eliza and her housemates have a dangerous secret: They're witches. After finding a dusty, leather bound spell book, the Billings Girls form a secret coven. Bonded in sisterhood, they cast spells-- cursing their headmistress with laryngitis, brewing potions to bolster their courage before dances, and conjuring beautiful dresses out of old rags. The girls taste freedom and power for the first time, but what starts out as innocent fun turns sinister when one of the spells has an unexpected-and deadly-consequence. Magic could bring Eliza everything she's ever wanted...but it could also destroy everything she holds dear. Twelve tales from various countries about sorcerers and spells.
